SUMMARY - The Joy Of Sex By Alex Comfort Shortcut Edition, 2021-06-21 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will learn how to take ownership of your sex life You will also learn to listen to your desires and those of your partners to become sexually responsible to approach sexuality in a relaxed and uncomplicated way to take responsibility for your sexuality For many many years sexuality has been ignored Some agreed that making sexuality a taboo was not appropriate because it is a source of pleasure Thus a number of writings and drawings related to sex have circulated since then Although there is no longer a law of silence around sexuality it remains difficult to talk about it freely The objective is therefore to free speech on this subject by sending false beliefs misinformation and any notion of guilt into the air In any case sexuality has not drastically evolved but the sexual revolutions and their moral repercussions have made it possible to approach certain subjects more serenely without fear of being judged So are you ready to understand what it means to have a fulfilling sex life Buy now the summary of this book for the modest price of a cup of coffee
