on Believin' Thomas M. Kitts, 2023-07-25 One of America's great rock and roll pioneers Richie Furay played alongside Neil Young and Stephen Stills in Buffalo Springfield producing some of the signature sounds of American folk rock. He went on to form Poco, one of the bands that founded California country rock and then Souther Hillman Furay. After declaring himself a Christian in 1974, Furay released four solo albums before taking up the ministry in 1983. He began recording again in 1997 and over the next twenty-five years he released two Christian and five secular albums. In this biography of Rock Roll Hall of Famer Richie Furay, Thomas Kitts provides an intimate look at Furay's life and music. Kitts chronicles the musician's upbringing, his musical career, and his Christianity, drawing on interviews with Furay and others close to him. In documenting Furay's extraordinary talent as a songwriter, vocalist, and guitarist, Kitts argues that although he never attained the level of stardom of many of his bandmates, Furay is a pivotal figure in American popular music. Fans of Buffalo Springfield, Poco, and country rock music will enjoy this quintessentially American story of a young man on a quest to fulfill his rock and roll dreams.

Great War Modernists Lee M. Jenkins, 2024-07-11 Taking 44 Mecklenburgh Square as the focal point and springboard for a critical group study of D. H. Lawrence, H. D., and Richard Aldington, this book offers a fresh perspective on the relationship of modernist biofiction and poetry to the literature of the First World War. A group that Perdita Schaffner described as another Bloomsbury set, the Mecklenburgh Square writers like the Bloomsbury Group proper lived in squares and loved in triangles. In Dorothy Parker's famous formulation, Geographically adjacent, these sets intersected socially and at points in their aesthetics both practiced innovative forms of what may broadly be defined as life writing. But demarcating the Mecklenburgh Square writers from the Bloomsbury Set, the former had its origins in the transatlantic avant-garde. Lawrence, H. D., Aldington, and John Cournos were all associated with Imagism, the poetic movement which instantiated Anglo-American modernism. Considered as a pro tem collective, these four poets, all of whom were also novelists and translators, contest the binaries that still obtain between modernist and First World War writing. This group study of Lawrence, H. D., Aldington, and Cournos tracks the transition of Imagism from a pre-war mode to a war poetics which includes but is not confined to the trench lyric, and it traces in the transtextual relations between the Mecklenburgh Square novels the traumatic imprint of the war on modernist life writing.
