Love Sex And Marriage In The Middle Ages A Sourcebook

Conor McCarthy

Love Sex And Marriage In The Middle Ages A Sourcebook:

Love, Sex and Marriage in the Middle Ages Conor McCarthy, 2004 Including many texts available for the first time in modern English translation Conor McCarthy brings together a wide array of writings as well as informative introductions and explanations to give a vivid impression of how love sex and marriage were dealt with as central issues of medieval life With extracts from literary and theological works medical and legal writings conduct books chronicles and love letters the writings range from well known texts such as the Letters of Abelard and Heloise Beowulf and The Canterbury Tales to less familiar sources such as church legislation or court case proceedings An indispensable sourcebook for all students and teachers of medieval history literature and culture Love Sex and Marriage in the Middle Ages contains a wide breadth of material showing the diverse and sometimes disparate approaches to love sex and marriage in medieval culture brilliantly illustrating contemporary attitudes and ideologies

Love Sex & Marriage in the Middle Ages Conor McCarthy, 2013-10-28 First published in 2004 Routledge is an imprint of Taylor Francis an informa company **Love, Sex & Marriage in the Middle Ages** Conor McCarthy, 2022-04-20 This updated edition collects an extensive range of evidence for how people in the European Middle Ages thought about the emotional state of love the physical act of sex and the social institution of marriage Included are extracts from literary and theological works medical and legal writings conduct books chronicles and letters These texts discuss married couples who are not having sex and unmarried ones who are We encounter marriages for creating alliances marriages for love and promises of marriage made in the hope of obtaining sex Learned texts discuss the etymology of sexual terms and the medical causes of difficulties in conceiving There are accounts of clandestine marriages sexual violence the madness of love melancholy and much more By drawing on diverse voices and presenting less accessible material this sourcebook provides a nuanced view of how medieval people thought about these subjects and questions the similarities and differences between their perspectives and our own With an expanded range of texts wider geographical scope suggestions for further reading and updated explanatory material to reflect changes in scholarship in over two decades this edition is an invaluable resource for students interested in sexuality gender and relationships in the Middle Ages

Love Sex & Marriage Middle Age Conor McCarthy, 2013-10-28 First published in 2004 Routledge is an imprint of Taylor Francis an informa company *Women and Gender in Medieval Europe* Margaret Schaus, 2006 Publisher description

The Middle Ages Unlocked Gillian Polack, Katrin Kania, 2015-06-15 A unique guide to all aspects of life in the Middle Ages *The Oxford Handbook of Women and Gender in Medieval Europe* Judith M. Bennett, Ruth Mazo Karras, 2013-08-22 Provides a comprehensive overview of the gender rules encountered in Europe in the period between approximately 500 and 1500 C E

Women's Lives in Medieval Europe Emilie Amt, 2013-09-13 Praise for the first edition It is difficult to imagine another book in which one could find all this diverse material and no doubt Amt's collection in its richness and in its genuine clarity and simplicity will take prominent place in our expanded diversified medieval curriculum a curriculum that

takes class gender and ethnicity as central to an understanding of world cultural history The Medieval Review Long considered to be a definitive and truly groundbreaking collection of sources Women s Lives in Medieval Europe uniquely presents the everyday lives and experiences of women in the Middle Ages This indispensable text has now been thoroughly updated and expanded to reflect new research and includes previously unavailable source material This new edition includes expanded sections on marriage and sexuality and on peasant women and townswomen as well as a new section on women and the law There are brief introductions both to the period and to the individual documents study questions to accompany each reading a glossary of terms and a fully updated bibliography Working within a multi cultural framework the book focuses not just on the Christian majority but also present material about women in minority groups in Europe such as Jews Muslims and those considered to be heretics Incorporating both the laws regulations and religious texts that shaped the way women lived their lives and personal narratives by and about medieval women the book is unique in examining women s lives through the lens of daily activities and in doing so as far as possible through the voices of women themselves *Routledge Revivals: Women and Gender in Medieval Europe (2006)* Margaret Schaus,2017-07-12 First published in 2006 Women and Gender in Medieval Europe examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE This reference work provides a comprehensive understanding of many aspects of medieval women and gender such as art economics law literature sexuality politics philosophy and religion as well as the daily lives of ordinary women Masculinity in the middle ages is also addressed to provide important context for understanding women s roles Additional up to date bibliographies have been included for the 2016 reprint Written by renowned international scholars and easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be a valuable resource on women in Medieval Europe *Christianity and Sexuality in the Early Modern World* Merry E Wiesner-Hanks,2020-05-01 Christianity and Sexuality in the Early Modern World surveys the ways in which people from the time of Luther and Columbus to that of Thomas Jefferson used Christian ideas and institutions to regulate and shape sexual norms and conduct and examines the impact of their efforts Global in scope and geographic in organization the book contains chapters on Protestant Catholic and Orthodox Europe Latin America and the Caribbean Africa and Asia and North America It explores key topics including marriage and divorce fornication and illegitimacy clerical sexuality same sex relations witchcraft and love magic moral crimes and interracial relationships The book sets its findings within the context of many historical fields including the history of gender and sexuality and of colonialism and race Each chapter in this third edition has been updated to reflect new scholarship particularly on the actual lived experience of people around the world This has resulted in expanded coverage of nearly every issue including notions of the body and of honor gendered religious symbols religious and racial intermarriage sexual and gender fluidity the process of conversion the interweaving of racial identity and religious ideologies and the role of Indigenous and enslaved people in shaping Christian traditions and practices It is ideal for

students of the history of sexuality early modern Christianity and early modern gender Desire Anna Clark,2012-11-12 the rich range of historical information that Clark weaves into her chapters makes this ambitious overview of sex in Europe a highly accessible and successful endeavour Times Higher Education Supplement Provides a valuable overview of the history of sexuality in Europe since classical antiquity synthesising as it does a mass of studies of specific regions and periods which have appeared during the last two decades Lesley Hall Wellcome Library UK **Desire A History of European Sexuality** is a sweeping survey of sexuality in Europe from the Greeks to the present day It traces two concepts of sexual desire that have competed in European history desire as dangerous polluting and disorderly and desire as creative transcendent even revolutionary This book follows these changing attitudes toward sexuality through the major turning points of European history Written in a lively and engaging style the book contains many fascinating anecdotes drawing on a rich array of sources including poetry novels pornography and film as well as court records autobiographies and personal letters While Anna Clark builds on the work of dozens of historians she also takes a fresh approach and introduces the concepts of twilight moments and sexual economies **Desire** integrates the history of heterosexuality with same sex desire and focuses on the emotions of love as well as the passions of lust the politics of sex as well as the personal experiences **A Companion to Medieval Poetry** Corinne Saunders,2010-04-12 **MEDIEVAL POETRY** In a series of original essays from leading literary scholars this Companion offers a chronological sweep of medieval poetry from Old English to the great genres of romance narrative and alliterative poetry of the 15th century Beginning in the Anglo Saxon period the volume explores the Old English language and its alliterative tradition before moving on to examine the genres of heroic devotional wisdom and epic poetry culminating in a discussion of arguably the founding text of the English literary canon the great epic Beowulf In part two the Companion moves on to discuss the linguistic and social changes brought about as a result of the Norman Conquest exploring how this influenced the development of literary genres Essays probe the shifts and continuities in genres such as lyric chronicle and dream vision and the emergence of new genres such as popular and courtly romance and drama A particular focus is the continuation of the alliterative tradition from the Anglo Saxon period to the fifteenth century A series of chapters on major authors including Chaucer Gower and Langland provide fresh approaches to reading and studying key texts such as The Canterbury Tales Piers Plowman and Sir Gawain and the Green Knight Finally the collection examines cultural change at the close of the medieval period and the variety of literature produced in the long fifteenth century including writing by and for women Scots poetry clerical and courtly works and secular and sacred drama **The History of British Women's Writing, 700-1500** Liz Herbert McAvoy,Diane Watt,2015-12-26 This volume focuses on women s literary history in Britain between 700 and 1500 It brings to the fore a wide range of women s literary activity undertaken in Latin Welsh and Anglo Norman alongside that of the English vernacular demanding a rethinking of the traditions of literary history and ultimately the concept of writing itself **Holy Harlots in Medieval English Religious Literature** Juliette

Vuille,2021 First comprehensive investigation of the major significance of female sinners turned saints in medieval literature

Handbook of Medieval Culture. Volume 3 Albrecht Classen,2015-08-31 A follow up publication to the Handbook of Medieval Studies this new reference work turns to a different focus medieval culture Medieval research has grown tremendously in depth and breadth over the last decades Particularly our understanding of medieval culture of the basic living conditions and the specific value system prevalent at that time has considerably expanded to a point where we are in danger of no longer seeing the proverbial forest for the trees The present innovative handbook offers compact articles on essential topics ideals specific knowledge and concepts defining the medieval world as comprehensively as possible The topics covered in this new handbook pertain to issues such as love and marriage belief in God hell and the devil education lordship and servitude Christianity versus Judaism and Islam health medicine the rural world the rise of the urban class travel roads and bridges entertainment games and sport activities numbers measuring the education system the papacy saints the senses death and money *The Fires of Lust* Katherine Harvey,2022-11-28 An illuminating exploration of the surprisingly familiar sex lives of ordinary medieval people The medieval humoral system of medicine suggested that it was possible to die from having too much or too little sex while the Roman Catholic Church taught that virginity was the ideal state Holy men and women committed themselves to lifelong abstinence in the name of religion Everyone was forced to conform to restrictive rules about who they could have sex with in what way how often and even when and could be harshly punished for getting it wrong Other experiences are more familiar Like us medieval people faced challenges in finding a suitable partner or trying to get pregnant or trying not to They also struggled with many of the same social issues such as whether prostitution should be legalized Above all they shared our fondness for dirty jokes and erotic images By exploring their sex lives the book brings ordinary medieval people to life and reveals details of their most personal thoughts and experiences Ultimately it provides us with an important and intimate connection to the past Seamus Heaney and Medieval Poetry Conor McCarthy,2008 Seamus Heaney s engagement with medieval literature constitutes a significant body of work by a major poet including a landmark translation of Beowulf This title examines both Heaney s direct translations and his adaptation of medieval material in his original poems **Approaches to the Byzantine Family** Leslie Brubaker,Shaun Tougher,2016-04-08 The study of the family is one of the major lacunas in Byzantine Studies Angeliki Laiou remarked in 1989 that the study of the Byzantine family is still in its infancy and this assertion remains true today The present volume addresses this lacuna It comprises 19 chapters written by international experts in the field which take a variety of approaches to the study of the Byzantine family and embrace a chronological span from the later Roman to the late Byzantine empire The context is established by chapters focusing on the Roman roots of the Byzantine family the Christianisation of the family and the nature of the family in contemporaneous cultures the late antique west and the Islamic east Key methodological approaches to the Byzantine family are highlighted and discussed in particular prosopographical and life

course approaches The contribution of hagiography to the understanding of the Byzantine family is analysed by several authors other chapters on the family and children in art and on the archaeology of the Middle Byzantine house explore the material evidence that can shed light on the Byzantine family Overall the diversity of families that existed in Byzantium blood fictive metaphorical is emphasised and chapters consider the specific cases of ascetic monastic aristocratic and peasant families as well as the imperial family which is illuminated by the comparative case of a Caliphal family The volume is topped and tailed by a Preface and an Afterword by the editors which address the state of the field and consider the way ahead Thus the volume is vital in putting the subject of the Byzantine Family in sharp focus and setting the research agenda for the future

Marriage Law and Practice in the Long Eighteenth Century Rebecca Probert, 2009-07-02 This book uses a wide range of primary sources legal literary and demographic to provide a radical reassessment of eighteenth century marriage It disproves the widespread assumption that couples married simply by exchanging consent demonstrating that such exchanges were regarded merely as contracts to marry and that marriage in church was almost universal outside London It shows how the Clandestine Marriages Act of 1753 was primarily intended to prevent clergymen operating out of London's Fleet prison from conducting marriages and that it was successful in so doing It also refutes the idea that the 1753 Act was harsh or strictly interpreted illustrating the courts pragmatic approach Finally it establishes that only a few non Anglicans married according to their own rites before the Act while afterwards most save the exempted Quakers and Jews similarly married in church In short eighteenth century couples complied with whatever the law required for a valid marriage

Jan Hus between Time and Eternity Thomas A. Fudge, 2015-11-25 This study is a reconsideration of Jan Hus a late medieval Bohemian priest who was burned at the stake six hundred years ago His death sparked a social revolution This book considers his role as a priest and reformer in Prague his martyrdom in Germany and his legacy It attempts to provide an evaluation of Hus in the context of the medieval world especially by engaging in alternative perspectives of his life and work The core themes and arguments are revisionist These include seeing Hus properly as a heretic exploring Hus as a medieval man interested in more than preaching religious practice and reform The book sets out to challenge traditional assumptions and seeks less to contribute to monument building than to challenge the prevailing views about Hus and the interpretation of his life and thought A conscious effort has been undertaken to explore the historical relevancy of Hus and to assess his contemporary significance The book also places Hus into a comparative context with the Reformation of the sixteenth century

Immerse yourself in heartwarming tales of love and emotion with is touching creation, Experience Loveis Journey in **Love Sex And Marriage In The Middle Ages A Sourcebook** .
