Love Sonnets and Madrigals to Tommaso De'Cavalieri Michelangelo Buonarroti, 1997 The genius of Michelangelo as architect sculptor and painter was recognised by his European contemporaries Only recently has he been acknowledged as the greatest Italian lyric poet of his generation From the time he was thirty he wrote verse all his long life but what turned him into a great poet was his encounter at the age of fifty seven with Tommaso de Cavalieri a young Roman nobleman The versions given here are of the sonnets and madrigals generated by his love for Cavalieri Whether that love was ever physical is debatable It was certainly metaphysical and in their conceptual toughness and power these poems anticipate the work of the English poets of that description The themes are light and dark cold and the fever of flesh and damnation helplessness in the face of young beauty hope for the divine countenance Immortalized in these poems Cavalieri has another aspect Vasari tells us Michelangelo did a full length cartoon of him If Aretino is right millions have admired his features in all probability Christ in the Sistine Chapel Last Judgement is a portrait of Tommaso de Cavalieri *A Detailed Explication of T. Michelangelo wrote the Poems to directly confront themes to which as an artist he could not give the type of expression that he wished To do so he chose harsh language which was distant from the transparent idiom of the Cinquecento Critics have generally been cautious often hostile toward his second trade By contrast writers appreciating their quality have greeted his poems in a completely different manner This book presents an original investigation of the relationship of a variety of authors Varchi Aretino Foscolo Wordsworth Stendhal Mann Montale Morante and others with Buonarroti's verse Through close analysis of the texts it shows why Michelangelo should hold a more noble position on Parnassus than that which

historiography has hitherto granted him This book is a translation of Michelangelo in Parnaso La ricezione delle Rime tra gli scrittori Venice Marsilio Editori 2019 Burning in Blueness The Dark-Light of a Countertenor Maxine Handy,2011-06-21

Michelangelo Buonarroti, Tommaso Campanella, 2023-08-12 The Sonnets of Michelangelo Buonarroti and Tommaso Campanella presents a rich tapestry of Renaissance thought and introspection through the lyrical prowess of two of Italy's most profound thinkers. This anthology captures the essence of artistic and philosophical exploration featuring an array of sonnets that span themes from the complexities of human emotion to the profound depths of spiritual contemplation. These works bring forth a diverse range of literary styles from Michelangelo's introspective simplicity to Campanella's intricate reflections, creating a dialogue that echoes the intense intellectual fervor of the 16th and 17th centuries. The anthology is a testament to the enduring impact of both poets on the Renaissance and beyond, with Michelangelo's oeuvre reflecting his multifaceted genius as both a sculptor and poet, while Campanella's writings are deeply imbued with his reputation as a philosopher and theologian. Together, they offer insights into the era's cultural currents, mirroring the dialogue of their time between art, science, and religion. Their combined works serve as a bridge between the personal and the universal, enriching the reader's understanding of the tumultuous and transformative historical landscape. For readers seeking to immerse themselves in the intellectual depths of the Renaissance, this anthology offers a unique opportunity to explore a convergence of perspectives within a single volume. It promises a journey through the literary souls of two eminent figures whose sonnets hold lasting relevance. Both educational and enlightening, this collection fosters a continuous dialogue between the distinct yet harmonious voices of Buonarroti and Campanella, cementing their legacy in the canon of world literature.

*Young Michelangelo* John T. Spike, 2012-08-01 In this biography, the author of the acclaimed *Caravaggio* examines the relationships that shaped Michelangelo's first thirty years. In this compelling account, renowned art historian John Spike paints a vivid portrait of one of the world's greatest artists and the places and people—Lorenzo de' Medici, Leonardo Machiavelli—that inspired and defined his early life and career. Spike's masterful text probes the thinking, evolution, and desires of a young man whose awareness of his exceptional talent never wavered. Michelangelo's complex personality is revealed through lively examinations of the Pietà, the David, and all other major works. Drawing on a rich background of Italian Renaissance politics and culture, Spike deftly navigates the fiery Florentine master's struggle to surpass da Vinci's artistic mastery and his troubled relationships with Julius II and other key figures of the era. Praise for *Young Michelangelo* Spike, an art historian, curator, and critic, has done some impressive research to flesh out the early years of the artist's life right up until his return to Rome in 1508 to focus on a commission in the Sistine Chapel. The young sculptor's daunting talent and quest to earn as much money as possible are woven into the story of the Italian Renaissance and the outsized figures of the age. The Washington Post Spike crystallizes historical detail into vivid, memorable imagery. Alternating between accounts of the turbulent political atmosphere and details of Michelangelo's most private moments in the sculpture studio, Spike creates a rich narrative that promises more intrigue than the best adventure novel.
