Studies Margaret Schuyler Sternbergh, 2009-04-06 Margaret Schuyler Sternbergh wrote these poems over the course of her life Written at a time when women were meant to be docile and submissive they reveal a vital and passionate spirit They touch on the death of a child on the joy of love and the pain of unrequited love on the wonder of man and despair at his destructiveness They reveal a life long struggle for justice and goodness Not discovered until after her death the poems are remarkable for their lyrical beauty and intensity of feeling They are presented here as a remembrance of her indomitable spirit

Book Review Some of the most treasured poetry works in American culture were dug up posthumously *Studies Joint Memories* is a collection of poetry from Margaret Schuyler Sternbergh published decades after her death in her honor A work of nearly a century of life her poems ring out true and drip with experience *Studies* is a fine collection with much to be enjoyed for poetry lovers Out of this Moment Out of the moment you might take Rubies sapphire pearls beyond price Just for the miracle of faith Pure and undefiled as the hour When rain slips down the heavens Like the mercy of God that it is Out of this moment you might take A joy and beauty that only you can make Micah Andrew

Reviewer *Where Does it Happen?* George Kouvaros, 2004 A good movie John Cassavetes has remarked will ask you questions you don't already know the answers to And in his films Cassavetes is as good as his word Taking up the radical question that Cassavetes's films consistently pose specifically where is the line between actor and character fiction and reality film and life George Kouvaros reveals the unique and illuminating position that Cassavetes's work occupies at the intersection of filmmaking and film theory Central to any understanding of Cassavetes's achievement is the issue of

performance Looking at the work of Gena Rowlands Ben Gazzara and Cassavetes himself in films such as Faces A Woman under the Influence and The Killing of a Chinese Bookie Kouvaros shows how performative instances gestures words or glances open up intimations of dramas belonging neither strictly to these films nor to the everyday worlds in which they are immersed A major reassessment of the filmmaker as a formal experimenter Where Does It Happen gives Cassavetes his due as a filmmaker whose critical place in the modern cinema is only now becoming clear George Kouvaros is senior lecturer in the School of Theatre Film and Dance at the University of New South Wales Australia
