Love Beyond the Grave Hans Holzer,2020-05-03 To most people man is a highly advanced organism whose life depends on the continuing performance of both his body and his mind To some they are inseparable when the body dies so does the mind But there are many people who see man as the sum of many equal but independent parts that have an existence quite different from and beyond the physical body These people accept the existence of the spirit as the eternal factor of human life believing that this part of man does not die when the body dies but continues its existence beyond death According to Dr Hans Holzer author of *Love Beyond the Grave* and many other books on the spiritual world we already have a wealth of hard evidence regarding this next state of existence Strong emotions are considered essential in order to make contact with someone from the spiritual world We usually equate such emotions with anger or with crimes of passion Dr Holzer believes that love is also a strong enough emotion to enable people in the physical world to contact those of the spiritual and in *Love Beyond the Grave* he gives many examples of such relationships including Sally and the Highwayman The Case of the Spurned Lover The Strange Case of the Psychic Callgirl The Ghostly Bedmate and The Affair Death Could Not Stop This is an extraordinary collection of twenty one cases of love beyond the grave all based on sound scholarship and hard facts proving once again that there are more things in heaven and earth than are dreamt of in our philosophy

Live Love Beyond and Above Savita Dhutti, 2021-01-23. Live Love Beyond and Above: To exist is not the same as to live. Without stopping and pausing to feel the emotions, we don't perhaps live our life. When we don't cherish what we have, we feel unhappy, and that's the reason we are always on the lookout for happiness. It's not that we never found happiness, but because we didn't pause to enjoy it, perhaps. Many a times, we have other emotional experiences and thoughts as well. There are some people in everyone's life: so caring and supporting, and some who are simply busy in trying to bring one down. That's life. I have always been penning down all the waves experienced by my heart and mind as poems. It is so soothing and stress-relieving. It has always boosted my strength levels. Out of all these emotions experienced, Love is the deepest of all. It is the most beautiful feeling in this world. I have chosen to live my life with all the love gathered from my surroundings, shrugging off all the negativity that ever came in my life.
