This book is based upon life experiences through ups and downs of any and every situation through every relationship through all different life occasions and what they have to offer. Whether it be a holiday or just a normal average day or night. These times of experiences are very detailed and described through song and poetry as one in which I like to call and proclaim as soetry. Song and poetry are nearly the same thing. The only difference is adding music to the words of either to create a poetic song that tells us all a story of an event in life's circumstances through what has taken place. Music, song, and poetry has always been part of my life and I believe has been passed down from generation to generation throughout my family unto myself for me to be able to create and present something as to the world today through the book that you're reading. Everything that we go through and experience in life is meant to be. Some events are great, others not so much. We always learn life's lessons through the failures that we come across. Although sometimes not so pleasant, we all must experience these not so pleasant events in life to learn from them to get to where we are in what I like to call the Growing and Going Process into the direction of learning from them. And if somehow we don't, the lesson of life will repeat itself until we do learn so we can make it further in life to have great accomplishments. We all have a future, a purpose, and a plan whether we see it or choose to accept it or not. **A Lineage of Grace** Francine

Rivers, 2012-11-21. The complete biblical historical fiction compilation by the New York Times bestselling author of *Redeeming Love* and *A Voice in the Wind*. The Bible is filled with inspiring stories of unlikely candidates God chose to change eternity. This bestselling compilation in one volume contains five novellas about such people: women in the family tree of Jesus Christ: Tamar, Rahab, Ruth, Bathsheba, Mary. Each was faced with extraordinary even scandalous challenges. But they had courage. They lived daring lives. Sometimes they made mistakes, big mistakes. And yet God in His infinite mercy and grace used them to bring forth the Christ, the Savior of the world. Their stories still hold great meaning and inspiration for us today. Tamar risked her life and reputation to be the woman she was called to be. See how the Lord uses our circumstances and our steps toward Him, however faltering, to fulfill His plan. Rahab was exploited by men who saw only her beauty, yet she held fast to her faith in God and was rewarded. Discover how God seeks and finds those whose hearts are tender toward Him, no matter how far away they are. Ruth's loyalty, especially toward her mother-in-law Naomi, helped her persevere in the face of tragedy, and God gave her a second chance at love. Be encouraged that God will provide even when all hope seems lost. Bathsheba's scandalous affair with David did not end in one night. Learn that God is willing to restore and redeem those lost in the depths of despair who call out to Him. Mary is one of the most revered women in history. But first she was an ordinary woman striving to please God in the same way women still do today. When God spoke, Mary responded in obedience, which changed the world forever. Each novella includes an in-depth Bible study, perfect for personal reflection or group discussion. Watch

these five women in the Bible come to life and learn from their examples of hope faith love and obedience **Billboard**
