The History of Love: Paschal Beverly Randolph, 1906 *The Perfect Law of Love* L. Lynn Derrick, 2018-11-21 This is not for the faint of heart nor for Christians who want to be entertained This is for hungry Bible students seeking vast deep answers to a vast deep subject the all important subject of Love This book could and should be the standalone text for an 8 credit hour college course mandatory for every accredited Bible student And it is a must for every layman who wants to understand the most important teachings of the Bible on a serious level Jesse Steele Moody Bible Institute Alum This book is offered to help you love the Lord with your whole heart and to better know your Creator It is intended to help clarify some lingering misunderstandings that trace back far into biblical history The book deals with the righteousness and holiness of God as seen in His laws but from a New Covenant perspective love Showing the distinction between the dispensational Law of Moses and the eternal and unchanging Law of God the book focuses on love as love is the focus of both the Law of God and the Law of Moses Rom 13:8 It's all about loving God with all your heart and loving your neighbor as yourself even loving your enemy With man this is impossible but with God all things are possible These matters have the greatest bearing on our future reward in the heavenly kingdom and upon the power of our ministry today With a clearer view of this line in the Bible it is our prayer that we will all stand more confidently as we await and hasten the return of our Lord Seek first his kingdom and its righteousness and all these things will be added unto you The book also covers emerging research regarding the 364 day calendar of the books of 1st Enoch and Jubilees and how to manage it in a 365 day context I think you will enjoy studying this with us Think about it your Creator wants to have dates with you on the dates that his feasts have been observed in the heavens since creation As we journeyed through these things I was humbled to receive seven dreams from the Lord to help shepherd us through which I document in the appendix Several in our extended family have also been warned and encouraged in dreams The arm of Yahweh is not short to also give you dreams and other works of the coming kingdom But it all begins with desperate searching in his Word Keep asking and you will receive Keep seeking and you will find Keep knocking and it will be opened to you **The physiology of love, a study in stirpiculture** Henry Seymour (anarchist.), 1898 Physiology of Love and Other Writings Paolo Mantegazza, 2008-02-16 Physician anthropologist travel writer novelist politician Paolo Mantegazza 1831-1910 was probably the most eclectic figure in late nineteenth century Italian culture A prolific writer Mantegazza can be seen as a forerunner of what has come to be known as cultural studies on
