*The Bridge from Creation to Redemption* C. Benjamin Wilkes,2012-07 If there is a true genuine plan coming from an all omnipotent God the creator of all mankind and it is specially directed to all people of His creation and that plan is focused with the intent to reconcile and save humanity back to the Creator here is that plan This book explains from a Christian perspective what God s true plan entails and what we have to do to accept this plan It is a plan that has been around for over two thousand years but over the ages the complexity of this plan has been obscured and watered down in its interpretation There comes a time when this God of ours attempts to touch us spiritually with His plan It is the responsibility of all mankind to wake up and open up their hearts and minds to what God is trying to tell us      *Love is the Law* William Noble
