Love Madness:

Eros Ascending John Maxwell Taylor, 2011-07-05 FINALIST USA Best Books 2010 Awards Spirituality Self Help Relationships The quest for lasting love is one of life's essential pursuits in some ways the most essential But it's also a quest that's impossible to separate from spiritual and sexual needs In Eros Ascending author John Maxwell Taylor offers a wide ranging study of sexual dysfunction in society and explains how healthy sexuality can be an entryway to universal love and higher consciousness Based on Taylor's twenty three year experience with Taoist practices the book presents an engaging analysis of love relationships and sexuality from spiritual romantic and sexual perspectives Taylor melds essential ideas by Jung Gurdjieff and Taoist Master Mantak Chia with science biology spiritual tradition and current popular culture to shed new light on this eternal yet misunderstood subject Not just for couples the book is equally useful for single people who want to understand the methods for learning to love yourself in preparation for a fulfilling long term relationship Taylor draws on his eclectic background as a successful playwright composer actor and musician in this persuasive plan for converting ordinary sexual energy into food for the soul

Lunatic Passion Pasquale De Marco, 2025-08-12 In the realm of literature where love and madness intertwine Lunatic Passion embarks on a captivating journey through the literary landscape of the 19th century This book delves into the minds of love mad characters exploring the intricate relationship between love desire and insanity Through the works of renowned authors such as Jane Austen Sir Walter Scott Charlotte Brontë Wilkie Collins and Charles Dickens we witness the tragic consequences of unrequited love the struggles of individuals trapped in stifling social conventions and the redemptive power of love in the face of adversity Beyond the iconic literary giants Lunatic Passion uncovers hidden gems from lesser known authors such as Lady Caroline Lamb Edward Bulwer Lytton Charles Maturin and Ann Radcliffe These authors challenge conventional notions of sanity and explore the fringes of human experience offering unique perspectives on the interplay between love madness and society Their works provide a rich tapestry of stories that illuminate the diverse expressions of love and madness in literature Lunatic Passion also delves into the historical context of madness in 19th century Britain It examines the societal attitudes medical beliefs and cultural norms that shaped the perception and treatment of mental illness during this transformative era The book explores the role of asylums the influence of moral treatment and the changing landscape of psychological medicine By contextualizing the literary works within their historical framework we gain a deeper understanding of the challenges faced by love mad individuals and the evolving attitudes towards mental health Furthermore Lunatic Passion investigates the enduring legacy of love and madness in contemporary literature and culture It examines how modern authors continue to grapple with these timeless themes exploring the ways in which love and madness manifest in the 21st century From the impact of social media on relationships to the portrayal of mental illness in the media the book investigates the evolving representations of love and madness in the modern era Lunatic Passion is an invitation to delve into the depths of human emotion to explore the intricate relationship

between love and madness and to gain a deeper understanding of the complexities of the human psyche Through the pages of this book readers will embark on a literary journey that challenges their perceptions of sanity love and the boundaries of the human experience If you like this book write a review Love's Madness Helen Small,1996 Love s Madness is an important new contribution to the interdisciplinary study of insanity Focusing on the figure of the love mad woman it presents a significant reassessment of the ways in which British medical writers and novelists of the nineteenth century thought about madness femininity and narrative convention The book centers around studies of novels by Jane Austen Sir Walter Scott Charlotte Bront Wilkie Collins and Charles Dickens as well as of previously neglected writings by Charles Maturin Lady Caroline Lamb and Edward Bulwer Lytton among others **Martyrdom, Mysticism and Dissent** Asghar Seyed-Gohrab,2021-08-23 This book is the first extensive research on the role of poetry during the Iranian Revolution 1979 and the Iran Iraq War 1980 1988 How can poetry especially peaceful medieval Sufi poems be applied to exalt violence to present death as martyrdom and to process war traumas Examining poetry by both Islamic revolutionary and established dissident poets it demonstrates how poetry spurs people to action even leading them to sacrifice their lives The book s originality lies in fresh analyses of how themes such as martyrdom and violence and mystical themes such as love and wine are integrated in a vehemently political context while showing how Shiite ritual such as the pilgrimage to Mecca clash with Saudi Wahhabi appreciations A distinguishing quality of the book is its examination of how martyrdom was instilled in the minds of Iranians through poetry employing Sufi themes motifs and doctrines to justify death Such inculcation proved effective in mobilising people to the front ready to sacrifice their lives As such the book is a must for readers interested in Iranian culture and history in Sufi poetry in martyrdom and war poetry Those involved with Middle Eastern Studies Iranian Studies Literary Studies Political Philosophy and Religious Studies will benefit from this book From his own memories and expert research the author gives us a ravishing account of a poetry stained with blood violence and death His brilliantly layered analysis of modern Persian poetry shows how it integrates political and religious ideology and motivational propaganda with age old mystical themes for the most traumatic of times for Iran Alan Williams Research Professor of Iranian Studies University of Manchester When Asghar Seyed Gohrab a highly prolific academician publishes a new book you can be certain he has paid attention to an exciting and largely unexplored subject Martyrdom Mysticism and Dissent The Poetry of the 1979 Iranian Revolution and the Iran Iraq War 1980 1988 is no exception in the sense that he combines a few different cultural religious mystic and political aspects of Iranian life to present a vivid picture and thorough analysis of the development and effect of what became known as the revolutionary poetry of the late 1970s and early 1980s This time he has even enriched his narrative by inserting his voice into his analysis It is a thoughtful book and a fantastic read Professor Kamran Talattof University of Arizona **Premodern Rulers and Postmodern Viewers** Janice North,Karl C. Alvstad,Elena Woodacre,2018-02-01 Pop culture portrayals of medieval and early modern monarchs are rife with tension

between authenticity and modern mores producing anachronisms such as a feminist Queen Isabel in RTVE's Isabel and a lesbian Queen Christina in The Girl King This book examines these anachronisms as a dialogue between premodern and postmodern ideas about gender and sexuality raising questions of intertemporality the interpretation of history and the dangers of presentism Covering a range of famous and lesser known European monarchs on screen from Elizabeth I to Muhammad XII of Granada this book addresses how the lives of powerful women and men have been mythologized in order to appeal to today's audiences The contributors interrogate exactly what is at stake in these portrayals namely our understanding of premodern rulers the gender and sexual ideologies they navigated and those that we navigate today

Early Modern Emotions Susan Broomhall, 2016-12-08 Early Modern Emotions is a student friendly introduction to the concepts approaches and sources used to study emotions in early modern Europe and to the perspectives that analysis of the history of emotions can offer early modern studies more broadly The volume is divided into four sections that guide students through the key processes and practices employed in current research on the history of emotions The first explains how key terms and concepts in the study of emotions relate to early modern Europe while the second focuses on the unique ways in which emotions were conceptualized at the time The third section introduces a range of sources and methodologies that are used to analyse early modern emotions The final section includes a wide ranging selection of thematic topics covering war religion family politics art music literature and the non human world to show how analysis of emotions may offer new perspectives on the early modern period more broadly Each section offers bite sized accessible commentaries providing students new to the history of emotions with the tools to begin their own investigations Each entry is supported by annotated further reading recommendations pointing students to the latest research in that area and at the end of the book is a general bibliography which provides a comprehensive list of current scholarship This book is the perfect starting point for any student wishing to study emotions in early modern Europe

Streetwalking on a Ruined Map Giuliana Bruno, 1993 An object of this critical remapping is Elvira Notari 1875-1946 Italy's first and most prolific woman filmmaker whose documentary style work on street life in Naples a forerunner of neorealism was popularly acclaimed in Italy and the United States until its suppression during the Fascist regime

Diet and Regimen, Physical, Intellectual, and Moral, as Means in the Prevention and Cure of Disease Robert Dick, 1838

Injustice and Restitution Stephen David Ross, 1993-09-28 This book addresses the nature and injustice of authority retracing the ideas of reason and law from ancient Greece to the present pursuing a line of thought begun with Anaximander who speaks of the ordinance of time as restitution for immemorial injustice and Heraclitus who speaks of justice as strife Predominantly philosophical exploring the authority of Western philosophy in twentieth century continental and pragmatist writings the book explores alternative voices as challenges to authority in feminist and multicultural writings in Greek mythology and African narratives in Greek drama and twentieth century literature

Heads Or Tails Jochen Hörisch, 2000 Examines the role of money in modern German literature Using examples from Goethe Gotthelf Holderlin and others to demonstrate the intersecting worlds of literature and finance the author argues that money like literature has no intrinsic value but is at the same time a necessity

The Flesh of Being David Ross, 2008-12-18 The text is a conversation between the author and himself mediated by the text of Friedrich Nietzsche's *Thus Spoke Zarathustra* The text is a pre text a reading both before and after that frames the art work What is that Let us say in the spirit of inquiry that of knowing thyself What then of this strange hyphenation The present text is a pre text because it is before the Text the text which the author is always writing but which manifests itself in sporadic impulsive bursts in the form of actual works The book is the pre text because it is an excuse a rationale a piece of pretension The book is not about Nietzsche but what it is for someone to read Nietzsche's text a book for everyone and no one How then does one read a book meant for oneself if oneself is everyone and not at all for oneself if oneself is none Or is it that the real task of reading is for the reader to read what reading is Then again need one distinguish between book and text Perhaps it is impossible to read a book such as *Thus Spoke Zarathustra* without invoking the text or even sub text that continually slips away If one can read a book one cannot the text for this reason the text is what the reader has to write through the reading This has been my experience with Nietzsche's text an experience I share with my readers The very possibility of reading invokes the need to re write the text Only in the space between reading and writing can the reader re writer hope to stand and understand the discursive grounds Is that the play which this couplet performs There does not the reader enters upon the playground Read then and play The author's thanks go to Mr Andrew Fuyarchuk for the fine editing job that he did His contribution allowed further clarifications of the argument

Wearable Objects and Curative Things Dawn Woolley, Fiona Johnstone, Ellen Sampson, Paula Chambers, 2023-11-28 This book explores the intersections between wearable objects and human health with particular emphasis on how artists and designers are creatively responding to and rethinking these relations Addressing a rich range of wearable artefacts from mobility aids and prosthetics to clothing and accessories to digital health tracking devices its themes include care and cure wellness culture and the commoditization of health and the complex interactions between human bodies and non human objects With a theoretical framework inspired by the work of materialist thinkers including Sherry Turkle Bruno Latour and Jane Bennett and bringing the disciplinary fields of fashion studies art and design practice and medical and health humanities into dialogue for the first time this volume draws attention to the complex agencies entangled in the things we wear and situates fashion and art in relation to broader

cultural and historical contexts of health illness and disability **We That Are Free and Mad** Pasquale De Marco, 2025-04-15 *We That Are Free and Mad* is a groundbreaking exploration of madness challenging societal norms and offering a fresh perspective on the experiences of marginalized voices With a focus on women this book delves into the hidden narratives of those who have been silenced and invalidated due to their perceived madness Through thought provoking chapters *We That Are Free and Mad* sheds light on the complex relationship between madness and patriarchy exposing the power dynamics that often confine women within societal constraints It examines how madness has been historically used as a tool of control silencing dissent and reinforcing societal norms This book goes beyond traditional understandings of madness embracing it as a form of resistance and subversion It celebrates the creativity self expression and transformative potential that can arise from the depths of madness *We That Are Free and Mad* challenges readers to rethink madness and embrace alternative perspectives recognizing its potential to disrupt and transform society Furthermore *We That Are Free and Mad* delves into the political implications of madness examining its role in social control and oppression It explores the experiences of madwomen as political prisoners highlighting historical and contemporary cases that underscore the urgent need for change The book advocates for the rights of madwomen dismantling stigma and promoting understanding With a focus on art and creativity *We That Are Free and Mad* uncovers the unique perspectives and insights that emerge from the depths of madness It explores the connection between madness and creativity revealing the transformative power of art as a medium for expressing and understanding the complexities of the human psyche *We That Are Free and Mad* is a call to action urging readers to rethink madness and embrace a more inclusive society It envisions a future where madness is no longer stigmatized but celebrated as a source of strength and resilience By creating supportive environments and fostering understanding *We That Are Free and Mad* paves the way for a more just and equitable world If you like this book write a review on google books *The Accidental Immigrant* David Bouchier, 2004-06 Transatlantic humorist David Bouchier brings wit wisdom and a touch of philosophy to the everyday dramas of American suburban life This book brings together more than a hundred essays originally broadcast on National Public Radio or published in his Out of Order column in the Sunday New York Times When work and marriage brought David Bouchier to Long Island in 1986 the endless suburbs seemed mysterious and exotic to him He was inspired to begin writing essays and newspaper columns about his life there a personal and public diary of the Resident Alien experience In 1992 a weekly public radio essay was added to the newspaper columns and thousands of listeners still enjoy David s weekly radio broadcasts These are the affectionate and sometimes acerbic observations of an Accidental Immigrant who still finds life in America endlessly stimulating and wonderfully strange David Bouchier s thoughts about love life liberty and the pursuit of happiness in the suburbs will make you smile and make you think Boring suburban rituals like lawn care mall shopping wedding rehearsals and barbecues will never seem the same again On Love Stendhal, 1915 **Sex Positives?** Thomas Foster, Carol Siegel, Ellen E. Berry, 1997

The feminist pornography debates are centered around the opposition between pro censorship factions and the pro sex radicals or sex positives But what exactly is the relationship between these debates and postmodern theories of reading and performativity What happens to these debates when they are placed in the context of colonial or U S racial histories What is the history behind today s sexual radicalism How radical is it In the first section of *Sex Positives* Nicola Pitchford Naomi Morgenstern Victoria L Smith and Gabrielle N Dean focus on the recent sex wars in U S feminism especially within lesbian culture Elissa J Rashkin Gaurav Desai and James Smalls broaden the terms of the sex wars debates in the second section to include sexualized racial and colonial representations from Chicana African and African American perspectives Finally Sander L Gilman Laura Ciolkowski and Laura Frost explore a variety of historical contexts for understanding contemporary forms of sexual representation and the repression of such representations
