Rave On Matthew Collin, 2024-05-31 Peace Love Unity and Respect Cultural liberation and musical innovation Pyrotechnics bottle service bass drops and molly Electronic dance music has been a vital force for more

than three decades now and has undergone transformation upon transformation as it has taken over the world In this searching lyrical account of dance music culture worldwide Matthew Collin takes stock of its highest highs and lowest lows across its global trajectory Through firsthand reportage and interviews with clubbers and DJs Collin documents the itinerant musical form from its underground beginnings in New York Chicago and Detroit in the 1980s to its explosions in Ibiza and Berlin to today s mainstream music scenes in new frontiers like Las Vegas Shanghai and Dubai Collin shows how its dizzying array of genres from house techno and garage to drum and bass dubstep and psytrance have given voice to locally specific struggles For so many people in so many different places electronic dance music has been caught up in the search for free cultural space forming the soundtrack to liberation for South African youth after Apartheid inspiring a psychedelic party culture in Israel offering fleeting escape from and at times into corporatization in China and even undergirding a veritable independent republic in a politically contested slice of the former Soviet Union Full of admiration for the possibilities the music has opened up all over the world Collin also unflinchingly probes where this utopianism has fallen short whether the culture maintains its liberating possibilities today and where it might go in the future
