get swept away Old Tavern Signs Fritz August Gottfried Endell, 2022-06-03 In Old Tavern Signs Fritz August Gottfried Endell delves into the rich tapestry of cultural heritage through the lens of historical tavern signage. This work combines a meticulous examination of various signs with a narrative style that is both engaging and informative. Endell weaves together folklore, craftsmanship, and regional identity, presenting readers with a visual and textual feast that captures the vibrant spirit of communal social spaces in past centuries. The book is as much an art historical survey as it is a cultural commentary, making it a significant contribution to the fields of art history and social anthropology. Fritz August Gottfried Endell was an eminent art historian and cultural critic whose passion for visual culture was evident in his previous works. His extensive travels across Europe, particularly in areas rich in folklore, undoubtedly influenced his fascination with tavern signs. Endell's background in both history and art provides a valuable perspective as he synthesizes diverse influences and academic disciplines, reflecting a deep understanding of the sociocultural factors that shaped these artifacts. Old Tavern Signs is a valuable read for art historians, cultural enthusiasts, and anyone interested in the intersection of history and design. Endell's approachable prose, coupled with thorough research, will transport readers to a time where every tavern sign held stories waiting to be discovered, making this book a delightful addition to any scholarly collection or casual reader's bookshelf.
