Military Politics In Israel:

Politics and Government in Israel Gregory S. Mahler, 2016-03-03 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel's history and the early development of the state Gregory Mahler then examines the social religious economic cultural and military contexts within which Israeli politics takes place He makes special note of Israel's geopolitical situation of sharing borders with and being proximate to several hostile Arab nations The book explains the operation of political institutions and behavior in Israeli domestic politics including the constitutional system and ideology parliamentary government the prime minister and the Knesset political parties and interest groups the electoral process and voting behavior and the machinery of government Mahler also considers Israel's foreign policy setting and apparatus the Palestinians and the Israeli Palestinian conflict the particularly sensitive questions of Jerusalem and the Israeli settlement movement and the Middle East peace process overall This clear and concise text provides an invaluable starting point for all readers needing a cogent introduction to Israel today

Military, State, and Society in Israel ד"ר ניצחון מאמן, Eyal Ben-Ari, Zeev Rosenhek, There have been many books on the place of war security or military service in Israeli society The Military State and Society in Israel makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel's history and continues to do so The book encapsulates in a very explicit manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The Politics of Civil Military Relations concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The State and War Making Creating Citizens Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The

Notion of National Security Institutions and Concepts raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post cold war world The Armed Forces as Organization Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

Arab-Israeli Military/Political Relations John W. Amos, 2013-10-22 Arab Israeli Military Political Relations Arab Perceptions and the Politics of Escalation examines the escalatory patterns of Israel's relations with Arab countries paying particular attention to the preconditions conditions and ultimate precipitants of wars that have broken out with some repetitiveness in the Middle East The impact of the October 1973 War known as the Yom Kippur War in the West and the Ramadan War in Arab countries on the United States interests in the Middle East is also assessed This book is comprised of seven chapters and opens with an overview of the October War those Arab states actually involved in the war especially Egypt and Syria and those Arab states having geographical access to either the Mediterranean or Indian Oceans including the oil producing states The wider political and military implications of the war are discussed with specific reference to super power interests The following chapters discuss the perceptual context of Arab politics the wars of 1967 and 1973 and the impact of Arab conflict imagery on an inherently escalatory situation the consequences and lessons of the June 1967 war or Six Day War and Arab coalition politics between 1970 and 1973 The final two chapters focus on the combined Egyptian Syrian battle plan code named Operation Badr and the historical and political implications of the 1973 war This monograph will be of interest to diplomats policymakers and government officials concerned with the politics of war and in international relations more generally

Israel's Civil-Military Relations and Security Sector Reform Ian Westerman, 2024-02-13 This book examines Israel's civil military relations CMR in order to explore alternatives to orthodox Western models of security sector reform SSR in post conflict societies This book argues that the guidelines of SSR have always tended to draw on theoretical work in the field of CMR and focus too heavily on Western liberal democratic models of governance Consequently reform programs based on these guidelines and intended for use in post conflict and conflict affected states have had at best mixed results The book challenges the necessity for this over reliance on traditional Western liberal democratic solutions and instead advocates an alternative approach It proposes that by drawing on an unconventional CMR model that in turn references the specific context and cultural background of the particular state being subject to reform there is a significantly higher chance of success Drawing on a case study of Israel's CMR the author seeks to provide practical assistance to those working in this area and considers the question of how this unorthodox CMR model might usefully inform post conflict and conflict affected SSR programmes This book will be of interest to students of military studies

security studies Israeli politics and International Relations **Politics and Society in Israel** Ernest Krausz, 2017-09-29 This series of the Israeli Sociological Society whose object is to identify and clarify the major themes that occupy social research in Israel today gathers together the best of Israeli social science investigation that was previously scattered in a large variety of international journals Each book in the series is introduced by integrative essays Each volume focuses on a particular topic the first volume seeks out the dynamics of conflict and integration in a new society the second volume is concerned with the sociology of a unique Israeli social institution the kibbutz The third volume presents sociological perspectives on political life and culture in Israel Articles by leading scholars deal with historical development political culture and ideology political institutions and behavior the social basis of politics and social change Volume III also includes a select bibliography Contributors to Volume III tentative Karl W Deutsch Yonathan Shapiro Dan Horowitz Moshe Lissak Daniel Elazar Asher Arian Charles Liebman Erik Cohen Yoram Peri Ephraim Yaar S Smooha **Politics and the Military in Israel 1967-1977** Amos Perlmutter, 1978 Om udviklingen politik og milit r i Israel siden 1967 og ti r frem i tiden Specielt om samarbejdet mellem premierminister forsvarsminister og forsvarschef **Civil-military Relations in Israel** Yehuda Ben-Meir, 1995 In Civil Military Relations in Israel Yehuda Ben Meir examines the reasons preventing Israel from becoming a garrison state A former deputy minister for foreign affairs and longtime member and analyst of the Israeli political scene Ben Meir is uniquely qualified to give a behind the scenes picture of the intimate relationship between Israel s civilian and military leaders Civil Military Relations in Israel examines the changing face of the military over the years from an idealistic defense force to a professional army Ben Meir also views the great divisiveness in Israeli politics as a threat to the unified strength of purpose that in the past characterized the nation s civil authority and he examines present and future threats to continued civilian control of the military The book also delves into the legal and constitutional foundations of Israel s civil military relations providing a valuable perspective on the organization and role of the current defense establishment as well as the informal relationship between the key players in the system In addition Ben Meir pinpoints the areas in which the military is involved in key political decision making Despite continuing efforts to resolve the pattern of violence and conflict in the Middle East the long standing hostility between Arab and Jew in the region is unlikely to disappear in the near future And as long as such animosity lingers Israel s military will remain a strong force in Israeli politics Military Politics Thomas Crosbie, 2023-07-14 Bringing together new research by leading scholars this volume rethinks the role played by militaries in politics It introduces new theories of military politics arguing against the inherited theories and practices of civil military relations and presents rich new data on senior officership and on the intersection of military politics and military operations As the first volume in Berghahn Books Military Politics series it provides a blueprint for a new research paradigm dedicated to tracing how militaries shape their political environments focusing particularly on the core democratic questions raised by politically effective and ineffective militaries Politics and Government in Israel, Fourth Edition Gregory S. Mahler, Reuven

Y. Hazan,2024-12-01 This balanced and comprehensive text explores Israeli government and politics from both institutional and behavioral perspectives After briefly discussing Israel s history authors Gregory S Mahler and Reuven Y Hazan examine the social religious economic cultural and military contexts within which Israeli politics takes place They explain the operation of political institutions and behavior in domestic politics such as the constitutional system parliamentary government and the executive legislative and judicial machinery of government including discussion of elections and voting political parties and civil society and democracy in Israel Finally Israel s foreign policy setting and apparatus are considered as well as the challenges faced by the Palestinians in Israel and the peace process between Israel and its neighbors Clear and concise *Politics and Government in Israel* provides an invaluable starting point for all readers needing a cogent introduction to Israel today ***The Military and Domestic Politics*** Rebecca L. Schiff,2008-08-13 The intervention of the military in national politics and the everyday lives of citizens is a key question in civil military relations This book explains how concordance theory can provide a model for predicting such domestic intervention Models dealing with the relationship between the military and society are usually based on Western nations with power and influence and therefore may not be appropriate for the circumstances of non Western countries By contrast concordance theory considers national contexts where the balance of military involvement in civilian life depends greatly on historical circumstances institutional nuances and cultural realities Using five case studies India Pakistan Israel Argentina and Post Revolutionary America this book challenges traditional views on the role of the military in society and offers convincing examples for the continual application of concordance theory It also explores the evolution of the theory from the field of military studies to one of corporate concordance This book will be of much interest to advanced students of Civil Military Relations military sociology political science and US politics ***Politics and Violence in Israel/Palestine*** Lev Luis Grinberg,2009-09-10 The Israeli regime is a paradox Considered a democracy it has no recognized borders and controls the majority of Palestinians by military rule while the resistance of non citizen Palestinians exerts major influence over politics and policies Drawing on detailed academic research and a broad knowledge of Israeli politics and the Israeli Palestinian conflict this book narrates and analyzes the political developments of the Israeli Palestinian peace process and the conflict with Hezbollah and Hamas explaining the dangers to future negotiations and how hopes for a settlement have been dashed by the ongoing violence The author explores the internal Israel and Palestinian politics showing how they influence the conflict and explaining the central role of military organizations in shaping the relations towards the other nation With particular relevance to current events he analyzes the Unilateral Disengagement from Gaza and the second Lebanon War which account for the deterioration into the present violence and political crisis explaining the need for international mediation in order to reach a peace agreement and suggesting a new innovative model for future Israeli Palestinian relations *The Israeli Military and Israel's Palestinian Policy* Yoram Peri,2002 ***Civil-Military Relations in Israel*** Aharon Kampinsky,Elisheva Rosman-Stollman,2014-08-14

This book a collection of essays in honor of Stuart Cohen examines a variety of issues in civil military relations CMR in Israel and abroad Beyond honoring Cohen s work this collection makes a substantial contribution to the field for a number of reasons First it brings together prominent scholars from different disciplines in the field from both Israel and abroad sketching its boundaries The chapters in the collection deal with a variety of issues theoretical and empirical including topics that are usually neglected in English works such as the control the military in Israel has on building construction permits in the civilian sector and the relations between the security establishment and the judicial system Other chapters offer new theoretical perspectives such as the context within which Israeli CMR should be examined and a more general look at the focus of CMR Second it gives non Hebrew speaking scholars and laypersons alike a better idea of what the main issues in the field of civil military relations in Israel are today This book will allow university professors and laypersons to access quality scholarship while still offering a broad spectrum of topics

Geography and Politics in Israel Since 1967 Elisha Efrat,2005-08-16 First Published in 1988 Routledge is an imprint of Taylor Francis an informa company

Military, State, and Society in Israel Eyal Ben-Ari,2018-04-17 There have been many books on the place of war security or military service in Israeli society The Military State and Society in Israel makes contributions to the debate theoretical empirical and polemical that are related to the Israeli case and to wider debates about the place of war and the military in contemporary industrialized societies The Israeli case is important in the development of more macro approaches to the study of things military as war has played a central role in Israel s history and continues to do so The book encapsulates in a very explicit manner tensions in the relationships between the military state and society and stands at the core of contemporary debates between two fundamental approaches to the study of the relations between the military society and the state the armed forces and society school and the state making and war perspective Contemporary Israel is the site of debates about many of the fundamental assumptions that have undergirded the Jewish nation state the ethnic character of nationhood and statehood the role of the Jewish diaspora vis vis Israel the legitimacy of Jewish ethnic pluralism the meaning of the Holocaust privatization of social life and the spread of consumerism and weakening of the centralized state as the agent of social transformation affecting housing language health technology production dress and child rearing One important consequence of these internal conflicts and struggles has been a significant erosion in the almost sacred status once enjoyed by state institutions and especially the military among the majority of Jewish population Theoretical and Comparative Perspectives situates Israel in its wider theoretical and comparative context and shows how the study of Israel contributes to the theoretical understanding of contemporary changes in civil military relations The Politics of Civil Military Relations concentrates on current changes in Israeli politics the character of the conflict with the Palestinians and the place of military in society The State and War Making Creating Citizens Soldiers and Men and Women indicates how war and the military are not only instruments for state making but are also important factors in the formation of individual identities The Notion of

National Security Institutions and Concepts raises the basic question of whether the institutional mechanisms and the strategic conceptions crystallized during the first 50 years of Israel's existence are still relevant in a changing post cold war world. The Armed Forces as Organization: Continuity and Change focuses on the lines of continuity and trends of change in several aspects of the Israeli Defense Forces internal organizational structure. Studies based on Israeli cases data and scholarship have been central to the development of expertise in such fields as applied psychology and psychotherapy. This volume contributes to these areas of study and will be of central importance to professionals interested in civil military

Government and Politics in Israel Oscar Kraines, 2024-06-26 Originally published in 1961 this book provides a clear authoritative work of reference surveying not only constitutional form but also actual political practice. The author deals in turn with the Knesset, the political parties and the electoral system, Cabinet, Presidents and Judiciary, the basis of citizenship and civil rights, the administrative structure, local government and foreign policy. The book also emphasizes the precarious balance of the new state of Israel in which immigrants exceeded the original population. **The Crooked Timber of**

Democracy in Israel Dahlia Scheindlin, 2023-09-18 A narrative chronicle of Israeli democracy that defines historic phases and follows thematic challenges to democracy including competition between religion and the rule of law, the statist society and chaotic minoritocracy, modern illiberal populism and the Israeli-Palestinian conflict. The comprehensive portrait exposes endemic flaws of democracy in Israel but also shows that Israel has considerable capacity and responsibility to fulfill the promise of democracy. **Palestinian Ethnonationalism in Israel** Oded Haklai, 2011-06-15 Arabs make up approximately

20 percent of the population within Israel's borders. Until the 1970s Arab citizens of Israel were a mostly acquiescent group but in recent decades political activism has increased dramatically among members of this minority. Certain activists within this population claim that they are a national and indigenous minority dispossessed by more recent settlers from Europe. Ethnically based political organizations inside Israel are making nationalist demands and challenging the Jewish foundations of the state. **Palestinian Ethnonationalism in Israel** investigates the rise of this new movement which has important implications for the Palestinian-Israeli conflict as a whole. Political scientist Oded Haklai has written the first book to examine this manifestation of Palestinian nationalism in Israel. Drawing on extensive fieldwork and interviews with key figures, Haklai investigates how the debate over Arab minority rights within the Jewish state has given way to questioning the foundational principles of that state. This ground breaking book not only explains the transitions in Palestinian Arab political activism in Israel but also presents new theoretical arguments about the relationship between states and societies. Haklai traces the source of Arab ethnonationalist mobilization to broader changes in the Israeli state such as the decentralization of authority, an increase in political competition, intra-Jewish fragmentation and a more liberalized economy. **Palestinian Ethnonationalism in Israel** avoids oversimplified explanations of ethnic conflict. Haklai's carefully researched and insightful analysis covers a neglected aspect of Israeli politics and Arab life outside the West Bank and Gaza. Scholars and policy makers interested in the

future of Israel and peace in the Middle East will find it especially valuable

Handbook of Israel: Major Debates Eliezer Ben-Rafael, Julius H. Schoeps, Yitzhak Sternberg, Olaf Glöckner, Anne Weberling, 2016-10-24 The Handbook of Israel Major Debates serves as an academic compendium for people interested in major discussions and controversies over Israel It provides innovative updated and informative knowledge on a range of acute debates Among other topics the handbook discusses post Zionism militarism democracy and religion in equality colonialism today s criticism of Israel Israel Diaspora relations and peace programs Outstanding scholars face each other with unadulterated divergent analyses These historical political and sociological texts from Israel and elsewhere make up a major reference book within academia and outside academia About seventy contributions grouped in thirteen thematic sections present controversial and provocative approaches reflecting from different angles on the present day challenges of the State of Israel Other Major Works by the Editors Eliezer Ben Rafael *Is Israel One Religion Nationalism and Ethnicity* Confounded Brill 2005 *Ethnicity Religion and Class in Israel* Cambridge University Press paperback 2007 Julius H Schoeps *Begegnungen Menschen die meinen Lebensweg kreuzten* Suhrkamp 2016 *Pioneers of Zionism* Hess Pinsker R If Messianism Settlement Policy and the Israeli Palestinian Conflict De Gruyter 2013 Yitshak Sternberg *World Religions and Multiculturalism A Relational Dialectic* Brill 2010 *Transnationalism* Brill 2009 Olaf Glöckner *Being Jewish in 21st Century Germany* De Gruyter 2015 with Haim Fireberg *Deutschland die Juden und der Staat Israel* Olms 2016 with Julius H Schoeps

The Crisis of Israel's Democracy, 1948-2025 Ilan Peleg, Ruth Amir, 2025-07-10 The Crisis of Israel s Democracy 1948 2025 Origins Developments and Consequences focuses on Israeli democracy its deep historical origins development over seven decades long term consequences and possible resolutions While most commentaries on Israel s crisis focus on the proposals for judicial reform by the Netanyahu government this study focuses on what it identifies as the fundamental problems of the Israeli regime its ethnonational rather than liberal democratic form its lack of a written constitution undermines the country s deeply divided society the greatly dysfunctional relations between the secular majority and the sizeable Orthodox minority and above all the seemingly permanent occupation of the Palestinian inhabited West Bank Peleg and Amir offer a broad perspective on these causes covering the historical failures of the country s founders an analysis of Israel s constitutional order and regime type commentary on sociopolitical cleavages and the dominant social psychology of Israelis and analysis of the charismatic populism of longtime Israeli prime minister Benjamin Netanyahu The volume concludes with analyzing future scenarios and possible solutions for Israel s democratic crisis The Crisis of Israel s Democracy offers the most comprehensive analysis of Israel s democratic backsliding to date comparing it to similar worldwide processes

Military Politics In Israel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Military Politics In Israel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Military Politics In Israel has opened up a world of possibilities. Downloading Military Politics In Israel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Military Politics In Israel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Military Politics In Israel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Military Politics In Israel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Military Politics In Israel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Military Politics In Israel has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Military Politics In Israel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Military Politics In Israel is one of the best book in our library for free trial. We provide copy of Military Politics In Israel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Military Politics In Israel. Where to download Military Politics In Israel online for free? Are you looking for Military Politics In Israel PDF? This is definitely going to save you time and cash in something you should think about.
