Modern Australian Women Paintings And Prints 1925 1945

**National Gallery of Australia, Anne
Gray**

Modern Australian Women Paintings And Prints 1925 1945:

Modern Australian Women Jane Hylton, 19?? **Modern Australian Women** National Gallery of Australia, **Grace Crowley's Contribution to Australian Modernism and Geometric Abstraction** Dianne Ottley, 2010-02-19 Grace Crowley has been recognized as a product of European modernism and was one of the leading innovators of geometric abstraction in Australia. Having studied in Paris in the 1920s with one of the leading art teachers, writers and theorists Andr   Lhote, she returned to Australia having mastered the complex mathematics and geometry of the golden section and dynamic symmetry that had become a framework for modernism. Through her teaching of these compositional techniques at the most progressive modern art school in Sydney in the 1930s, she became a crucial influence on the group of artists now recognized as the historical forerunners to American colour field painting introduced to Australia in the 1960s and Australian abstraction. Through her close friendship with Anne Dangar, who played a critical role in the success of Albert Gleizes' utopian art colony in rural France, Crowley maintained contact with mainstream European modernism and links to the Abstraction-Creation Group in Paris. During the 1940s and 1950s, Crowley worked with fellow artist Ralph Balson and together they developed their own style of geometric abstract art which reflected the spiritual dimensions of Kandinsky and Mondrian. Although undervalued in her own time, the sincerity and uncompromising quality of her work that transcends national boundaries makes her one of the most important Australian women artists of her generation. **Kathleen Sauerbier** Gloria Strzelecki, 2011 Modern in her attitude to life and art, Kathleen Sauerbier (1903-1991) painted outstanding landscapes and also portraits, streetscapes and still lifes. In her native South Australia, she became one of the first artists to respond to the beautiful Fleurieu Peninsula with a truly modernist approach, while she lived and painted also in Melbourne, London and France. Sauerbier is notable not only for her limited use of colour, fluid line work and simplified forms, but also her artistic influence on fellow Australian painter Horace Treanor. Kathleen Sauerbier: A modern pursuit explores relationships between Sauerbier's art and life and the simple aesthetic she pursued in both. **American Impressionism & Realism** Helene Barbara Weinberg, Queensland Art Gallery, 2009 An exhibition publication featuring curatorial essays and works from the Metropolitan Museum of Art, New York. Nora Heysen Jane Hylton, 2009 Nora Heysen grew up at The Cedars near the Adelaide Hills town of Hahndorf and was deeply influenced by her father Hans Heysen. Nora Heysen: Light and life explores a notable career spanning seven decades during which the artist painted some of Australia's most outstanding self-portraits, became the country's first female war artist and was the first woman to win the prestigious Archibald Prize. Curator and author Jane Hylton has written extensively on Australian art and has curated numerous exhibitions. In 2000, she left the position of Curator of Australian Art at the Art Gallery of South Australia to become a freelance consultant. *An Appreciation of Dorrit Black Paintings* Allan Gaekwad, 2014-11-03 Dorothea Foster Black (1891-1951) Dorrit, as she was known, was born and tragically died in Adelaide and is one of the women artists who introduced and promoted Modern Art in

Australia She is the first woman artist to start own and run Modern Art Gallery in Australia This small book is a glimpse of her extensive work and contribution to Australian art *Hans Heysen* Jane Hylton, John Neylon, 2004 Considered one of Australia's greatest landscape painters Hans Heysen reached critical acclaim as well as knighthood during his lifetime for his art particularly his expressive watercolor paintings This collection discusses the progress of his career as seen through his watercolors as well as the technique he employed in the paintings A brief biography is also included **Australian Art in the National Gallery of Australia** National Gallery of Australia, Anne Gray, 2002 Australian art in the National Gallery of Australia *Art and AsiaPacific*, 2001 *William Dobell* Jane Hylton, 2003 Controversy reigned in 1944 after William Dobell's Portrait of an artist Joshua Smith was awarded the Archibald Prize William Dobell Portraits in context describes the curious history of Dobell's famous painting including the fire that nearly destroyed it and its remarkable restoration and showcases in context numerous other early works by this great enigmatic artist Jane Hylton who worked for many years as a curator at the Art Gallery of South Australia now works as a freelance curator and art historian **Frida Kahlo, Diego Rivera and Mexican Modernism**, 2001 **A Studio in Montparnasse** Penelope Little, 2003 Examines the career of Bessie Davidson 1879-1965 the Adelaide born artist who became one of Australia's permanent expatriates Her heyday was in Paris between the world wars when she exhibited regularly and recently her name has become familiar to art experts again commanding both respect and respectable prices **Through Artists' Eyes** John Slater, 2004 Featuring paintings and photographs this beautifully illustrated collection exhibits how artists between the years of 1919 and 1945 recorded the coming of modernity to Australia At a time when most artists were using rural subjects these artists turned their attention to the tearing down of city centers and ordinary people at work and leisure revealing an Australia that is familiar yet far from the iconic outback From beaches photographed by Max Dupain to the building of the Sydney Harbour Bridge captured by Grace Cossington Smith and Jessie Trail this unveils a crossing into contemporary times that helped to define Australian art *Art Year*, 2001 **Face** National Gallery of Australia, Anne Gray, 2010 Featuring 54 portraits by 34 artists Face takes a fresh look at Australian portraiture from the 1880s late colonial period to the mid 1960s and the move into abstraction Face considers the international influences upon Australian portrait painting and the more distinctive turns that Australian portraiture has taken in its own right Australian artists have often challenged the possibilities of portraiture rejected the predictable and pushed boundaries in both their choice of subject and their painterly approach Artists include Tom Roberts George W Lambert Rupert Bunny Margaret Preston Grace Crowley Napier Waller Albert Tucker Sidney Nolan Russell Drysdale and John Brack *Western Australian Art and Artists, 1900-1950* Janda Gooding, Art Gallery of Western Australia, 1987 **The Bulletin**, 2001 *The Publishers Weekly*, 2001 **New Books on Women and Feminism**, 2004
