sources These transplants made for pragmatic rather than principled reasons combined in an uneasy manner with the pre existing English contract law The book also examines the substantive changes brought about in contractual mistake by the Judicature Act 1873 and the fusion of law and equity Through its historical examination of mistake in contract law the book provides not only insights into the nature of innovation and continuity within the common law but also the fate of legal transplants

Nathan,2009 *Popular Mechanics Magazine* ,1927 Compendium of Key Issues Under Corporate Law, 1e Dr. K. R. Chandratre,2021-03-15 About the Book With the rapid change in statutory environment Corporate Law has also been evolving at faster pace from past several decades The complexities in the laws have also been rising which poses constant challenge to practising professionals

There also exist a lot of issues which perhaps may not be addressed by legislation and delegated legislation some of which are addressed by the judiciary The present book is a Compendium of Key Issues under Corporate Laws covering a wide spectrum of subjects in Corporate Laws in five Volumes This book brings out issues in Corporate Law covering aspects that professionals face in practice It also brings out a lot of aspects that readers should be aware of Legislation and case laws from other jurisdictions have been analysed to provide insight into the issues Key Features Topic wise detailed analysis of various Corporate Law issues Various issues organised under topic heads addressing the key issues concerning the topic Detailed analysis of statutory provisions along with relevant judicial pronouncements and provisions of allied laws wherever applicable for each topic has been provided e g SEBI Act and various Regulations issued by the SEBI Analysis of certain landmark judicial pronouncements Comparative position of various topics between Companies Act 2013 and Companies Act 1956 Certain new concepts of Companies Act 2013 explained in detail Rules of interpretation of statutes have been discussed wherever necessary The Business Law Journal ,1925 **Bank Insolvency Law in Developing Economies** Kayode Akintola,Folashade Adeyemo,2022-12-30 The subject of bank stability has been under a great amount of political and legislative scrutiny since the mid 2007 to late 2009 global financial crisis However these efforts have centred on developed economies Little coverage is given to strategies adopted by many developing economies While there is a global discourse on the subject of insolvency generally there is ample scope to contribute to the growing body of work on the narrow subject of bank insolvencies This book provides a unique perspective on an emerging theme in at least two respects First is the focus on selected developing economies and selected developed economies in the EMEA region alongside cross border developments with the objective of deciphering the regulatory approach to bank insolvencies The second is the analytical consideration of methods that may be implemented to preclude or resolve bank insolvencies in developing economies This book explores the nexus between developing economies and their banking institutions Developing economies are acutely dependent on their banks for the functioning of their cash based economies Recent events however suggest a weakness in the long term viability of some of their banks and a mixed bag regulatory approach to redress this weakness This book evaluates the effectiveness of regulatory frameworks in selected developing economies that are designed to prevent or resolve the insolvency of banks At a time of global economic uncertainty this book will prove to be a valuable resource to the discourse on the viability of banks businesses and economies in developing States Illinois Law Bulletin ,1917
