Dynamics of Teaching and Learning Modern Hebrew as an Additional Language Yona Gilead, 2017-10-02 In Dynamics of Teaching and Learning Modern Hebrew as an Additional Language Yona Gilead presents original research into classroom

interactional practices by offering a thick description of a successful beginner level Modern Hebrew program at an Australian university The book charts and theorizes the cohort s teacher and students trajectory of using Hebrew as the main means of instructing and acquiring the language and highlights seven key features which contribute to students learning The book s research based findings and analysis of classroom dynamics contribute to theorizing the currently largely praxis based discipline of L2 Modern Hebrew instruction hence providing a stronger theoretical understanding of how and why students can be assisted in their language learning This original research provides a template for renewed L2 Hebrew research
