## **Modern Law Of Estoppel:**

**The Modern Law of Estoppel** Elizabeth Cooke, 2000 The law of estoppel might be called the law of consistency which obliges people to stand by things they have said This book examines how the law has tried to deal with this issue The Law of Estoppel Michael Barnes KC, 2020-02-20 This work contains within a single book an account of all the forms of estoppel in operation today including estoppel by record res iudicata as well as of the associated doctrine of election There can be few practitioners who do not at some time have to engage with estoppel Estoppel applies across all or nearly all English civil law In explaining each form of estoppel an attempt is made to state the main elements which have to be proved to establish the estoppel and then to detail each element with its various components At the end of each chapter a brief summary of the estoppel is included so as to guide practitioners and others to any question important in any particular case The law of estoppel has considerably advanced over recent decades and over the last 10 years alone there have been major changes such as the clarification of the previously uncertain boundaries of proprietary estoppel a statement of the exceptions to the principles of res iudicata and the extension law as well as of fact These and other subjects are explained in full **A Treatise on the Law of Estoppel and its Application in Practice** Melville M. Bigelow, 2025-08-29 Reprint of the original first published in 1872 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage A Treatise on the Law of Estoppel Or of Incontestable Rights Melville Madison Bigelow, 1913 **A Treatise on the Law of Estoppel and Its Application in Practice** Melville Madison Bigelow, 1872 A Treatise on the Law of Estoppel and Its Application in Practice ... Second Edition Melville Madison BIGELOW, 1876 *The Law of Estoppel in British India* Arthur Caspersz, 1893 **South Pacific Contract Law** Jennifer Corrin-Care, 2015-10-08 This book presents the general principles of contract law that apply in the countries of the University of the South Pacific USP region Cook Islands Fiji Islands Kiribati Marshall Islands Nauru Niue Tokelau Tonga Tuvalu Samoa Solomon Islands and Vanuatu It is unique in that it provides the only up to date survey of regional authorities for the principles of contract operating within the region Like many other branches of the law contract law has yet to establish its own identity in the South Pacific However whilst it is still based on the law of England there are significant differences between English contract law and South Pacific contract law The text provides a clear explanation of this divergence and highlights regional innovations both in the form of legislation and local case law It also examines the role of customary law and provides a comprehensive study of the significant differences between the law of contract in individual regional countries Comparison is made between regional law with current English contract law and with the contract law of Australia and New Zealand particularly where regional courts have preferred that law to the law of England This book is essential reading for all students of contract law in the South Pacific and constitutes a very useful source book and guide for academics and practitioners from within and outside the region *Contractual*

*Estoppel* Alexander Trukhtanov, 2017-07-20 This book is the first comprehensive account of contractual estoppel Contractual estoppel is a new and exciting development in the common law widely employed and of considerable practical utility The concept has been noticed by academics mostly to be criticised as anomaly misnomer and an objectionable policy choice and commentary on the concept has been limited to recitation and critique of a few principal cases Yet this book examines numerous judicial decisions which apply or discuss contractual estoppel and offers a full and systematic exploration of its origin principled basis practical applications and limits In this new title the author Alexander Trukhtanov responds to policy objections and seeks to answer the charge that contractual estoppel is a misnomer anomaly or distortion of reliance based categories of estoppel by showing that contractual estoppel is its own category of legal estoppel The book is a single point of reference for a systematic and organised exposition of the subject and an explanation of how it fits into existing law It is practice oriented but engages with important conceptual points Contractual Estoppel will be of interest to practitioners whether draftsmen litigators or advocates as well as academics and post graduate students of contract law

**The Law of Waiver, Variation and Estoppel** Sean Wilken, Karim Ghaly, 2012-02-02 Providing practical guidance on these complex doctrines this book analyses their constituent elements and considers the juridical foundation and relationship with other areas of law and other application in various aspects of commercial law

**Contract Law** Neil Andrews, 2011-05-26 This textbook takes a fresh approach to contract law as a first edition it reflects the subject in the 21st century more accurately than other texts Comprehensive and scholarly it maps the curriculum perfectly but detailed references and further reading sections encourage students to explore the subject further Understanding is paramount and chapter introductions clearly guide students through the material The textbook takes an innovative approach to case law breaking down and discussing individual elements of a case and selecting short key extracts it gives students the tools to read cases independently and with confidence An examination of the historical and theoretical foundations of the subject and a concluding chapter tracking emerging fields ensure the broadest possible perspective Discussion of key recent cases such as *Durham Tess Valley Airport* 2010 and *Chartbrook* 2009 make this important new text a must for contract law students

**Equity and Trusts** Alastair Hudson, 2014-06-30 Alastair Hudson's *Equity and Trusts* is an ideal textbook for undergraduate courses on the law of trusts and equitable remedies It provides a clear current and comprehensive account of the subject through which the author's enthusiasm and expertise shine through helping to bring to life an area of the law which students often find challenging This Eighth Edition contains an analysis of the Supreme Court decisions in *Pitt v Holt* *Futter v Futter* *Jones v Kernott* and *Re Lehman Brothers Europe* v *CRC* and the decisions in *FHR European Ventures v Mankarious* *Armstrong v Winnington* and *Independent Trustee Services v GK Noble and Morris* It also includes coverage of all of the cases which have stemmed from the financial crisis a new treatment of the *Charities Act* 2011 and of the *Perpetuities and Accumulations Act* 2009 as well as a new treatment of the law on bribery and secret profits a full treatment of the law on super injunctions and analysis of many

other new cases Equity and Trusts remains the most comprehensive and up to date coverage of the law of Equity and Trusts while still a lively and thoughtful account of the issues raised by it This book has been cited as being authoritative in the courts of numerous countries

**Great Debates in Equity and Trusts** Alastair Hudson, 2014-08-26 This textbook is an ambitious and engaging introduction to the more advanced writings on equity and trusts primarily designed to allow students to get under the skin of the topic and begin to build their critical thinking and analysis skills Each chapter is structured around key questions and debates that provoke deeper thought and ultimately a clearer understanding The aim of the book is therefore not to present a complete overview of theoretical issues in equity and trusts but rather to illustrate the current debates which are currently going on among those working in shaping the area The text features summaries of the views of notable experts on key topics and each chapter ends with a list of guided further reading
