Thousands of concise definitions for words used in ancient or modern law California. Court of Appeal (5th Appellate District). Records and Briefs California (State)., **Transnational Mortgage Law** Guido Comparato,Irina Domurath,2025-09-05 This book uncovers and reconstructs the growing body of legal principles and rules governing mortgages that have been developed by different transnational institutions and actors It shows how mortgages have evolved from a type of real security commonly used to facilitate lending by mitigating credit risk to a transferable commodity with the potential to affect international financial stability and consumer welfare In doing so the book reveals the emergence of new policy objectives and rationales for regulation that have led to changes in the structure and functions of mortgage laws

Characterising this development as a type of transnational law the book highlights the paradigm shifts in the law of residential mortgages brought about by their increasing global relevance The analysis reveals tensions between the goals of risk mitigation financial stability consumer protection and housing justice The result is an innovative analysis at the intersection of contract law property law and international financial regulation The book portrays transnational mortgage law as a complex field governed by a plurality of socially and economically relevant but potentially conflicting goals and principles
