Modern Dogma And The Rhetoric Of Assent:

Modern Dogma and the Rhetoric of Assent Wayne C. Booth, 1974-10-15 When should I change my mind What can I believe and what must I doubt In this new philosophy of good reasons Wayne C Booth exposes five dogmas of modernism that have too often inhibited efforts to answer these questions Modern dogmas teach that you cannot reason about values and that the job of thought is to doubt whatever can be doubted and they leave those who accept them crippled in their efforts to think and talk together about whatever concerns them most They have willed upon us a befouled rhetorical climate in which people are driven to two self destructive extremes defenders of reason becoming confined to ever narrower notions of logical or experimental proof and defenders of values becoming more and more irresponsible in trying to defend the heart the gut or the gonads Booth traces the consequences of modernist assumptions through a wide range of inquiry and action in politics art music literature and in personal efforts to find identity or a self In casting doubt on systematic doubt the author finds that the dogmas are being questioned in almost every modern discipline Suggesting that they be replaced with a rhetoric of systematic assent Booth discovers a vast neglected reservoir of good reasons many of them known to classical students of rhetoric some still to be explored These good reasons are here restored to intellectual respectability suggesting the possibility of widespread new inquiry in all fields into the question When should I change my mind **The Ending of Mark**

and the Ends of God Donald Juel, Beverly Roberts Gaventa, Patrick D. Miller, 2005-01-01 Among his many contributions to New Testament studies Donald Juel was perhaps best known for his treatment of the ending of Mark's Gospel He saw the open endedness of Mark as powerfully unsettling for the reader who desires to tame and predict God's actions In this series of essays edited by Beverly Roberts Gaventa and Patrick Miller theologians begin with Juel's own work and reflect on the unsettling in the context of their own work

Homiletic David G. Buttrick, 1987-01-01 Buttrick presents a complete homiletic that focuses on how sermons form in consciousness and how the language of preaching functions in the communal consciousness of a congregation His phenomenological approach marks a sharp departure from older homiletics

Unapologetic Theology William C. Placher, 1989-01-01 In *Unapologetic Theology* William Placher examines religion and the search for truth in a pluralistic society Among the issues he considers are science and its relation to belief dialogue among various religions and the theological method

Rethinking Rhetorical Theory, Criticism, and Pedagogy Antonio de Velasco, John Angus Campbell, David Henry, 2016-10-01 What distinguishes the study of rhetoric from other pursuits in the liberal arts From what realms of human existence and expression of human history does such study draw its defining character What in the end should be the purposes of rhetorical inquiry And amid so many competing accounts of discourse power and judgment in the contemporary world how might scholars achieve these purposes through the attitudes and strategies that animate their work *Rethinking Rhetorical Theory Criticism and Pedagogy The Living Art* of Michael C Leff offers answers to these questions by introducing the central insights of one of the most innovative and prolific rhetoricians of

the twentieth century Michael C Leff This volume charts Leff s decades long development as a scholar revealing both the variety of topics and the approach that marked his oeuvre as well as his long standing critique of the disciplinary assumptions of classical Hellenistic renaissance modern and postmodern rhetoric Rethinking Rhetorical Theory Criticism and Pedagogy includes a synoptic introduction to the evolution of Leff s thought from his time as a graduate student in the late 1960s to his death in 2010 as well as specific commentary on twenty four of his most illuminating essays and lectures

Kenneth Burke and His Circles Jack Selzer,Robert Wess,2008-07-24 Kenneth Burke and His Circles consists of original papers focusing on the intellectual circles in which Burke participated during his long career Instead of concentrating on Burke himself as most recent scholarship has done this book considers Burke as one participant in a host of important overlapping intellectual movements that took place over the course of the twentieth century The SAGE Handbook of

Rhetorical Studies Andrea A. Lunsford,Kirt H. Wilson,Rosa A. Eberly,2008-10-29 The SAGE Handbook of Rhetorical Studies surveys the latest advances in rhetorical scholarship synthesizing theories and practices across major areas of study in the field and pointing the way for future studies Edited by Andrea A Lunsford and Associate Editors Kirt H Wilson and Rosa A Eberly the Handbook aims to introduce a new generation of students to rhetorical study and provide a deeply informed and ready resource for scholars currently working in the field **Catalog of Copyright Entries. Postmodernity Gary Brent Madison,2012-12-06 The Politics of Postmodernity outlines in a clear and coherent manner the implications for political theory that are inherent in philosophical hermeneutics Hermeneutics is not only a general theory of human understanding it is also in terms of its practical consequences a general Theory of Democracy This book demonstrates with reference to current debates how hermeneutical theory provides the ultimate philosophical justification for democratic practice and universal human rights One of the book s most significant features is the way in which it attempts to work through postmodernism and the way in which throughout it shows how hermeneutics while fully a form of postmodern thought is nevertheless distinctive in this regard in eschewing all forms of relativism and in resolutely defending a nonessentialist universalism This book will be of interest to all those concerned with the fate of the core values traditionally defended by philosophy and indeed with the future of philosophy itself after postmodernity Unruly Rhetorics Jonathan

Alexander,Susan C. Jarratt,Nancy Welch,2018-10-26 What forces bring ordinary people together in public to make their voices heard What means do they use to break through impediments to democratic participation Unruly Rhetorics is a collection of essays from scholars in rhetoric communication and writing studies inquiring into conditions for activism political protest and public assembly An introduction drawing on Jacques Ranci re and Judith Butler explores the conditions

under which civil discourse cannot adequately redress suffering or injustice The essays offer analyses of unruliness in case studies from both twenty first century and historical sites of social justice protest The collection concludes with an afterword highlighting and inviting further exploration of the ethical political and pedagogical questions unruly rhetorics raise Examining multiple modes of expression embodied print digital and sonic Unruly Rhetorics points to the possibility that unruliness more than just one of many rhetorical strategies within political activity is constitutive of the political itself

Pragmatics and its Interfaces Cornelia Ilie,Neal R. Norrick,2018-09-07 This volume offers state of the art overviews of the cross disciplinary role and impact of Pragmatics in relation to several areas of study that it interfaces with Pragmatics has contributed significant insights to a range of disciplines just as these disciplines have contributed to it Borrowing and cross pollination between disciplines is natural as well as necessary but at times it seems important to take a pause and reflect on and problematize the role of pragmatics at these interfaces In an age when disciplinary boundaries are being blurred we need to investigate the relationship and interplay between pragmatics and related or complementary fields of enquiry with the goal of broadening and deepening our understanding of the contributions and boundaries of pragmatics as such Here in twelve original contributions internationally recognized authorities explore the current state and future trends in Pragmatics vis vis adjacent disciplines *Insight and Solidarity* William Rehg,2023-04-28 Discourse ethics represents an exciting new development in neo Kantian moral theory William Rehg offers an insightful introduction to its complex theorization by its major proponent J rgen Habermas and demonstrates how discourse ethics allows one to overcome the principal criticisms that have been leveled against neo Kantianism Addressing both commun itarian critics who argue that universalist conceptions of justice sever moral deliberation from community traditions and feminist advocates of the ethics of care who stress the moral significance of caring for other individuals Rehg shows that discourse ethics combines impartiality with solidarity He provides the first systematic reconstruction of Habermas s theory and explores its relationship to the work of such contemporary philosophers as Charles Taylor His book articulates a bold alternative to the split between the right and the good in moral theory and will greatly interest philosophers social and legal scholars and political theorists This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived

makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 Discourse ethics represents an exciting new development in neo Kantian moral theory William Rehg offers an insightful introduction to its complex theorization by its major proponent J rgen Habermas and demonstrates how discourse ethics allows one to ov

Political Conversion Don Waisanen,2018-04-20 Stories of religious conversion have been told for millennia Yet many prominent figures such as Ronald Reagan Hillary Clinton and Rick Perry have also used stories of their change from one political worldview to another as a communication strategy aimed at winning the hearts and minds of the public This book is about political conversion stories in public discourse in their evolution from and interactions with religion From a historical perspective it charts the development of conversion narratives from religious contexts to their contemporary applications as specifically political messages Since these narratives continue to be used in the culture wars this book examines several related autobiographies that contributed to the use of this strategy in contemporary U S politics Each case shows how shifts during the postwar period called for conversion texts under varying guises and illustrates how and why the majority of these stories have been of conversions from the ideological left to the right Examining political conversion as a form of public persuasion Political Conversion ultimately provides insight into what these types of civic religious stories mean for democratic communication and communities

Reclaiming Rhetorica Andrea A. Lunsford,1995-04-15 Women s contribution to rhetoric throughout Western history like so many other aspects of women s experience has yet to be fully explored In pathbreaking discussions ranging from ancient Greece though the Middle Ages and the Renaissance to modern times sixteen closely coordinated essays examine how women have used language to reflect their vision of themselves and their age how they have used traditional rhetoric and applied it to women s discourse and how women have contributed to rhetorical theory Language specialists feminists and all those interested in rhetoric composition and communication will benefit from the fresh and stimulating cross disciplinary insights they offer

Pathways to the Public Square International Academy of Practical Theology. Meeting,2005 This volume represents the proceedings of the 2003 meeting of the International Academy of Practical Theology which was held in Manchester UK on the theme of public theology Featuring over twenty papers from some of the world s leading practical theologians Pathways to the Public Square offers a wide variety of perspectives on the relationship between theology and politics education law culture and economics

They include subjects as diverse as the role of religion in the constitution of the European Union theological themes in popular music Roman Catholic Muslim dialogue in the U S A and the spirituality of the public realm This book will be of interest to theological educators and students church leaders policy makers and all those interested in the relationship between religion and public life Burdens of Proof in Modern Discourse Richard H. Gaskins, 1995-02-22 Public and professional debates have come to rely heavily on a special type of reasoning the argument from ignorance in which conclusions depend on the lack of compelling information I win my argument says the skillful advocate unless you can prove that I am wrong This extraordinary gambit has been largely ignored in modern rhetorical and philosophical studies Yet its broad force can be demonstrated by analogy with the modern legal system where courts have long manipulated burdens of proof with skill and subtlety This legal philosophical and rhetorical study by Richard H Gaskins provides the first systematic treatment of arguments from ignorance across a wide range of modern discourse from constitutional law scientific inquiry and moral philosophy to organizational behavior computer operation and personal interaction Gaskins reviews the historic shifts in constitutional proof burdens that have shaped public debate on fundamental rights and by analogy on the fundamental status of intellectual and cultural authority He shows how similar shifts have dominated polemical battles between scientific and ethical modes of authority affecting both academic and popular discussion Finally he discovers the philosophical roots of default reasoning strategies in the arguments of Kant and nineteenth century Kantian schools Concluding that shifting proof burdens are inescapable in a world of scientific and moral uncertainty Gaskins emphasizes the common strategic ground shared by dogmatic and skeptical reasoning Using Hegelian strategies he describes a more pluralistic temper that can move critical thinking beyond polemics and strengthen our capacities for common discourse

Shaped by Stories Marshall Gregory, 1997-09-01 In his latest book Marshall Gregory begins with the premise that our lives are saturated with stories ranging from magazines books films television and blogs to the words spoken by politicians pastors and teachers He then explores the ethical implication of this nearly universal human obsession with narratives Through careful readings of Katherine Anne Porter s *The Graveyard Book* Thurber s *The Catbird Seat* as well as *David Copperfield* and *Wuthering Heights* Gregory asks and answers the question How do the stories we absorb in our daily lives influence the kinds of persons we turn out to be *Shaped by Stories* is accessible to anyone interested in ethics popular culture and education It will encourage students and teachers to become more thoughtful and perceptive readers of stories
