Modern Etching Engraving European:

Ekphrastic Image-making in Early Modern Europe, 1500-1700 Arthur J. DiFuria, Walter Melion, 2021-12-20 In epideictic oratory ekphrasis is typically identified as an advanced rhetorical exercise that verbally reproduces the experience of viewing a person place or thing more specifically it often purports to replicate the experience of viewing a work of art Not only what was seen but also how it was beheld and the emotions attendant upon first viewing it are implicitly construed as recoverable indeed reproducible This volume examines how and why many early modern pictures operate in an ekphrastic mode such pictures claim to reconstitute works of art that solely survived in the textual form of an ekphrasis or they invite the beholder to respond to a picture in the way s he responds to a stirring verbal image or they call attention to their status as an image in the way that ekphrasis as a rhetorical figure makes one conscious of the process of image making or finally they foreground the artist s or the viewer s agency in the way that the rhetor or auditor is adduced as agent of the image being verbally produced Contributors Carol Elaine Barbour Ivana Bi ak Letha Ch ien James Clifton Teresa Clifton Karl Enenkel Arthur DiFuria Christopher Heuer Barbara Kaminska Annie Maloney Annie McEwen Walter Melion Lars Cyril N rgaard Dawn Odell April Oettinger Shelley Perlove Stephanie Porras Femke Speelberg Caecilie Weissert Elliott Wise and Steffen Zierholz **Modern Etching and Engraving, European and American** Bureau du Studio À. Supplementary Catalogue of the Public Library of New South Wales, Sydney for the Years 1888-[1910] ... Public Library of New South Wales, 1906 ***Architectures of Festival in Early Modern Europe*** J.R. Mulryne, Krista De Jonge, Pieter Martens, R.L.M. Morris, 2017-10-25 This fourth volume in the European Festival Studies 1450 1700 series breaks with precedent in stemming from a joint conference Venice 2013 between the Society for European Festivals Research and the PALATIUM project supported by the European Science Foundation The volume draws on up to date research by a Europe wide group of academic scholars and museum and gallery curators to provide a unique intellectually stimulating and beautifully illustrated account of temporary architecture created for festivals of the sixteenth and seventeenth centuries together with permanent architecture pressed into service for festival occasions across major European locations including Italian French Austrian Scottish and German Appealing and vigorous in style the essays look towards classical sources while

evoking political and practical circumstances and intellectual concerns from re shaping and re conceptualizing early sixteenth century Rome through providing for the well being and political allegiance of Medici era Florentines and exploring the teasing aesthetics of performance at Versailles to accommodating players and spectators in seventeenth century Paris and at royal and ducal events for the Habsburg French and English crowns The volume is unique in its field in the diversity of its topics and the range of its scholarship and fascinating in its account of the intellectual and political life of Early Modern Europe

Visual Cultures of Secrecy in Early Modern Europe Timothy McCall, Sean Roberts, 2013-04-01 Secrets in all their variety permeated early modern Europe from the whispers of ambassadors at court to the emphatically publicized books of home remedies that flew from presses and booksellers shops This interdisciplinary volume draws on approaches from art history and cultural studies to investigate the manifestations of secrecy in printed books and drawings staircases and narrative paintings ecclesiastical furnishings and engravers tools Topics include how patrons of art and architecture deployed secrets to construct meanings and distinguish audiences and how artists and patrons manipulated the content and display of the subject matter of artworks to create an aura of exclusive access and privilege Essays examine the ways in which popes and princes skillfully deployed secrets in works of art to maximize social control and how artists printers and folk healers promoted their wares through the impression of valuable mysterious knowledge The authors contributing to the volume represent both established authorities in their field as well as emerging voices This volume will have wide appeal for historians art historians and literary scholars introducing readers to a fascinating and often unexplored component of early modern culture

The Emblem in Early Modern Europe Professor Peter M Daly, 2014-06-28 The emblem was big business in early modern Europe used extensively not only in printed books and broadsheets but also to decorate pottery metalware furniture glass and windows and numerous other domestic devotional and political objects At its most basic level simply a combination of symbolic visual image and texts an emblem is a hybrid composed of words and picture However as this book demonstrates understanding the precise and often multiple meaning intention and message emblems conveyed can prove a remarkably slippery process

Religion, the Supernatural and Visual Culture in Early Modern Europe Jennifer Spinks, Dagmar Eichberger, 2015-07-28 This volume brings together some of the most exciting new scholarship on these themes and thus pays tribute to the ground breaking work of Charles Zika Seventeen interdisciplinary essays offer new insights into the materiality and belief systems of early modern religious cultures as found in artworks books fragmentary texts and even in Protestant relics Some contributions reassess communal and individual responses to cases of possession others focus on witchcraft and manifestations of the disordered natural world Canonical figures and events from Martin Luther to the Salem witch trials are looked at afresh Collectively these essays demonstrate how cultural and interdisciplinary trends in religious history illuminate the experiences of early

The Oxford Handbook of Early Modern European History, 1350-1750 Hamish Scott, 2015-07-23 This Handbook re-examines the concept of early modern history in a European and global context The term early modern has been familiar especially in Anglophone scholarship for four decades and is securely established in teaching research and scholarly publishing More recently however the unity implied in the notion has fragmented while the usefulness and even the validity of the term and the historical periodisation which it incorporates have been questioned The Oxford Handbook of Early Modern European History 1350 1750 provides an account of the development of the subject during the past half century but primarily offers an integrated and comprehensive survey of present knowledge together with some suggestions as to how the field is developing It aims both to interrogate the notion of early modernity itself and to survey early modern Europe as an established field of study The overriding aim will be to establish that early modern is not simply a chronological label but possesses a substantive integrity Volume I examines Peoples and Place assessing structural factors such as climate printing and the revolution in information social and economic developments and religion including chapters on Orthodoxy Judaism and Islam

Customised Books in Early Modern Europe and the Americas, 1400-1700 Christopher D. Fletcher, Walter S. Melion, 2023-12-28 Customised Books in Early Modern Europe and the Americas 1400 1700 examines the form function and meaning of alterations made by users to the physical structure of their book through insertion or interpolation subtraction or deletion adjustments in the ordering of folios or quires amendments of image or text Although our primary interest is in printed books and print series bound like books we also consider selected manuscripts since

meaningful alterations made to incunabula and early printed books often followed the patterns such changes took in late fourteenth and fifteenth century codices Throughout Customised Books the emphasis falls on the hermeneutic functions of the modifications made by makers and users to their manuscripts and books Contributors B Boler Hunter T Cummins A Dlabova K A E Enenkel C D Fletcher P F Gehl P Germano Leal J Kilia czyk Zi ba J Koguciuk A van Leerdam S Leitch S McKeown W S Melion K Michael S Midanik B Purkale J Rosenholtz Witt B L Rothstein M R Wade and G Warnar The Routledge Handbook of Material Culture in Early Modern Europe Catherine Richardson, Tara Hamling, David Gaimster, 2016-09-13 The Routledge Handbook of Material Culture in Early Modern Europe marks the arrival of early modern material culture studies as a vibrant fully established field of multi disciplinary research The volume provides a rounded accessible collection of work on the nature and significance of materiality in early modern Europe a term that embraces a vast range of objects as well as addressing a wide variety of human interactions with their physical environments This stimulating view of materiality is distinctive in asking questions about the whole material world as a context for lived experience and the book considers material interactions at all social levels There are 27 chapters by leading experts as well as 13 feature object studies to highlight specific items that have survived from this period defined broadly as c 1500 c 1800 These contributions explore the things people acquired owned treasured displayed and discarded the spaces in which people used and thought about things the social relationships which cluster around goods between producers vendors and consumers of various kinds and the way knowledge travels around those circuits of connection The content also engages with wider issues such as the relationship between public and private life the changing connections between the sacred and the profane or the effects of gender and social status upon lived experience Constructed as an accessible wide ranging guide to research practice the book describes and represents the methods which have been developed within various disciplines for analysing pre modern material culture It comprises four sections which open up the approaches of various disciplines to non specialists Definitions disciplines new directions Contexts and categories Object studies and Material culture in action This volume addresses the need for sustained coherent comment on the state breadth and potential of this lively new field including the work of historians art historians museum curators archaeologists social scientists and literary scholars It consolidates and communicates recent developments and considers how we might take forward a multi disciplinary research agenda for the study of material culture in periods before the mass production of goods *The Ashgate Research Companion to Women and Gender in Early Modern Europe* Jane Couchman, 2016-03-23 Over the past three decades scholars have transformed the study of women and gender in early modern Europe This Ashgate Research Companion presents an authoritative review of the current research on women and gender in early modern Europe from a multi disciplinary perspective The authors examine women s lives ideologies of gender and the differences between ideology and reality through the recent research across many disciplines including history literary studies art history musicology history of science and medicine and religious studies The book is
