Lesley Johnson

Modern Girl Girlhood And Growing Up:

The Modern Girl Lesley Johnson,1993 Discusses the historical factors and conditions of growing up female in the 1950s and 1960s in Australia and its implications for modern feminism The author is Professor of Communication at the University of Western Sydney Includes endnotes and a bibliography **All About the Girl** Anita Harris,2004-10-29 The essays cover girlhood around the world and cover such key areas as schooling sexuality popular culture and identity **From Superwomen to Domestic Goddesses** Natasha Campo,2009 This book examines the rise and fall of feminism in the public imagination in the last twenty years and explains why feminism failed me has become the catch cry of a generation Today many women turn their back on feminism because they feel betrayed by the promises of feminism Yet during the 1980s the popular ideal of the Superwoman offered a source of empowerment and pride for women and equality with men even having it all seemed possible Through a close reading of popular culture sources this book shows how women s engagement with feminism has shifted over time and considers its future as a social movement *Special Populations in Gifted Education* Jaime A. Castellano,Andrea Dawn Frazier,2021-09-23 A gifted education Legacy Award winner *Special Populations in Gifted Education Understanding Our Most Able Students From Diverse Backgrounds* brings together the leading experts in the field who combine both knowledge of and leadership experience with gifted students from diverse backgrounds Public schools are as diverse as ever and as a result historically underrepresented students need to be included in gifted education programs that serve our most able students This edited book helps to raise the awareness level and knowledge base of all educators particularly teachers of the gifted who work with a kaleidoscope of special populations in gifted education Chapters in this volume focus on topics such as gifted education in rural environments highly gifted learners twice exceptional children gifted females gifted and talented students on the autism spectrum English language learners underachievement and students from culturally or linguistically diverse backgrounds *Special Populations in Gifted Education* is a must have for educators working with students from diverse backgrounds *'The Right Thing to Read'* Bronwyn Lowe,2018-03-09 *The Right Thing to Read A History of Australian Girl Readers 1910 1960* explores the reading habits identity and construction of femininity of Australian girls aged between ten and fourteen from 1910 to 1960 It investigates changing notions of Australian girlhood across the period and explores the ways that parents teachers educators journalists and politicians attempted to mitigate concerns about girls development through the promotion of healthy literature The book also addresses the influence of British publishers to Australian girl readers and the growing importance of Australian publishers throughout the period It considers the rise of Australian literary nationalism in the global context and the increasing prominence of Australian literature in the period after the Second World War It also shows how access to reading material improved for girls over the first half of the last century **Of Silk Saris & Mini-Skirts** Amita Handa,2003-01-08 Dr Handa explores issues surrounding the way identity is imagined and constructed by South Asian girls women and South Asian community workers in Toronto The author

also examines ways in which young South Asian women are constructed and represented through discourses of race nation culture and community Using feedback from her interviews the author discusses South Asian women s struggle with the threat of the erosion of their authentic cultural practices Handa s critical theoretical perspective illuminates how South Asian women struggle to live within the boundaries of cultural preservation at the same time that they embrace aspects of the communities in which they live She explores whether they both desire and are excluded from Canadian cultural hegemony She also examines the theoretical implications of exclusion and conversely the problematic of cultural preservation

Secret Gardens, Satanic Mills Mary Jo Maynes, Birgitte Sølund, Christina Benninghaus, 2005 Essays on the history of girlhood in modern Europe *Young Women and the Body* L. Frost, 2001-03-30 Young Women and the Body sets out to examine why the current generation of young women seem to be deeply unhappy with their own bodies Dieting and disguising are commonplace and inflicting serious harm by no means rare in fourteen to eighteen year olds Despite prophecies to the contrary boys and adults are suffering far less Drawing on feminist social constructionist perspectives the book seeks to examine this epidemic of body hatred **Cultural Studies 10.3** Lawrence Grossberg, 2005-08-08 Cultural Studies is an international journal committed to exploring the relationships between cultural practices and everyday life economic relations the material world the State and historical forces and contexts Broken Circles Anna Haebich, 2000-11-01 This major work reveals the dark heart of the history of the Stolen Generations in Australia It shows that from the earliest times of European colonization Aboriginal Australians experienced the trauma of loss and separation as their children were abducted enslaved institutionalized and culturally remodeled Providing a moving and comprehensive account of this tragic history this study covers all Australian colonies states and territories The analysis spans 200 years of white occupation and intervention from the earliest seizure of Aboriginal children through their systematic state removal and incarceration and on to the harsh treatment of families under the assimilation policies of the 1950s and 1960s The resistance struggle and achievements of Aboriginal people in defending their communities regaining their rights and mending the broken circles of family life provides a compelling parallel story of determination and courage Beyond the Great Divide Judith Gill, 2004 Author and educator Judy Gill addresses the ongoing debate between coeducation or single sex schooling She starts by giving a brief overview of schooling in Australia and its various school systems and then follows with an examination of the rationale for single sex schooling and the cases for and against **Education and Masculinities** Chris Haywood, Mairtin Mac an Ghaill, 2013-06-19 Argues that the relationship between education and masculinities needs to be considered within the bigger picture of local and global based changes in society **Culture and Education** Filiz Meseci Giorgetti, Ali Arslan, Craig Campbell, 2020-06-29 This book explores the fascinating and complex interactions between the ways that culture and education operate within and across societies In some cases education is imagined as an integrated part of general cultural phenomena in others educational interventions become the means for transforming the cultural

circumstances of different populations The contributors to this volume show how certain educational practices produce new cultural and professional knowledge discuss the impacts of initially foreign educational ideas and institutions on established cultural institutions in very different societies and explore the impacts of modernity and modern educational ideas on more traditional gendered and religious practices and communities The book also provided striking examples of when these impacts were not benign Increasingly powerful twentieth century governments attempted to use education and schools to produce new reformed citizens suitable for their newly created colonial national socialist and fascist states The expectation was that cultural and social transformation might be engineered in major part through schooling This book was originally published as a special issue of *Paedagogica Historica*

Transformations of Patriarchy in the West, 1500-1900 Pavla Miller, 1998-12-22 In this major contribution to European social history Miller has succeeded in doing to history what Richard Wagner did to music weaving together powerful motifs with dramatic results Choice Miller's book wrestles with issues as basic as the historical construction of the Western personality and its connections with how Western societies have organized the state the economy the family and intimate everyday life MaryJo Maynes This wide ranging study of familial political and economic change in the West between the sixteenth and the nineteenth centuries is organized around the two themes of the fall of a patriarchalist social order and the reformist movement to instill self mastery into subject populations and how those societal shifts transformed state school systems

Sociology Australia Judith Bessant, 2020-07-16 Sociology gives us the tools we need to understand our life and the lives of the people around us It reveals that our commonsense view of the world isn't always right and enables us to find out what actually shapes our experiences In this widely used and very readable introductory text Judith Bessant and Rob Watts show us how to develop a sociological perspective on what is happening in Australia today Rapid and far reaching social changes are taking place which affect us all globalisation is impacting on our economy and culture technological developments increase the pace of life and many people worry about the decline of traditional values and about environmental and personal security Using a sociological perspective we can explain why different groups of people experience these changes as exciting unsettling or devastating Sociology Australia is structured around six key questions What is sociology Who are we and how do we come to be who we are How do we know the world in which we live Can we make our lives as we want them Who makes the decisions that shape our society What changes are taking place in Australia today Sociology Australia is an ideal introduction to the discipline of sociology and to the dynamics of Australian society today This third edition of Sociology Australia has been substantially revised and updated and includes new chapters on religion education and sustainability

Youth, Education and Risk Peter Dwyer, Johanna Wyn, 2004-11-23 Youth Education and Risk Facing the Future provides a provocative and valuable insight into how the dramatic social and economic changes of the last twenty years have affected the lives of Western youth Covering young people's attitudes towards relationships and health the authors provide a comprehensive perspective on young people in

Western society in the 1990s The book reviews ten years of research policy and practice as related to the 15-25 age group and compares data from the UK Australia the USA and Canada It also argues for the need to develop new research and policy frameworks that are more in tune with the changed conditions of life for Western youth The book sets out the conceptual basis for a new approach to youth and the practical implications for research education and youth policy in the new millennium

Roma the First Susan Magarey, Kerrie Round, 2007 Roma Mitchell contributed importantly to her times pioneering a new kind of womanhood and becoming an inspiration in terms of opportunities and freedoms for women in Australia

Gender, Generation and Identity in Contemporary Russia Hilary Pilkington, 2002-09-11 This book explores the lives and expectations of young women in the new Russia looking at the enormous changes that the new social and economic environment have brought The authors draw on the growing literature on gender and generation in the West which has arisen as a result of the recognition that the experience of youth is classed raced and gendered and that the experience of gender is mediated by class race ethnicity sexuality and age They consider the role of the media state and social institutions in shaping opportunities and experiences in the post Soviet environment focusing on the strategies employed by individual women to reforge social identities in a society in which they have been dislocated more acutely than in any other postmodern society

Living Feminism Chilla Bulbeck, 1997-10-27 Examining the impact of feminism on ordinary Australian women the author argues that the impact of feminism on women's lives has been significant even though many of the women whose lives have changed because of its influence shun the term feminist or find feminism irrelevant

The Comprehensive Public High School G. Sherington, Craig Campbell, 2006-02-04 This book traces the decline of the public comprehensive high school New educational markets emphasized school diversity and parental choice rather than social equity through common schooling and they were criticized for declining standards The book also considers government education policies and their regional manifestations
