Modern Japanese Organization And Decision Making:

Modern Japanese Organization and Decision-Making Ezra F. Vogel, 2023-11-10 This book constitutes the first attempt of its kind to probe the major features of modern Japanese organization that have played such a critical role in Japan's extraordinarily rapid economic development. The contributors include prominent academic business consultants such as Peter Drucker of the United States and Kazuo Noda of Japan. Japanese government officials such as Yoshihisa Ojimi, former Administrative Vice Minister of the Ministry of International Trade and Industry, and Taishiro Shirai, a member of the Central Labor Relations Commission, as well as outstanding Western experts on modern Japanese organization. The essays deal not only with Japanese government and business but also with the structures of a newspaper and a university and with the role of Japanese intellectuals in modern organization. The portrait of Japanese organization that emerges is much more dynamic and volatile than has been generally supposed. One finds business and government managers creatively using so-called traditional practices in novel ways and undertaking bold departures to achieve new purposes. The findings contradict the view that decision stems from below. Not only do executives have an important role in initiating action but lower-level officials function within a context defined by their superiors. Far greater tensions and conflict exist within organizations than is commonly reported by outsiders, especially in institutions like the university where conflicts often paralyze the decision-making process. Similarly, there is far greater divergence of interest among different sectors of society than one might infer from the stereotypical view of Japan. And since the high level of consensus supporting the fundamental commitment to economic growth is now weakening, increasing divergence may be anticipated in the future. Lynn, 2019-09-17 The speed with which the Japanese have adopted new industrial technology has been a major factor in their economic success, raising the question of how they have been able to carry out technological change so quickly and so smoothly, often outstripping their U.S. competitors. *How Japan Innovates* examines this question in depth by comparing it

Routledge Handbook of Japanese Business and Management Parissa Haghirian, 2016-01-29 The *Routledge Handbook of Japanese Business and Management* provides a comprehensive overview of management and business processes and practices in Japanese companies. The contributors combine theoretical findings and research results with a practical and contemporary view on how corporations and firms are managed in Japan. The handbook is divided into eight sections.

covering historical perspectives on Japanese management structure and theory of the Japanese firm the corporate environment in Japan the Japanese work environment the Japanese market manufacturing and logistics interaction and communication the future of Japanese management This book is an essential reference resource for students and scholars working on Japanese companies the Japanese market place Japanese consumers or management processes in the Japanese firm The book also provides an interesting and informative read for managers who need to deepen their knowledge on Japanese business processes Contemporary Japanese Budget Politics John Creighton Campbell,1977 **Re-reading the Salaryman in Japan** Romit Dasgupta,2013 This book uses the figure of the salaryman to explore masculinity in Japan by examining the salaryman as a gendered construct and is one of the first to focus on the men within Japanese corporate culture through a gendered lens Not only does this add to the emerging literature on masculinity in Japan but given the important role Japanese corporate culture has played in Japan s emergence as an industrial power Romit Dasgupta s research offers a new way of looking both at Japanese business culture and more generally at important changes in Japanese society in recent years Introducing Modern Japan ,1992 Contains transcripts of lectures given at the Japan Information Culture Center Embassy of Japan Washington D C *Japan's Defense Policy and Bureaucratic Politics, 1976-2007* Takao Sebata,2010-06-05 It is a well known fact that Japan spends only a small percentage of her gross national product on defense What is not well known however is the fact that Japan s defense budget ranks among the top in the world and that her self defense forces are considered to be amongst the best conventional armed forces in the world Since empirical studies concerning Japan s military expansion are rare both in Japanese and English the book takes up this neglected area It examines Japan s military expansion and the decision making of her defense policy between 1976 and 2007 focusing on the National Defense Program outline and the guidelines for United States Japan Defense Cooperation This book deals with how the bureaucratic politics model applies to the case of Japan s defense policy and demonstrates some similarities and differences between Japanese and United States decision making Japan's New Party System Ronald J Hrebienar,2019-08-15 The authors of this book have joined together for a third time to produce a book on Japanese political parties and elections The first two books under the title of The Japanese Party System were also published by Westview Press in 1986 and 1992 This book Japan s New Party System has a different purpose than the previous volumes The first two books had as their task the presentation of a vast amount of material on the various parties of the 1955 1993 party system Since 1955 Japanese politics and parties had been rather uneventful and predictable consequently many Japanese political scientists preferred to study other nations Decade after decade the Liberal Democratic Party LDP ruled Japan while the permanent opposition party the Japan Socialist Party GSP revolved around it but could never even come close to replacing it in power on the national level All of this changed in 1993 after the LDP split new parties emerged and formed a non LDP government and a new party system began This book is about the Second Party System and how Japanese politics has

changed from the old LOP dominated First Party System Leaders and Leadership in Japan Ian Neary, 2014-05-01 Shows Japan's group orientated society may have had fewer so called leaders but has excelled as a society of king makers On the other hand the way leadership is expressed derives from different values and perceptions of hierarchy **Japanese Business** Schon Beechler, Kristin Stucker, 1998 **Japanese Democracy** Bradley Richardson, Bradley M. Modern Japanese Organization And Decision Making: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. Modern Japanese Organization And Decision Making : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Modern Japanese Organization And Decision Making : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
