Moyers On America

Arturo Cuomo

Moyers On America:

Moyers on America Bill D. Moyers, 2004 The respected journalist shares his personal beliefs on the political and moral state of the United States using his years of experience to present his unique viewpoint and understanding of the world today

Moyers on Democracy Bill Moyers, 2009-05-05 People know Bill Moyers from his many years of path breaking journalism on television But he is also one of America s most sought after public speakers In this collection of speeches Moyers celebrates the promise of American democracy and offers a passionate defense of its principles of fairness and justice Moyers on Democracy takes on crucial issues such as economic inequality our broken electoral process our weakened independent press and the despoiling of the earth we share as our common gift **Moyers on America** Bill Moyers, 2004 *Bill Moyers Journal* Bill D. Moyers, 2011 This text is an unparalleled entree into the debates the intellectual and cultural currents and above all the fascinating people that have so powerfully shaped modern times *Listening to America* Bill Moyers, 1971

Pablo Neruda and the U.S. Culture Industry Teresa Longo, 2013-08-21 In this compelling collection Teresa Longo gathers a diverse group of critical and poetic voices to analyze the politics of packaging and marketing Neruda and Latin American poetry in general in the United States Culture Wars in America Glenn H. Utter, 2009-11-12 This comprehensive documentary report on the cultural and political state of the union explores the flashpoints of the debate over American identity and values Culture Wars in America A Documentary and Reference Guide places the most hotly debated issues in American society in historical context With this book in hand the reader can more effectively evaluate the potential social and political significance of these important conflicts Americans have never found it easy to reconcile their differences even while sometimes achieving a remarkable unity of purpose Although we pride ourselves on pluralism we struggle to find common ground on our most essential principles Since the 1980s events covered in this volume have increased the questioning of traditional religious values continuing immigration and globalization the liberalization of social mores and differing understandings of the nation s role in a post Cold War world Increased partisan conflict over these issues has dominated American domestic politics and policymaking The primary source documents collected and analyzed here reflect all of these trends while fairly representing the contending positions that shape our contemporary political reality America's Race Problem Paul R. Lehman, 2009-06-15 In this book Lehman examines America s race problem with the understanding that America usually addresses race with the assumption that all things regarding race are presently correct and accurate In so doing America fails to confront the real problem of race After discussing various aspects of race and its manifestations using both academic and secular references the book presents a challenge to America to recognize its race problem by examining its present day perceptions language and behavior Some of the topics discussed include color normalcy racial priority and slavery s legacy The chapter The Race Box will engage the reader in a discussion that can have a major impact on the way race is viewed by individuals in American society **Antifundamentalism in Modern America** David Harrington

Watt,2017-05-09 David Harrington Watt's Antifundamentalism in Modern America gives us a pathbreaking account of the role that the fear of fundamentalism has played and continues to play in American culture. Fundamentalism has never been a neutral category of analysis and Watt scrutinizes the various political purposes that the concept has been made to serve. In 1920 the conservative Baptist writer Curtis Lee Laws coined the word fundamentalists. Watt examines the antifundamentalist polemics of Harry Emerson Fosdick, Talcott Parsons, Stanley Kramer, and Richard Hofstadter, which convinced many Americans that religious fundamentalists were almost by definition backward, intolerant, and anti-intellectual, and that fundamentalism was a dangerous form of religion that had no legitimate place in the modern world. For almost fifty years the concept of fundamentalism was linked almost exclusively to Protestant Christians. The overthrow of the Shah of Iran and the establishment of an Islamic republic led to a more elastic understanding of the nature of fundamentalism. In the late 1970s and early 1980s Americans became accustomed to using fundamentalism as a way of talking about Muslims, Jews, Hindus, Sikhs, and Buddhists, as well as Christians. Many Americans came to see Protestant fundamentalism as an expression of a larger phenomenon that was wreaking havoc all over the world. Antifundamentalism in Modern America is the first book to provide an overview of the way that the fear of fundamentalism has shaped U.S. culture, and it will lead readers to rethink their understanding of what fundamentalism is and what it does.

Healing and the Mind Bill Moyers,2012-05-09 At last the paperback edition of the monumental best seller, almost half a million copies in print, that has changed the way Americans think about sickness and health, the companion volume to the landmark PBS series of the same name. In a remarkably short period of time, Bill Moyers's *Healing and the Mind* has become a touchstone, shaping the debate over alternative medical treatments and the role of the mind in illness and recovery in a way that few books have in recent memory. With almost half a million copies in print, it is already a classic, the most widely read and influential book of its kind. In a series of fascinating interviews with world-renowned experts and laypeople alike, Bill Moyers explores the new mind-body medicine. *Healing and the Mind* shows how it is being practiced in the treatment of stress, chronic disease, and neonatal problems in several American hospitals; examines the chemical basis of emotions and their potential for making us sick and making us well; explores the fusion of traditional Chinese medicine with modern Western practices in contemporary China; and takes an up-close, personal look at alternative healing therapies, including a Massachusetts center that combines Eastern meditation and Western group therapy, and a California retreat for cancer patients who help each other, even when a cure is impossible. Combining the incisive yet personal interview approach that made *A World of Ideas* a feast for the mind, and the provocative interplay of text and art that made *The Power of Myth* a feast for the imagination, *Healing and the Mind* is a landmark work.

Christian America and the Kingdom of God Richard T. Hughes,Christina Littlefield,2025-03-11 The myth of a Christian America fuels a powerful political force, sure of its moral superiority and intent on implementing a Christian nationalist agenda. Richard T. Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to

explore the complex legal and cultural arguments for a Christian America The authors also provide an in depth examination of the Bible s words on the chosen nation and kingdom of God that Christian nationalists quote to support the idea of the US as a Christian nation A timely new edition of the acclaimed work Christian America and the Kingdom of God spotlights how the centuries long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith unleashes unchristian behavior and threatens the nation

Stealing America's Future William Steiner,2010-04 Stealing America s Future makes a comparison of today s America to late 19th Century Europe using two rare books The Conventional Lies of our Civilization by Nordau describing Europe s elitist leadership and The Soviets at Work by Lenin outlining the Russian Revolution as it took place Not a part of the discussion of history both provide frightening detail about the nuances of the geopolitics of Europe circa 1900 that relate to today s America Using heartwarming family stories humorous anecdotes incisive criticism and cold factual analysis it describes how progressive liberalism with its attempts at social engineering and excessive permissiveness has brought social and economic disaster to America David Letterman relating to Sarah Palin I fear he sees her as more man than he will ever be and more woman than he will ever get Bill Maher relating to Michelle Obama my only conclusion about Maher is that he is just another angry little bully who is fearful of powerful women Is it time to separate the North American Continent into a federation of smaller component nations better reflecting the economics and ethos of these individual component nations yet having our common defense as the only connection or do we need to get back to the Constitution our founders gave to us Raised in a poor farm family in Pawnee County Nebraska Dr Steiner had the ethics of hard work and family values as his primary guide post to succeed Working his way through college and graduating from the University of Nebraska in 1973 he located his dental practice in an economically impacted area of Omaha Nebraska where he also worked in a public health clinic developing insights with regard to what motivates people He is a pilot and an accomplished martial artist attaining several black belts He was featured in a Sun Up Interview by the Omaha World Herald s Robert McMorris and was also featured in an interview by William Rush in the League of Human Dignity paper where Sensei Steiner outlined his martial arts training strategies for handicapped persons He was called by Charles Kuralt to panel a discussion of the Gulf Crisis for CBS News before the Gulf War

A Walk Through the 20th Century with Bill Moyers,1984

Encyclopedia of Gender in Media Mary Kosut,2012-05-18 The Encyclopedia of Gender in Media critically examines the role of the media in enabling facilitating or challenging the social construction of gender in our society

America's Queen Sarah Bradford,2001-10-01 Now the subject of a new film directed by Pablo Larrain Jackie starring Natalie Portman Acclaimed biographer Sarah Bradford explores the life of Jacqueline Kennedy Onassis the woman who has captivated the public for more than five decades in a definitive portrait that is both sympathetic and frank With an extraordinary range of candid interviews many with people who have never spoken in such depth on record before Bradford offers new insights into the woman behind the public persona She creates a coherent picture out of Jackie s tumultuous and cosmopolitan life from

the aristocratic milieu of Newport and East Hampton to the Greek isles from political Washington to New York's publishing community She probes Jackie's privileged upbringing her highly public marriages and her roles as mother and respected editor and includes rare photos from private collections to create the most complete account yet written of this legendary life Jacqueline Kennedy Onassis's life is once again the center of interest with the 2016 release of the Pablo Larrain movie Jackie starring Natalie Portman

WMD, Nukes and Nuns William Strabala, 2006 Three nuns were arrested in 2002 and sent to jail for protesting against America's own nuclear WMDs even as the Bushites were seizing on Bas a rationale for starting the war in Iraq Who is truly sabotaging US national security Publisher's Website

The 100 Greatest Americans of the 20th Century Peter Dreier, 2012-06-26 A chronological collection of brief biographies on important figures for social justice in American history including Franklin D Roosevelt Fannie Lou Hamer and Bob Dylan

America's Battle for God Muller-Fahrenheit, 2007 A theologian and ecumenical consultant who has served in the World Council of Churches the Lutheran Church and Costa Rica Muller Fahrenheit tries to make some sense of religious undercurrents in the public culture and political life of the US He hopes that an outsider may be able to identify elements that Americans are too close to see

acknowl America's Education Deficit and the War on Youth Henry A. Giroux, 2013-04-01 America's latest war according to renowned social critic Henry Giroux is a war on youth While this may seem counterintuitive in our youth obsessed culture Giroux lays bare the grim reality of how our educational social and economic institutions continually fail young people Their systemic failure is the result of what Giroux identifies as four fundamentalisms market deregulation patriotic and religious fervor the instrumentalization of education and the militarization of society We see the consequences most plainly in the decaying education system schools are increasingly designed to churn out drone like future employees imbued with authoritarian values inured to violence and destined to serve the market And those are the lucky ones Young people who don't conform to cultural and economic discipline are left to navigate the neoliberal landscape on their own if they are black or brown they are likely to become ensnared by a harsh penal system Giroux sets his sights on the war on youth and takes it apart examining how a lack of access to quality education unemployment the repression of dissent a culture of violence and the discipline of the market work together to shape the dismal experiences of so many young people He urges critical educators to unite with students and workers in rebellion to form a new pedagogy and to build a new democratic society from the ground up Here is a book you won't soon forget and a call that grows more urgent by the day

Sacrificing America's Women Phillip Bretz, 2022-06-28 The author asks if you know anyone or yourself who was diagnosed with breast cancer If so even if they made it the journey probably wasn't one they or you would want to repeat What if it were possible to diagnose breast cancer at an ultra small stage before it had a chance to spread The lavender Way What if you could treat breast cancer successfully in an office setting Lavender Procedure in twenty minutes without a single stitch and resume normal activity immediately What if that doctor had cancer free survivors going on seven years out is that a story you want to know

about This book was written by a dedicated and pioneering breast cancer surgeon researcher His mantra is to preserve the mind body and spirit of the women who have come to him from all over the world He is the author of America s first large scale breast cancer prevention clinical trial using the drug Tamoxifen It chronicles his life s story from his earliest memories of growing up in the 1950s in Chicago to his modeling career to wrestling a bear a county fair to his high school and college stories then on to medical school and surgical residency and finally his years at Eisenhower Memorial Hospital including operating on First Lady Betty Ford and opening up the first comprehensive breast in the Coachella Valley His research efforts have taken him to the erstwhile Soviet Union Chernobyl Beijing and a host of other countries where he has been asked to speak This book is entitled Sacrificing America s Women Part 1 because there is an answer to breast cancer that is being summarily dismissed by an establishment that refuses change and wants to perpetuate the slash poison burn approach as some people say He served as a principal speaker on President Bush s Breast Cancer Panel and served three years as a civilian aboard the Marine Air Ground Combat Center at 29 Palms CA was awarded the Carnegie Medal for an outstanding act of heroism and ran for Congress against Sony Bono He has been recognized for excellence by people at FLIR and awarded two medals of excellence by the then commanding general of the 335th Medical Brigade of the Army He was interviewed by CNN for his groundbreaking efforts at breast cancer prevention holds a Principal Investigator number with the NCI he testified for the State of California in the proceedings about Tamoxifen and has given a TED TALK Yet through all this effort to help the world s women he was placed on probation by the Medical Board for finding him negligent It was is disappointingly enigmatic where he is prohibited from carrying out the procedure he helped pioneer and that thus far has saved bodies and lives He wants to present his case in the court of public opinion to see if the women of this land after reading about his quest believe justice was carried out or not Did anyone ever ask how the patients were doing treated the Lavender Way Procedure using all FDA approved modalities Sacrificing America s Women Part 2 is the story of how he came up with the idea of using Tamoxifen in a large scale clinical trial and his visits to the erstwhile USSR and Chernobyl the White House and Congressional hearings it s a story that made him feel like James Bond and Huck Finn Oh by the way his idea of using Tamoxifen for prevention was summarily dismissed by many noted researchers The Government spent 68 million based on his idea and Tamoxifen became the first drug to be FDA approved for breast cancer prevention It lowers the risk by 50% At least he got something right to help untold thousands of women around the world to prevent breast cancer It s a story of how your tax dollars are really spent and how disruptive ideas people are dealt with

Reviewing **Moyers On America**: Unlocking the Spellbinding Force of Linguistics
