through three sections to trace the hymnic s upward trajectory through Addison s early mid period and mature verse The book devotes the lion s share of its attention to the last of these three which includes the five poem Spectator sequence a poem from the sequence The Spacious Firmament on High will be familiar to many readers Indeed in addition to offering new readings of hymnic works by Dryden and Pope Fiddled out of Reason provides the first extended critical treatment of these five important poems Publication of the book coincides with the 300th anniversary of Addison s death and with the appearance of a new Oxford edition of Addison s nonperiodical writings **Pacific Islands Monthly** ,1959
