Classic Knits of the 1980s Sandy Black, 2021-01-25. Written by a pioneer of modern fashion knitwear, *Classic Knits of the 1980s* describes the principal fundamentals of knitwear design and features original, colourful, textural, and fun knitting patterns that capture the fashion zeitgeist of the 1980s designer knitwear boom. As well as selling ready-made knitwear to stores, several designers made their patterns available as home knitting kits. *Classic Knits of the 1980s* features a range of innovative designs from Sandy Black knitting kits, many published here for the first time. The patterns are suitable for a broad range of knitting skills, from those with good basic knowledge of knitting to the more experienced knitter. Made up of two parts, Part 1 establishes the fashion and knitwear context of the period and its influence on the development of the designs, examining the entire creative process from inspiration to final pattern. Lavishly illustrated with photographs, diagrams, and charts, special features include patchwork, modular designs, and intarsia or colour block knitting, with techniques and tips for pattern calculations, working from charts, and handling several colours. Part 2 then offers twenty-one original patterns and designs grouped into themes of textural, graphic, heraldic, and ornamental, plus the unique Siamese cat, leopard, and tiger accessories. Contemporary photography, together with original images from the 1980s, illustrates the designs' timeless appeal, with close-up images of intricate pattern details and suggested design variations to aid creative knitters inspired by this pivotal decade.
