Paul Simon Hearts And Bones Songbook:

The Little Black Songbook: Paul Simon Wise Publications, 2008-06-01 The Little Black Songbook returns with another pocket sized collection Paul Simon has been a constant presence in popular music and as of 2017 has earned sixteen Grammy awards Whether through the powerful rhymes of Simon and Garfunkel or his ever evolving solo output Paul Simon has a unique songwriting talent and style which has set him apart from all others This publication presents more than 80 songs spanning the entirety of Paul Simon's career from Simon and Garfunkel through to his 2006 album Surprise Every song is presented with complete lyrics and Guitar chords perfect for quick learning or as a reference for group sing alongs or busking

The Words and Music of Paul Simon James Bennighof, 2007-10-30 Paul Simon is commonly acknowledged to be one of the most successful singer songwriters of the pop rock era His work has flourished in the context of Simon and Garfunkel as well as in his own solo career Starting with the folk rock style that marked his earliest significant success he has drawn on a wide variety of influences including many American traditions and later many international ones as well He has won multiple Grammy awards in both the duo and the solo phases of his career His songwriting has also provided the impetus for brief forays into film and musical theatre After providing a brief biographical overview this work examines Simon's songwriting work in depth providing a critical discussion of each song as a fusion of text and music so as to help the reader to identify elements that enhance appreciation A particularly valuable contribution in this context is the discussion of the wide variety of musical elements that contribute significantly to the value of Simon's work These include such easily understandable issues as verse chorus structure melodic variation selection of particular instruments and even performers variation of musical style within a song general harmonic characteristics relationships among keys rhythm and pacing of text etc While the book proceeds chronologically through Simon's recorded output specific threads are developed throughout and the discussion of individual songs takes place in the context of these threads both drawing on them and developing them further The diversity of Paul Simon's work reflects his very American background and no discussion of American music is complete without accounting for his influence

Paul Simon Cornel Bonca, 2014-10-10 Paul Simon An American Tune is the first full scale survey of the career of one of the most honored musicians and songwriters in American history Starting out as a teeny bopper rocker in the late 1950s Paul Simon went on to form the most influential pop duo of the 1960s Simon Garfunkel and after their break up in 1970 launch one of the most successful varied and surprising solo careers of our time In Paul Simon An American Tune Cornel Bonca considers Simon's vast trove of songs in the biographical and cultural context in which he wrote them from the pop cultural revolution of the 1960s which Simon himself helped to create the singer songwriter movement of the 1970s the turn toward world music in the 1980s that gave the world the monumental Graceland to the intimate personal turn his music took in the millennial era Analyzing Simon's albums one by one often song by song Bonca provides a deep and artful exploration of the work of one of today's major songwriters Offering a lucid and vivid
