Preaching Through The Life Of Christ:

Preaching Through the Life of Christ Douglas William Cleverley Ford, 1985 *Preaching Through the Life of Christ* D. W. Cleverley Ford, 1994-01 **Performance in Preaching (Engaging Worship)** Jana Childers, Clayton J. Schmit, 2008-11-01 This volume which launches the Engaging Worship series from Fuller Theological Seminary's Brehm Center for Worship Theology and the Arts offers a unique study of sermon delivery While many books offer advice on how to prepare write and preach a sermon this volume is distinctive in approaching the subject from the perspective of performance The authors who teach at a variety of seminaries and divinity schools across the nation examine how the sermon can bring God's word to life for the congregation In that sense they consider the idea of performance from a wide range of theological artistic and musical viewpoints These thoughtful essays will engage clergy and students with new ways of looking at the art of preaching *Preaching Jesus Christ Today* Annette Brownlee, 2018-05-15 This book approaches preaching as a theological practice and a spiritual discipline in a way that is engaging straightforward and highly usable for busy preachers Bringing to bear almost three decades of practical experience in the pulpit and the classroom Annette Brownlee explores six questions to help preachers listen to Scripture move from text to interpretation for weekly sermon preparation and understand the theological significance of the sermon Each chapter explains one of the Six Questions of Sermon Preparation provides numerous examples and illustrations and contains theological reflections The final chapter includes sample sermons which put the Six Question method into practice **The Preaching Life** Barbara Brown Taylor, 1993-01-25 Like Annie Dillard's *The Writing Life* Taylor emphasizes the holy dimensions of ordinary life and describes the essentials of faith with insight and humor touching on the vocations imagination worship sacraments ministry and the Bible as they relate to the life of faith **Preaching the Gospel in the Way of Life** Witness Lee, 2002 *Preaching Through Luke* James C. Goodloe IV, 2014-01-22 Luke wrote this Gospel so that you Theophilus may have certainty concerning the things you have been taught i e catechesis 1:4 It proceeds with a barrage of questions The first comes from Zechariah How shall I know 1:18 This is a question of knowledge The angel Gabriel answers that we shall know by the word of God 1:19 The second comes from Mary How will this be 1:34 This is a question of agency of how the Son of God can become human Gabriel answers that it will be by the power of God 1:35 The third comes from Elizabeth Why me 1:43 Why should the gospel of Jesus Christ come to her Mary answers that it has to do with God's choice election mercy and salvation 1:47-55 The fourth has to do with John What then will this child be 1:66 Zechariah answers that he will be a prophet 1:76-79 John is not the Christ but he will go before the Christ Thus begins the catechism according to Luke a series of questions in order that we may have certainty concerning the things we have been taught *The Preaching Church* Vincent J. Pastro, 2016-02-15 This book proposes a theology of preaching from the perspective of the poor Traditional homiletic methodology concentrates on the how of preaching Pastro maintains that the real question for a renewal of preaching is theological the who of the preaching The center of the who is

the Triune God living in the poor community **Confessing Jesus Christ** David J. Lose, 2003-03-04 With its relentless insistence that there is no reality beyond that which we construct postmodern thought questions the presuppositions of many disciplines including homiletics Offering a lively description of the postmodern worldview and its implications for Christian faith *Confessing Jesus Christ* by David Lose teaches preachers how to rise to the challenges posed by our postmodern world Few if any books on preaching offer such a comprehensive investigation of postmodern thought or yield such a wealth of insights for relevant Christian proclamation Significantly Lose sees postmodernism not primarily as an obstacle to the church but as an opportunity for it to stand once again on faith alone rather than on attempts to prove the faith According to Lose preaching that seeks to be both faithful to the Christian tradition and responsive to our pluralistic postmodern context is best understood as the public practice of confessing faith in Jesus Christ He explores the practical implications of a confessional homiletic for preaching and also provides concrete methods for preparing sermons that meaningfully bridge biblical texts and contemporary congregations *Preaching Jesus Christ* David G. Buttrick, 2002-09-18 This book focuses on the life message death and resurrection of Christ as well as the problems of preaching Christology to the mind of our age the homiletic shape of Christology and the presence of Christ Buttrick urges that preachers declare the present tense reality of God's New Order The Kingdom *Life in Christ Vol 1* Charles H. Spurgeon, 2017-08 Original title *Miracles and Parables of Our Lord Volume 1* A deep inspiring and often challenging study of the Lord Jesus Christ's miracles and parables Men who were led by the hand or groped their way along the wall to reach Jesus were touched by his finger and went home without a guide rejoicing that Jesus Christ had opened their eyes Jesus is still able to perform such miracles And with the power of the Holy Spirit his Word will be expounded and we'll watch for the signs to follow expecting to see them at once Why shouldn't those who read this be blessed with the light of heaven This is my heart's inmost desire I can't put fine words together I've never studied speech In fact my heart loathes the very thought of intentionally speaking with fine words when souls are in danger of eternal separation from God No I work to speak straight to your hearts and consciences and if there is anyone with faith to receive God will bless them with fresh revelation Charles H. Spurgeon In this first volume Charles H. Spurgeon expounds on the following miracles Jesus heals two blind men by touching their eyes Matthew 9:27-30 Jesus uses spit to heal another blind man Mark 8:22-25 Jesus passes through the midst of those who would kill him Luke 4:28-30 Jesus brings a widow's son back to life Luke 7:11-17 Jesus releases a woman from a spirit of infirmity Luke 13:10-13 Jesus heals ten lepers but only one thanks him Luke 17:12-16 Jesus gently rebukes his mother then makes wine for the wedding John 2:1-5 Jesus tests a nobleman's faith and his son is healed John 4:46-53 About the Author Charles Haddon C.
