Riding The Ranges Travels On My Motorcycle:

The Essential Guide to Motorcycle Travel, 2nd Edition Dale Coyner, 2017-02-16 Motorcyclists in record numbers are heading out on ambitious trips across America and around the world The Essential Guide to Motorcycle Travel offers essential advice to fully prepare them for traveling long distances over extended periods Whether you are getting ready for a weekend trip beyond your home turf or for a transcontinental odyssey lasting several years Coyner's book details the fundamentals for riding in comfort safety and convenience In three major sections this book covers trip planning rider preparation and outfitting the motorcycle This newest edition has been completely updated to reflect current information and the newest trends in mobile technology as it relates to motorcycle touring Coyner lays out the steps for planning a worry free fun trip one that starts with the rider physically and mentally prepared On the road having good riding gear can make a dramatic difference in comfort and safety as the weather changes from dry to wet and from hot to cold Coyner describes the important aspects of personal preparation and describes the major kinds of riding gear and how they work to control body temperature and moisture As motorcycle technology has evolved so have aftermarket accessories which are made to address virtually every special need Coyner shows you step by step how electrical modifications can be made and provides specific sections on high performance lighting and conspicuity GPS and other cockpit instruments entertainment and communication devices cameras and camcorders ergonomic enhancements suspension improvements luggage and storage additions and trailers Over 250 full color photographs illustrate riding gear accessories and modifications that will make any motorcycle adventure the trip of a lifetime Riding the Ranges Bill Aitken, 1997 *Where the Rain is Born* Anita Nair, 2002-12-05 A combination of essays short stories poems and extracts from published works in both English and Malayalam this anthology affords a tantalizing glimpse into the rich and varied layers of experience that Kerala has to offer Business World, 1998

Sri Sathya Sai Baba Bill Aitken, 2006-07 Acclaimed travel writer and self described spiritual nomad Bill Aitken tells us why so many royalty wealthy industrialists influential politicians as well as the poor flock to Puttaparthi Sai Baba's message he reveals can be summed up in one word love It is as simple as it is profound not unlike how his devotees see the Sai himself the embodiment of deep spirituality wedded to simplicity elegance and grace Yet the Sai phenomenon is less about producing vibhuti from thin air and more about modern day miracles miracles like free schools and universities super speciality hospitals which provide free treatment to all and revolutionary projects like the one which has brought drinking water to a million villagers in drought prone Rayalseema Aitken's study is neither a hagiographic exercise in myth making nor a dry objective account of the Sai's life While never shy of expressing his deep love and reverence for Sai Baba he squarely confronts the controversies and criticisms which inevitably dog those who claim acquaintance with the holy The Game of Inches Nigel Collin, 2016-03-31 No spin no fuss no gurus get the real secret to business success Game of Inches dispels the myth that success must come from disruption and provides an actionable blueprint for real world business achievement

Entrepreneur Nigel Collin interviewed over 80 successful Australian entrepreneurs and leaders to learn the key factors that make a successful business in this book he distils his findings into a simple process of four actions governed by three behaviours that will guide your path to the top Examples and case studies eschew the limelight in favour of those on the front lines of business doing well illustrating the revolutionary idea that you don't have to make headlines to be a success By shifting your mindset from explosive overnight success to a quieter more consistent more sustainable process you gain the ability to reach the top and stay there You'll discover that innovation is actually in reach doesn't cost too much and is not really all that complex when approached from a growth oriented mindset of making small changes consistently You don't need to be Steve Jobs and you don't need to create the next iPhone to be a success in business What you do need to do is redirect your attention away from who you are and toward what you deliver Learn what really drives sustainable success Discover innovation that's within reach right now Focus on what you do not who you are Work toward a process of constant consistent improvement Business success is not a one off event or a single eureka moment It's a continuous step by step process of becoming better every day Incremental change is the surest route to the top though others may skip the climb in favour of a helicopter those who earn the summit tend to stay longest Game of Inches is your straightforward roadmap to no nonsense long term business success

Shifting Gears at 50 Philip Buonpastore, 2012-01-24 From the publishers of Motorcycle Consumer News Shifting Gears at 50 is a one of a kind motorcycling manual for returning and late entry riders essentially anyone 40 years old and up who's looking to hit the road on two wheels Author Philip Buonpastore a motorcycle journalist and retired US Air Force photographer helps readers gear up to get back on a motorcycle or get on one for the first time In Part 1 Becoming a Motorcyclist Buonpastore discusses the basics of buying the right bike gear and equipment and getting the bike up to speed The book continues with a good overview of learning to ride the importance of taking a road course venturing out on the first ride and extending rides to long distance jaunts Throughout Part 1 are sidebars by riding safety instructor and expert Walt Fulton offering sound advice on safety precautions and execution for every leg of the new and returning rider's journey The author emphasizes what older riders should be aware of and which factors can affect their rides Adding lots of great firsthand advice are humorous and helpful stories collected by the author and related by returning riders at various ages from their late 30s to 60s In Part 2 Buonpastore shares five of his favorite travelogues covering his long distance tours around the US from the American South to the west coasts This section is illustrated by over 100 of the author's breathtaking photographs of the various locations he toured on his bike The foreword to the book is provided by best selling motorcycle author David Hough author of I 5 Press's Proficient Motorcycling and Mastering the Ride Hough writes If you're getting into today's motorcycling at an age your doctor would describe as middle aged or senior do you yourself a clever favor and read Phil's book

The Non-fiction Collection, 2007 Collection of non fiction published by Penguin Books India commemorating its twentieth year in the publishing industry
