

Riding The Tiger

Priscilla Nelson

Riding The Tiger:

Riding the Tiger Eve Bunting, 2001-03-19 Esteemed author Eve Bunting brings all her insight empathy and storytelling skill to this powerful allegorical tale set in the streets of an unnamed city and illustrated with striking woodcuts Danny new to town is proud when a glittery eyed tiger invites him for a ride He climbs up onto the tiger s massive back and together they cruise the neighborhood Everyone gives them respect shopkeepers and passersby even other kids Danny feels powerful and much older than ten Soon though he realizes it isn t respect people feel for him and the tiger it s fear And when he decides to get down off the tiger s back he discovers it s a lot harder than climbing on Whether the tiger is interpreted to represent gangs drugs or something else altogether this poetically told dramatically illustrated book is sure to provoke discussions about temptation peer pressure and conformity

Ride the Tiger Julius Evola, 2018-07-13 Julius Evola s final major work which examines the prototype of the human being who can give absolute meaning to his or her life in a world of dissolution Presents a powerful criticism of the idols structures theories and illusions of our modern age Reveals how to transform destructive processes into inner liberation The organizations and institutions that in a traditional civilization and society would have allowed an individual to realize himself completely to defend the principal values he recognizes as his own and to structure his life in a clear and unambiguous way no longer exist in the contemporary world Everything that has come to predominate in the modern world is the direct antithesis of the world of Tradition in which a society is ruled by principles that transcend the merely human and transitory Ride the Tiger presents an implacable criticism of the idols structures theories and illusions of our dissolute age examined in the light of the inner teachings of indestructible Tradition Evola identifies the type of human capable of riding the tiger who may transform destructive processes into inner liberation He offers hope for those who wish to reembrace Traditionalism

Tigers of the World Ronald Tilson, Philip J. Nyhus, 2009-11-30 *Tigers of the World* Second Edition explores tiger biology ecology conservation management and the science and technology that make this possible In 1988 when the first edition was published tiger conservation was still in its infancy and two decades later there has been a revolution not only in what is known but how information about tigers is obtained and disseminated In the fast changing world of conservation there is a great need to summarize the vast and current state of the art to put this into historical perspective and to speculate in what yet remains to be done *Tigers of the World* Second Edition fulfills this need by bringing together in a unique way the world s leading tiger experts into one volume Despite the challenges ahead there are bright spots in this story and lessons aplenty not only for tiger specialists but large carnivore specialists conservation biologists wildlife managers natural resource policymakers and most importantly the caring public Examines the past twenty years of research from the world s leading tiger experts on biology politics and conservation Describes latest methods used to disseminate and obtain information needed for conservation and care of this species Includes coverage on genetics and ecology policy poaching and trade captive breeding and farming and the status of

Asia's last wild tigers Excellent resource for grad courses in conservation biology wildlife management and veterinary programs New volume continues the classic Noyes Series in Animal Behavior Ecology Conservation and Management

Riding the Tiger Tony Owen, 1998 *Riding the Tiger* Will Mooser Mooser (author), 1901 **Riding the Tiger** Milena Banks, 2013-02 In the turbulent years of the late 1930s on the China Coast Jack Morgan a powerful American business tycoon and Ana Vukovna a sensual and deep Russian jazz singer meet as strangers and part as lovers on the night Shanghai burns and falls to the Japanese Together they escape to Hong Kong but when they arrive Anna simply vanishes Besotted Jack is determined to find her but hides his anguish from his fiancée Violet Summerhays a beautiful but conniving Hong Kong socialite with a devastating secret of her own As Violet begins her lavish wedding plans and Jack searches for Ana the Japanese army advances and tragedy unfolds revealing a hidden world of murder and gun running where dreams come at a steep price From back cover *Ride the Tiger* Lindsay McKenna, 1992 **Riding the Tiger. Tiger conservation in human-dominated landscapes**, 1999 **Riding the Tiger's Tail** Gary Giamboi, 2014-09-23 *Riding the Tiger's Tail* is the perfect title for this book On one level it recounts the story of one person who decided he needed to find a Master Tiger and become his student Ride on its Tail in order to reach his goal of personal excellence It is the story of an unlikely encounter between the Grandmaster of traditional Japanese martial arts and a long time dedicated student of the martial arts On a deeper level this book explains why choosing the right teacher is perhaps the single most important task a student must accomplish By providing insight in to how a traditional master of an Eastern Art thinks and feels about his organization his students and his teachings *Riding the Tiger's Tail* explains why it is becoming increasingly difficult for students in today's culture of immediate gratification to become accepted as personal students or disciples by a Grandmaster of a traditional Eastern art The author met Grandmaster Shoto Tanemura when he was a typical dedicated American martial art student who had no intentions other than becoming a better martial artist The story spans 26 years from the day they met while attending a Mets baseball game in New York City to the author finishing his annual month long training at Honbu dojo in Japan in 2014 During the those 26 years Grandmaster Shoto Tanemura and his martial art organizations have earned the highest respect of the world's martial art community As the Grandmaster's journey progressed the author slowly but inexorably realized his journey was tied to that of his teacher He had to learn how to be a traditional student before he could learn how to become a high level traditional martial artist To be perfectly clear the book is not about martial art techniques It is about what it takes to become a personal student of an orthodox Grandmaster of a traditional Eastern discipline The book is about dedication loyalty and humility It is about learning to let go of one's ego If a student wants to be a traditional student he/she must develop a heart to heart connect with their instructor There is no way around this Without this kind of relationship it is nearly impossible to learn to accept your true teacher knows what is best for you to learn when you learn should learn it and how you should learn it Indeed without this kind of relationship it would be impossible for the instructor to know these things

Equally as important he will know what is not necessary for you to learn at any particular time The book makes the two main characters come alive by chronicling many specific teachings and incidents the author witnessed in his twenty six year journey learning a Koryu Japanese Martial Art *Riding the Tiger's Tail* is an important read if you want to learn from a master of a traditional Eastern art and it is an absolute must read you want to learn a Koryu Traditional or Classical Japanese Martial Art

Riding the Tiger ,2015-03-31 historical fiction

Riding The Tiger: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. Riding The Tiger : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Riding The Tiger : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
