Volume II Curtis Patrick, 2013-03-01 Behind the scenes anecdotes and first person recollections from forty nine diverse people illuminate their personal relationships with Ronald Reagan What was Ronald Reagan like in private How did he treat his children How did he handle pressure This collection of intimate remembrances of the late President's staffers colleagues and friends sheds new light on the life and career of the immortal Gipper See how Reagan used humor to disarm his most ardent critics and tenacious opponents Marvel at his gift for persuading difficult almost impossible to deal with legislators Learn the untold story behind the secret plan hatched by former Air Force Secretary Thomas C Reed and a handful of dedicated insiders to launch Reagan's first campaign for president of the United States in 1968 Many of author Curtis Patrick's interview subjects were members of Reagan's original 1966 campaign for governor of California Some came aboard soon after the election and were appointed to fill key positions in the governor's cabinet and to head up state agencies and departments For the most part except in a few cases these interviewees had never been recorded or published before Curtis I not only like your book I love it Edwin Meese III former US attorney general A Pope and a President Paul Kengor, 2023-07-18 Even as historians credit Ronald Reagan and Pope John Paul II with hastening the end of the Cold War they have failed to recognize the depth or significance of the bond that developed between the two leaders Acclaimed scholar and bestselling author Paul Kengor changes that In this fascinating book he reveals a singular bond which included a spiritual connection between the Catholic pope and the Protestant president that drove the two men to confront what they knew to be the great evil of the twentieth century Soviet communism Reagan and John Paul II almost didn t have the opportunity to forge this relationship just six weeks apart in the spring of 1981 they took bullets from would be assassins But their strikingly similar near death experiences brought them close together to Moscow's dismay Based on Kengor's tireless archival digging and his unique access to Reagan insiders A Pope and a President is full of revelations It takes you inside private meetings between Reagan and John Paul II and into the Oval Office the Vatican the CIA the Kremlin and many points beyond Nancy Reagan called John Paul II her husband's closest friend Reagan himself told Polish visitors that the pope was his best friend When you read this book you will understand why As kindred spirits Ronald Reagan and John Paul II united in pursuit of a supreme objective and in doing so they changed history The Literary Reagan Nicholas Dujmovic, 2018-12-06 This collection of authentic quotations of Ronald Reagan will appeal to all those interested in the former US President and who seek to understand more about his beliefs and the inner man For many Americans conservatives and liberals alike students and historians concerned citizens and politicians Reagan remains a major figure whose legacy still influences political and cultural debates over many core issues especially those concerning the role reach and power of government Based on Reagan's own sayings writings

letters and essays not those of aides and speechwriters this work provides the only comprehensive collection of the man s own thinking on a full spectrum of relevant topics over his long life It brings together over 1 500 quotations arranged alphabetically into 64 thematic categories Most are serious the Cold War Communism Federalism Foreign Policy the State yet some illustrate Reagan the man Curses Humor in Adversity Toasts and even a small section on Wine Patrick, 2013-03-05 These stories revelations some before Reagan ever decided to run for political office They tell the stories of the interaction between Reagan and the unsung heroes some of whom have already passed away Their personal stories vignettes reveal why they dropped everything they were doing worked up to eighteen hours a day to help start the boomlet that launched RR at the dawn of his political career These were high principled individuals with a strong love of country an insatiable work ethic an honest core and an abiding love for trust in Ronald Reagan **Protecting the Presidential** Candidates Mel Ayton, 2021-11-24 Protecting the Presidential Candidates is the first book of its kind to examine how presidents and presidential candidates were protected during the presidential election cycles from JFK to Biden It is also the first book of its kind to tell the story of the role of state troopers and private bodyguards in protecting presidential candidates Protection for candidates changed and evolved from the free wheeling style of the 1950s and early 1960s which afforded presidential candidates little or no protection to the growth of bodyguard personnel increased intelligence facilities and state of the art technology employed today to keep the candidates safe Presidential candidates relish connecting with the public and it has given greater visibility to the bodyguards who are willing to place themselves between a presidential candidate and a would be attacker In the milieu in which the Secret Service operates bodyguards have witnessed the terrors of election campaigns when presidential candidates have waded into crowds to shake hands with their supporters rode in open top cars and made sudden but risky changes to their schedules oblivious to the fact that in every campaign there have been people stalking candidates with ill intent Many stories revealed in Protecting the Presidential Candidates have remained largely hidden from the public some buried in newspaper archives and others in oral histories presidential libraries or official government documents The author draws on numerous sources including FBI files presidential biographies vice presidential biographies civilian bodyquard memoirs Secret Service agent memoirs White House staff memoirs and more so that these stories can now be told The book also allows readers to gain an insight into the personal as well as professional relationships between the candidate and the bodyquards who protected them Some candidates were so trusting of their bodyquards they embraced them as part of an inner circle of advisers Bodyguards have also witnessed embarrassing moments in a candidate s campaign and how intrusive they have been at the most delicate of moments The president's day is your day one agent said Nobody sees the president the way an agent does The President's House ,1984 Ronald Reagan Our 40th President Winston Groom, 2012-03-05 He was one of America's true greats As president he changed the world developing a successful strategy for defeating Communism toppling the Soviet Union and liberating Eastern Europe while hardly firing a shot And

just as important he restored an America that had found itself mired in a malaise of falling living standards moral decay and what seemed like inevitable decline Though he was our oldest president Reagan acted as a tonic rejuvenating America s economy restoring her confidence and attracting a majority of young voters won over by his vision of making America once again a shining city on a hill In this superlative biography for young adults bestselling author Winston Groom author of Forrest Gump gives us the full Reagan from his Midwestern American boyhood to his early career as a radio sports announcer to his days as a Hollywood star and his extraordinary political career as a union leader governor of California and president of the United States Covering the gamut of Reagan's dramatic life Ronald Reagan Our 40th President is essential reading as inspiring as its subject Presidential Diversions Paul F. Boller, 2007 Paul F Boller Jr s widely admired and bestselling anecdotal histories have uncovered new aspects and hidden dimensions in the lives of our presidents Now he turns to an uncharted but unexpectedly revealing element of our leaders personalities as he brings us stories of what the presidents did for fun In thumbnail portraits of every president through George W Bush Boller chronicles their taste in games sports and cultural activities George Washington had a passion for dancing and John Quincy Adams skinny dipped in the Potomac Grover Cleveland loved beer gardens and Woodrow Wilson made a failed effort to write fiction Calvin Coolidge cherished his afternoon naps as did Lyndon Johnson his four pack a day cigarette habit Jimmy Carter was a surprisingly skilled high diver and Bush Senior loved to parachute The sketches revitalize even the most familiar of our leaders showing us a new side of our presidents and their presidencies *Presidents Under the Knife* Per-Olof Hasselgren, 2025-05-12 Numerous US presidents have undergone surgical procedures during their time in office that were not shared with the public The presidents highlighted in this work from George Washington to Ronald Reagan span centuries of American history and medical evolution Written in language easy to understand for non medical readers this book gives insight into these surgical operations which were often performed in secrecy or hazardous conditions It highlights the surgeries of nine presidents providing extensive details about the procedures and events surrounding them In order to contextualize each operation the author a surgeon bases his writing on an extensive review of medical and surgical documents often written by surgeons personally involved in the procedures With this information he illuminates the political and economic events that influenced surgical decisions over hundreds of years The historical ramifications of these surgeries are substantiated by peer reviewed publications original documents and newspaper articles The Faith of Ronald Reagan Mary Beth Brown, 2011-01-18 With warmth and insight Brown delves into the spiritual journey of America's 40th president and offers profound stories of God's providence in Ronald Reagan's life from first making it as an actor to winning the presidency from surviving an assassination attempt to eventually changing the face of world politics The Reagan Years: a Social History of the 1980'S Richard Stanley, 2017-12-15 Ronald Reagans legacy as president is nearly unparalleled in American history due to his domestic and foreign policy leadership Reagans contrarian insistence on advocating limited government and supply side economics drew

much bipartisan criticism causing the Great Communicator to take his argument that lowering taxes would encourage economic growth directly to the people The result Congress granted 750 billion in tax cuts in 1981 The Reagan Revolution had begun By mid 1983 the nations economy was booming On President Reagans first day in office the Iran Hostage Crisis finally came to an end Fifty two American embassy personnel held hostage by a defiant Iran during the last four hundred plus days of the Carter administration were freeda definite win for all Americans But Reagan soon was widely criticized for insulting Russias leaders by calling the Soviet Union the evil empire Later Reagan was criticized at home and abroad for challenging Soviet premier Gorbachev to tear down the Berlin Wall Reagans most criticized proposal of all however was his insistence on developing his Strategic Defense Initiative SDI space weapons to defend America from incoming Soviet nuclear missiles Domestic critics dismissed his proposal as a Star Wars fantasy but the Soviets feared SDI By December 1991 it was clear that Reagans Star Wars fantasy helped cause the bankruptcy and total collapse of the Soviet Union bringing a peaceful end to the decades long Cold War Ronald Reagan United States. President (1981-1989 : Reagan), United States.
