Riding For The Blue:

Riding Through the Darkness Dana Montgomery-Gair, 2008-08-04 I had been discharged from a residential treatment program and quickly began to crash and go back to my depressive mood My dad knew I had a love of horses and forced me to try out a new stable I was reluctant to go because I had decided years ago that my horseback riding career was over But then I met Zach a stubborn and very difficult horse and we clicked immediately Zach became my lifeline and continues to teach me how to be comfortable in my own skin

Riding Lessons Jane Smiley, 2018 When Ellen meets Ned a beautiful colt who hurt his leg on his way to becoming a racehorse she becomes determined to behave at school and at home so she can have more time at the ranch

Riding with seat aids - the science behind an almost forgotten art Brigitte Kaluza, 2023-02-06 Riding with seat aids is based on two principles the mutual transmission of body oscillations between horse and rider and the mutual mostly subconscious perception of the body Accordingly riding with seat aids is traditionally also learned subconsciously preferably in childhood by practicing on a horse acting as a teacher Modern science however can explain how it works to ride with seat aids only Whoever understands the biomechanics of the body oscillations of horse and rider can become aware of the communication via body perception and thus also consciously learn to ride in movement symbiosis with the horse

The Saddle and Show Horse Chronicle, 1913 **Leadership** Sy Ogulnick, 2014-08-15 Advice for leaders in every arena of life on facilitating problem solving creativity innovation and a sense of mutual ownership The answer to resolving a problem in any relationship is likely found where the power is located Who are the true leaders what are their expectations and how well do they communicate with those they lead And how well and candidly do those significant to the leader communicate back This is where trust safety and respect play a huge role in how the relationship plays out and either grows mutually or is destructive mutually Most leaders tend to communicate badly have unspoken or inflexible expectations towards those they lead and blame others for their own failings Leadership Power and Consequences confronts this problem of leadership directly and clearly by using Sy Ogulnick's personally experienced stories He clearly describes the path leaders must take if they are to personally grow to understand themselves better and to contribute to the growth of those they lead When authentic communication takes place between those in power and those immediately at the effect of this power trust safety and respect are felt by everyone involved This must be found in the environment or genuine dialogue between them is impossible and will not even at the point of a gun take place And it is the leaders who are primarily responsible for the creation of the environment Words do not make it so but action behavior of the leaders does
