## **Riding Home:**

**Riding Home** Tim Hayes, 2015-03-03 *Riding Home The Power of Horses to Heal* Horse Nation's must read book of 2016 is the first and only book to scientifically and experientially explain why horses have the extraordinary ability to emotionally transform the lives of thousands of men, women and children whether they are horse lovers or suffering from deep psychological wounds. It is a book for anyone who wants to experience the joy, wonder, self-awareness and peace of mind that comes from creating a horse-human relationship and it puts forth and clarifies the principles of today's Natural Horsemanship or what was once referred to as Horse Whispering. Everyone knows someone who needs help: a husband, a wife, a partner, a child, a friend, a troubled teenager, a war veteran with PTSD, someone with autism, an addiction, anyone in emotional pain or who has lost their way. *Riding Home* provides riveting examples of how Equine Therapy has become one of today's most effective cutting-edge methods of healing. Horses help us discover hidden parts of ourselves whether we're seven or seventy. They model relationships that demonstrate acceptance, kindness, honesty, tolerance, patience, justice, compassion and forgiveness. Horses cause all of us to become better people, better parents, better partners and better friends. A horse can be our greatest teacher for horses have no egos, they never lie, they're never wrong and they manifest unparalleled compassion. It is this amazing power of horses to heal and teach us about ourselves that is accessible to anyone and found in the pages of Tim Hayes's *Riding Home*. The information and lists of therapeutic and non-therapeutic equine programs which are contained in the book are also available at the book's website. **Riding, by G.G. Henry George Harper, 1898** *Riding in the Wind* Chaplain Roger Burdge, 2013. Famous as the cradle of the blues, the Mississippi Delta is also home to a feared prison called Parchman. From this plantation prison came bluesmen like Bukka White. But Parchman also produced some of the nation's most feared inmate bosses: men that ruled the grounds with fast hands and fierce determination. One such boss was Chester Johnston. Chester came from a dysfunctional family and served in Vietnam before rising through the biker gang ranks to finally end up running Parchman. But after fighting his way to the undisputed position of shot caller of the farm population, his rep and hatred of officials and guards eventually caught up to him. Nearly beaten to death, Chester began reflecting on the God his grandmother had once taught him about. His journey to true freedom began with the Bible, then surrender, and later through sharing the peace he found with young people. Although convicted of crimes he denied to his death, Chester fought the system for a release that never came. *Riding in the Wind* is not just his story; it's a look inside one of our nation's most feared institutions. The book's greatest revelation is how God changed Chester Johnston, granting him the freedom the system never would. [Catalog of Copyright Entries](#), 1946 **RIDING FOR THE RIGHT REASON** Stanley Scott, 2025-04-04. The wind doesn't care who you are. At eighty miles per hour, it treats every rider the same, trying to push you back, reminding you that you're alive, vulnerable and free all at once. That's why Marcus Hayes rides. Not for the image or the noise or even the speed, though he loves all three. He rides for the clarity. For those moments when the

world narrows to just him his machine and the road stretching ahead Everything else falls away the pressures of the docks family responsibilities crew politics all of it Just for a while But clarity comes with a price The road doesn't just offer freedom it demands respect It tests you challenges you to know why you're really out there wrapped in leather with nothing but skill and reflexes between you and disaster Marcus knows this better than most For him riding isn't just a hobby or an escape it's a way of life that parallels everything else The same discipline that guides his hands on the throttle guides his decisions at the port with his family and within his crew
