The Right to Food Katarina Tomaševski, 1987-08-04 5 Index **The Right to Food Guidelines** Food and Agriculture Organization of the United Nations, 2006-01-01 This publication presents seven information papers and a case studies report that were prepared during the negotiation process preceding the adoption of the Voluntary Guidelines to support the progressive realization of the rights to adequate food in the context of national food security The information papers cover issues that were controversial during negotiations or complex legal questions for which clarification was requested The case studies report summarizes the outcome of studies commissioned in five countries to gather about practical in country experiences with different policies and programmes that are conducive to realizing the population's right to adequate food The full text of the Voluntary Guidelines is also included Development practitioners and governments development agencies civil society and academia concerned with realizing the right to food should find the publication a valuable aid to decision making ***Economic, Social & Cultural Rights in Practice*** Yash P. Ghai, Interights (Organization), 2004 South Africa is increasingly an attractive place for international investment Investing in South Africa provides readers with an overview of the investment environment in South Africa and information on investment opportunities developments and foreign direct investment incentives offered by the Department of Trade and Industry the DTI It also outlines the support that the DTI offers new investors in South Africa Through the New Partnership for Africa's Development NEPAD priority areas have been identified for Africa one of which is the development of the private sector as a means to stimulate growth An important element for investors in South Africa is that it is a gateway to the rest of Africa Already many South African companies have learned many lessons in tackling the challenges of these markets This provides a unique opportunity for international firms to draw on their lessons and experience **Core Obligations** Audrey R. Chapman, Sage Russell, 2002 2 History and Norms **A Commentary on the United Nations Convention on the Rights of the Child** Sharon Detrick, 2023-12-18 This book provides a commentary on the United Nations Convention on the Rights of the Child which was adopted by the General Assembly of the United Nations on 20 November 1989 Part One contains a general introduction to the Convention on the Rights of the Child and deals with matters such as the drafting history the contents direct application horizontal effects limitations the Committee on the Rights of the Child and the Convention's final provisions Part Two contains an article by article commentary the aim of which is not to give an interpretation of the precise nature and scope of States parties obligations but rather to identify the materials or sources which provide guidance in that regard In the identification of such materials attention has been paid to the general rules of treaty interpretation as set forth in the Vienna Convention on the Law of Treaties **Human Rights in the 21st Century** Kathleen E. Mahoney, Paul Mahoney, 2023-07-24 This unique and challenging volume is the result of a major international rights conference entitled Human Rights in the Twenty First Century A Global Challenge convened in Banff Alberta Canada in November 1990 The conference was supported and organized under

the auspices of the Secretary General of the Council of Europe The European Court of Human Rights the European Human Rights Commission the Strasbourg Institute of Comparative Human Rights Law the Alberta Law Foundation and the International Centre at the University of Calgary Its main objectives were legal education and legal research which were met by a total of 92 speakers representing 24 different nationalities presenting their views on 24 human rights topics Women and participants from developing countries in particular brought a new vision of human rights to topics as varied as reproductive technology state violence and biotechnology The theme of this book is thus the interdependence of legal social economic and environmental problems which transcend national and international boundaries and the spirit of solidarity which is required to resolve them Written by a team of international and renowned human experts it will provide a substantial contribution to the legal literature on international human rights Economic, Social, and Cultural Rights in International Law Eibe

Riedel, Gilles Giacca, Christophe Golay, 2014-03-14 Recent years have seen a remarkable expansion in the scale and importance of economic social and cultural rights ESC rights culminating in the adoption of the Optional Protocol to the International Covenant on Economic Social and Cultural Rights in December 2008 The Protocol gives individuals and groups the ability to bring complaints about rights violations before the UN Committee on Economic Social and Cultural Rights Against this background this book focuses on the question of how fundamental socio economic human rights enshrined in international law are defined interpreted understood and implemented It assesses how effective efforts to realize ESC rights have been and investigates the contemporary challenges obstructing their protection It sets out the impact of the global financial crisis and austerity measures the human rights responsibilities of corporations and trends in the justiciability of those rights at the national and international level The interrelationship between ESC rights and other legal regimes such as trade and investment law environmental law international criminal law and international humanitarian law is also thoroughly examined After an introduction by the editors the book contains seventeen chapters looking at the main questions which shape the progressive realization of ESC rights and their monitoring mechanisms The authors of the chapters both scholars and practitioners adopt interdisciplinary approaches that move beyond traditional analyses of ESC rights In doing so they clarify and illuminate multiple aspects of the law by bringing together the different aspects of ESC rights restating the challenges they face and assessing the progress that has been made in expanding their adoption **International**

Children in the International Political Economy G. Kent,1995-09-13 The first line of responsibility for children lies with their parents but what if the parents fail to look after their children Who else is involved and what should they do Children in the International Political Economy examines the moral responsibilities of different individuals and agencies towards children and argues that some responsibilities should be codified as concrete legal duties If all else fails children must look to the international community for help Thus international agencies should recognize specific obligations to look after the well being of children around the world

The Idea and the Documents of Human Rights Ioanna Kuçuradi,2021-01-27 The most significant achievement of 20th century is probably the importance ascribed to the idea of human rights And perhaps the most significant endeavour of the world community in the second half of this century is its attempt to codify these ethical demands in declarations covenants and similar instruments expected to have universal validity Yet besides the unscrupulous violence torture and social injustice which continue to prevail in our world we also see gaining more and more ground tendencies to promote demands and practices which constitute unnoticed obstacles to the protection of human rights Is it not the so called herd immunity as a way to fight against a pandemic a violation of the right to life What are our shortcomings The present volume is an attempt to bring into focus one of these shortcomings the lack of clear knowledge of what human rights are

Transnational Legal Processes Michael Likosky,2002-04 This work comprises 24 linked essays by leading transatlantic scholars in international law and the social sciences examining the sociolegal aspects of multi jurisdictional legal techniques and trans jurisdictional social phenomena The contributors bring a range of disciplinary expertises including anthropology economics law and sociology to bear on key questions raised by transnational legal processes The pieces explore legal developments in multiple territories including Africa Asia Latin America and the United States The volume is designed as a general reader for courses on law and globalisation and related studies The collection is made up of four parts each addressing a central theme in transnational law and legal action law making and compliance human rights commerce and governance The essays discuss such diverse problems as the role of foreign actors in the ethnic conflicts of Kosovo and Rwanda the power the United States and the UK wield over international capital markets and the adaptability of existing public international law to deal with the challenges wrought by globalisation
