

CONSERVATIVE PRINCIPLES

STRONG FAMILIES

Families intent on giving their children the hope of a better tomorrow, the promise of a safe and secure today, and an appreciation and respect of yesterday.

LIMITED GOVERNMENT

A government that promotes policies to unlock individual potential and unleash economic growth. Government that does not try to be all things to all people

FREEDOM

Freedom that is God given, affirmed by our Founding Fathers, articulated in the Declaration of Independence, and protected by the Constitution.

RUGGED INDIVIDUALISM

The entrepreneurial spirit of the individual that continues to solidify Texas as a world economic power

OPPORTUNITY FOR ALL

The opportunity to chart one's own course, start a business, chase a dream, or build a life regardless of gender, race, or religion.

PRINCIPLED, INNOVATIVE LEADERSHIP

Principled leaders with an understanding of Texas' heritage and a clear vision for Texas' future.
Leadership that is unwavering in the face of criticism, steadfast when confronted with adversity, and committed to building a better State.

QUALITY EDUCATION

An educational system that prepares children for tomorrow's workplace regardless of race, wealth or geographical location. Education is the bedrock of freedom and the gateway to opportunity.

PERSONAL RESPONSIBILITY

Individuals taking personal responsibility for their own actions and a criminal justice system based on this idea. With freedom comes responsibility

HONEST COMPASSION

A society assisting those in need rather than a government trying to solve every problem by just throwing more money at it.

REPUBLICAN PARTY OF TEXAS

The Republican philosophy is a true reflection of traditional Texas values. It is these values core. Republican principles that will sustain Texas into the future and continue to make our State strong, prosperous and proud.

Right Principles A Conservative Philosophy Of Politics

Right Principles A Conservative Philosophy Of Politics:

Right Principles Lincoln Allison,1986 **Liberalism Versus Conservatism** François B. Gérard,2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author **A Dictionary of Conservative and Libertarian Thought (Routledge Revivals)** Nigel Ashford,Stephen Davies,2012-06-25 First published in 1991 this is a reissue of the path breaking Dictionary of Conservative and Libertarian Thought the first book to examine the ideals and arguments produced by the intellectual traditions of both conservatism and classical liberalism Covering the ideas of many such distinguished thinkers as Hayek Scruton Friedman and Buchanan the volume provides a valuable survey of the historical development of both schools of thought in all of the major western countries and their contributions to contemporary debates From American Conservatism to French Liberalism Invisible Hand to Organic Society from Scientism to Scepticism and Utopianism to Voluntarism this is a vital work whose reissue will be welcomed as much by the keen layperson as by students of political science the history of philosophy economics and public policy In Search of a Political Philosophy W. J. Stankiewicz,2002-09-11 In Search of a Political Philosophy is an analysis of the three democratic isms conservatism liberalism and socialism and of the distinct nature of the all devouring ideology Marxist communism The author is concerned with the conscious and unconscious assumptions of the proponents and followers of each ideology and those of their theoreticians and critics Leo Strauss and His Legacy John Albert Murley,2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo **British Conservatism** Peter Dorey,2010-10-30 Defence of inequality has always been a core principle of the Conservative Party in Great Britain Yet the Conservatives have enjoyed great electoral success in a British society marked by widespread inequalities of wealth and income Peter Dorey here examines the intellectual and political arguments which Conservatives use to justify inequality He also considers debates between Conservatives over how much inequality is desirable or acceptable Should inequality be unlimited in order to promote liberty incentives and rewards Or should inequality be kept within certain bounds to prevent social breakdown and political upheaval Finally he examines why some less prosperous sections of British society have

nonetheless supported the Conservatives instead of political parties promoting equality This book will be an important resource for students and commentators of contemporary British politics

Conservatism from the French Revolution to the 1990s Pekka Suvanto, trans Roderick Fletcher, 2016-03-07 Suvanto has studied the political and ideological conservatism of Britain the United States Germany and France with references to Scandinavian countries He also discusses the nature of traditionalism and its influence on the development of conservatism Suvanto emphasizes the pragmatism and the consistency of conservatism It has played a great part in the collapse of communism Suvanto's book was first published in Finnish in 1994 and it was chosen as the best historical book in Finland in that year

Conservatism Ted Honderich, 2005-01-20 This is a new edition of a classic work by one of the world's leading progressive political philosophers Ted Honderich examines ideology and reality in British and American politics in order to establish the true distinctions of conservatism Conservatives often claim to believe in reform but not change to rely on instinct rather than abstract theories So what is the conservative rationale Does conservatism have a philosophical founding principle that unifies it Ted Honderich's search for the fundamental principle of conservatism is an enlightening one He examines influential thinkers in the conservative tradition from Edmund Burke and Adam Smith to Michael Oakeshott and Robert Nozick He brings rigorous analytic philosophy to bear on the Republican party in the United States and the Conservative party and the New Labour party in Britain

English Conservatism Since the Restoration Robert Eccleshall, 2002-09-11 First published in 2002 Routledge is an imprint of Taylor Francis an informa company

Modern Political Ideologies Andrew Vincent, 2023-12-15 MODERN POLITICAL IDEOLOGIES Modern Political Ideologies provides a broad overview of the origins development and core principles of the major political ideologies of the past two centuries With an accessible student friendly format this bestselling textbook helps students understand the values beliefs and social forces that shape today's political messaging public discourse and legislative agendas Concise and approachable chapters describe ideologies such as liberalism conservatism socialism fascism fundamentalism and nationalism Retaining the student friendly format of previous editions the fourth edition of Modern Political Ideologies is fully revised to reflect the social changes that inform today's political views An entirely new chapter offers insights into the growth of populism and its effects on contemporary political dialogue while expanded material addresses anarchism feminism neoliberalism environmentalism and green ideologies identity politics and other topics of current relevance Containing a useful glossary of key terms and extensive end notes for each chapter Modern Political Ideologies Fourth Edition is the ideal textbook for advanced undergraduate courses in political science political ideology political theory comparative politics and international relations It is also an excellent supplement for courses in the social sciences and humanities that investigate the history of political ideas

Explaining Political Disagreement Andrew Mason, 1993-08-27 This book considers a variety of explanations of why political disagreement is so extensive and persistent The author examines variants of the contestability and imperfection conceptions which have

dominated political theory the idea that political disagreement is so pervasive because of its value ladenness that key political concepts are essentially contested that those who occupy very different political positions fail to understand each other He argues that we need to develop a framework which borrows elements from both schools of thought presupposing some form of moral cognitivism while recognizing that many political disputes cannot be resolved to the satisfaction of every reasonable person Within such a framework he shows how empirical models can be constructed which give an active role not only to the agent s reasons for his or her beliefs but also to other psychological and sociological considerations

Reflections on

Conservatism Doğancaan Özsel,2011-09-22 In comparison to other political doctrines conservatism is an understudied subject and there are few books that bring together works of scholars studying conservatism from different perspectives Reflections on Conservatism is among these few pieces and is written for those who are interested in conservative thinking and conservative movements in different countries In Reflections on Conservatism readers will find 13 articles covering a wide range of aspects on conservatism Six of these articles offer analyses of certain theoretical aspects of conservatism and focus on issues such as the definition of conservatism the theme of inequality in conservative thinking and the applicability of conservative principals to postcolonial politics Following these there are seven articles that focus on conservative movements or thinkers from different countries Here readers will find detailed discussions on the contemporary state of British and US conservatisms as well as Sarkozy s UMP There are also other articles that present the portrayal of post war cultural conservatism in Denmark Antall s conservatism in Hungary and radical conservative trends in Turkey

Intellectual

Conservatism Ferenc Hörcher,Daniel Pitt,2025-09-29 This book examines the history of intellectual conservatism from its late 18th century founding father Edmund Burke to its last great representative the late Sir Roger Scruton Focusing on British intellectual conservatism and investigating this under researched area of political thought through multiple contributions and disciplines the editors aim is to provide an account of the supportive or critical intellectual work behind conservative politics in the 19th and 20th century with a long term view on the modern conservative movement It is an up to date account of some of the major theoretical issues of conservatism that utilises case studies to provide pictures of particular conservative intellectuals explain key concepts and reconstruct major schools and defining debates within conservatism There is a particular focus on the role of Christianity the British common law tradition and on the connection between culture and politics Intellectual Conservatism From Burke to Scruton is valuable for university students studying history political science PPE or the social sciences as well as those interested in the contemporary debates in Western politics on the future of Europe and the US

From Political Theory to Political Theology

Péter Losonczi,Aakash Singh,2010-03-18 During the last two decades we have witnessed what Jos Casanova has characterised as religion going public This has not been a trend exclusive to traditionally religious nations Rather it has been visible in as diverse environments as that of the construction of the new Russian political identity or in the post 9 11 political discourses of the

USA Surprisingly important religious manifestations also influenced the political discourses in Britain and more recently in France Partly as a consequence of these phenomena an intensive debate is now evolving about the compatibility of the neutrality of liberal democracy in relation to religiously motivated opinions in public discourses and the conditions under which such religiously driven contributions could viably go public This book offers a collection of essays on Religion and Democracy which critically discusses the most important questions that characterize these debates at the points of their intersection within political theory political theology and the philosophy of religion and considers both the challenges and the prospects of this new era which following Habermas one may call post secular

Political Ideas in Modern Britain

Rodney S. Barker,1997 A provocative and stimulating guide to political thinking in the United Kingdom since the 1880s Spanning the development of political thought from Morris to market socialism from communism to communitarianis from fascism to feminism

Group Rights Peter Jones,2022-03-24 Nowadays rights are frequently ascribed to groups distinguished by their nationality culture religion or language Rights are also commonly ascribed to institutionalised groups such as states businesses trade unions and private associations Yet the ascription of rights to groups remains deeply controversial Many people reject the very idea of group rights Amongst those who do not there is radical disagreement about which sorts of group might possess rights and why Some believe that group rights threaten the freedom and well being of individuals while others argue that the rights of groups can complement them Some claim that group rights can also be human rights others find that claim incoherent The contributions making up this volume wrestle with these and many other of the issues that surround group rights This volume brings together twenty four of the journal articles that have contributed most significantly to contemporary thinking on group rights

Routledge Handbook of Sport and Politics Alan Bairner,John Kelly,Jung Woo Lee,2016-10-04 Sport is frequently considered to be an aspect of popular culture that is or should be untainted by the political However there is a broad consensus among academics that sport is often at the heart of the political and the political is often central to sport From the 1936 Olympic Games in Nazi Germany to the civil unrest that preceded the 2014 World Cup in Brazil sport and politics have remained symbiotic bedfellows The Routledge Handbook of Sport and Politics goes further than any other book in surveying the complex embedded relationships between sport and politics With sections addressing ideologies nation and statehood corporate politics political activism social justice and the politics of sports events it introduces the conceptual foundations that underpin our understanding of the sport politics nexus and examines emergent issues in this field of study Including in depth case studies from North America South America Europe the Middle East Africa and Asia this is an essential reference for anybody with an interest in the social scientific study of sport

On Political Means and Social Ends Ted Honderich,2019-07-31 John Stuart Mill s On liberty and a question about liberalism Conservatism its distinctions and its rationale Trying to save Marx s theory of history by teleology and failing The contract argument in a theory of justice The principle of humanity Consequentialism moralities of concern and

selfishness Hierarchic democracy and the necessity of mass civil disobedience and non co operation After the terror a book and further thoughts Marx, Engels and Liberal Democracy Michael Levin, 1989-02-09 A study investigating how the founders of Marxism came to terms with the emergence of liberal democracy as a political system It examines in language without jargon how they defined democracy and how they evaluated the liberal constitutional state by placing their ideas in historical context **Conservatives and the Constitution** Ken I. Kersch, 2019-03-28 Recovers a contested evolving tradition of conservative constitutional argument that shaped the past and is bidding to make the future
