Right Thing:

Right Thing, Right Now Ryan Holiday, 2024-06-11 INSTANT 1 NEW YORK TIMES BESTSELLER In his New York Times bestselling book *Discipline Is Destiny* Ryan Holiday made the Stoic case for a life of self discipline In this much anticipated third installment in the *Stoic Virtues* series he argues for the necessity of doing what's right even when it isn't easy For the ancients everything worth pursuing in life flowed from a strong sense of justice or one's commitment to doing the right thing no matter how difficult In order to be courageous wise and self disciplined one must begin with justice The influence of the modern world often tells us that acting justly is optional Holiday argues that that's simply untrue and the fact that so few people today have the strength to stand by their convictions explains much about why we're so unhappy In *Right Thing Right Now* Holiday draws on fascinating stories of historical figures such as Marcus Aurelius Florence Nightingale Jimmy Carter Gandhi and Frederick Douglass whose examples of kindness honesty integrity and loyalty we can emulate as pillars of upright living Through the lives of these role models readers learn the transformational power of living by a moral code and through the cautionary tales of unjust leaders the consequences of an ill formed conscience The Stoics never claimed that living justly was easy only that it was necessary And that the alternative sacrificing our principles for something lesser was considered only by cowards and fools *Right Thing Right Now* is a powerful antidote to the moral failures of our modern age and a manual for living virtuously

Doing the Right Thing Scott Rae, 2013-11-26 According to author Scott B Rae in *Doing the Right Thing* our culture is in an ethical mess because we've neglected moral training and education This book proposes that there is such a thing as moral truth that it can be known and that it can be put into practice Looking specifically at the areas of medicine the marketplace public life education and the family Rae shows how foundational ethical principles can guide you in making moral day to day decisions Informed by Scripture and calling for a renewed understanding of the importance of the Christian faith in moral training *Doing the Right Thing* issues a call for cultivated virtue that can bring about both better lives and a better society You will find yourself examining the ways in which ethical and character issues relate to your life As a result you will be better equipped to promote virtue in your own spheres of influence and the culture at large
