document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little known authors, many of whom would later become celebrated literary figures, were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The WPA Guide to the Alaskan Territory takes the reader on a journey across the Land of the Midnight Sun, from the North Slope to the Aleutian Islands. First published in 1939, the guide reports on all the things that make this soon-to-be state unique: the influence of Alaska's indigenous peoples, the thriving fishing industry, and the distinctive flora and fauna.

**Heaven on Earth** Donna Nielsen Murphy, 2001-01-02. First came Shangri-La. Now Eluria. We are racing down the path of death and destruction as if whoever reached rock bottom first would receive a crown of laurels instead of thorns. We do not have to continue along this path. There is another way. There are teachers who can aid us, men and women from around the world who will come and help us put an end to this insanity, this anger, this hatred, this war. They are holy people who see only the holiness in others, but they will not come unless we ask them. Ladies and gentlemen, I propose that we ask them. Paula Keelor, addressing the National Assembly of Eluria. Will Paula succeed in convincing her countrymen on this war-torn island off the coast of Africa to sign a petition requesting a spiritual intervention? What happens next, and what happened before? How did Paula and Kyle Hansen, the American who aids Paula in her quest for peace, as he quests for love, evolve to arrive at this moment? And who on earth is Frankee Waa? *Heaven on Earth*, a novel for the 21st century, presenting a compelling alternative to war. [www.heavenearthnovel.com](http://www.heavenearthnovel.com)

The authority on active adventure, *Backpacker* is the world's first GPS-enabled magazine and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. *Backpacker's* Editors' Choice Awards, an industry honor recognizing design, feature, and product innovation, has become the gold standard against which all other outdoor industry awards are measured.
