Seed Policy, Legislation and Law Neils P Louwaars, 2002-08-23 Learn what it takes to create and implement a truly successful seed policy This unique book brings together international experts on seed policy and law While other books approach the subject from the perspective of seed industry development and privatization Seed Policy Legislation and Law makes clear that a successful national seed *Consumer Safety Regulation* Peter Asch, 1988-05-26 Advocates of consumer safety regulation an active and controversial area of public policy in the United States contend that markets do not adequately protect the interests of vulnerable consumers market traditionalists respond that public agencies increasingly make risk safety decisions that individual citizens ought to be making for themselves This book written by an economist critically assesses the rationales for and the effects of our major consumer safety programs Addressed to a general audience and incorporating relevant literature on cognitive psychology as well as economics the author argues that although legitimate reasons for public protection of consumers exist in some markets the particular programs we adopt often produce results that fall far short of what their advocates desire and at least occasionally yield perverse outcomes **State, Society, and Corporate Power** Marc R. Tool, Warren J. Samuels, 1989-01-01 This volume of selections from the *Journal of Economic Issues* carries the institutional economics analysis of the acquisition and use of economic power into new and critically significant subject areas law and economics the public control of economic power and international implications of public and private use of power to influence the flow of real income on a global scale Its particular interest is the possession and use of corporate power especially in relation to the state as a representative of society **Neither Liberty nor Safety** Robert Higgs, 2007-04-01 Those who would give up essential Liberty to purchase a little temporary Safety deserve neither Liberty nor Safety wrote Benjamin Franklin Attempting to gain security by sacrificing liberty is also a foolish action because it only increases the potential for harm In *Neither Liberty Nor Safety Fear Ideology and the Growth of Government* economist and historian Robert Higgs illustrates the false trade off between freedom and security by showing how the U S government s economic and military interventions reduced the civil and economic liberties prosperity and genuine security of Americans in the 20th century Extending the theme of Higgs s earlier books *Neither Liberty Nor Safety* stresses the role of misguided ideas in the expansion of government power at the expense of individual liberty Higgs illuminates not only many underappreciated aspects of the Great Depression the two world wars and the postwar era but also the government s manipulation of public opinion and the role that ideologies play in influencing political outcomes and economic performance

Crisis and Leviathan Robert Higgs, 2025-10-07 Crisis and Leviathan is Higgs masterwork on how government grows in size scope and power in response to real or imagined crises From war to economic upheavals government overreach endures long after each crisis has passed impinging on civil liberties and fostering extensive corporate welfare Few topics are as timely as the growth of government To understand why government has grown Robert Higgs asserts one must understand how it has grown This book offers a coherent multi causal explanation guided by a novel analytical framework firmly grounded in historical evidence More than a study of trends in governmental spending taxation and employment Crisis and Leviathan is a thorough

analysis of the actual occasions when and the specific means by which Big Government developed in the United States More than an abstract account it names names and highlights the actions of significant individuals The author examines how 20th century national emergencies mainly wars depressions and labor disturbances have prompted federal officials to take over previously private rights and activities When the crises passed a residue of new governmental powers remained Even more significantly each great crisis and the subsequent governmental measures went hand in hand with reinforcing shifts in public beliefs and attitudes toward the government s proper role in American life Integrating the contributions of scholars in diverse disciplines including history law political philosophy and the social sciences *Crisis and Leviathan* makes compelling reading for all those who seek to understand the transformation of America s political economy over the past century

Encyclopedia of Government and Politics Mary Hawkesworth, Maurice Kogan, 2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers Morality of Markets
