Rigoberta Menchu Defending Human Rights In Guatemala:

Rigoberta Menchu Michael Silverstone, 1999 A new multicultural biography series for young readers that focuses on major achievements by women from around the world The Faces of Human Rights Kasey McCall-Smith, Jan Wouters, Felipe Gómez Isa, 2019-05-16 As human rights discourse increasingly focuses on analysing states and the institutions that promote and support the human rights machinery that states have created this volume serves to recall that despite the growing size of the machinery and unwieldy nature of states human rights began with real people It samples a broad range of actors and localities where everyday people fought to ensure that the basic principles of human rights became a reality for all This volume will give a face to the everyday people to whom credit is due for shaping human rights It also responds to the perennial question of how to begin a career in human rights by highlighting that there is no single path into this dynamic field a field built on the back of small initiatives by people across a broad spectrum of career paths **Quiet Genocide** Etelle Higonnet, 2017-09-08 Quiet Genocide reviews the legal and historical case that genocide occurred in Guatemala in 1981 1983 It includes the full text of the genocide section of a United Nations sponsored Commission on Historical Clarification in Guatemala CEH brokered by the UN In its final report the CEH s rigorously reviewed abuses throughout the whole country However the memory of the Guatemalan dirty war which predated the genocide and continued for over a decade of the heightened killing has rapidly faded from international awareness The book renders a historical picture of the 1948 Genocide Convention and its unique status in international law It reminds readers of the difficulty of preventing and punishing genocide as illustrated by the ongoing tragedy of Darfur and discusses the evolution of international and hybrid tribunals to prosecute genocide along with war crimes and crimes against humanity Then it sketches a brief history of Guatemala with a focus on genocide It explores how internal and global politics were an expression of structural violence designed to ensure cheap abundant and quiescent Indian labor for coffee planters a The volume provides the commission s general considerations legal definitions methodology period of analysis and victim groups and finds that genocide had been perpetrated against five indigenous Guatemalan groups By translating the genocide argument of the CEH into English and framing it in a lively accessible way this volume recovers the past sets the record straight and promotes accountability This exploratory effort provides insight into the world of transitional justice and truth commissions and valuable insights about how to engage with the question of genocide in the future These findings shed light on a crucial and dark chapter of trans American Cold War history and will thus be of interest not only to scholars focused on Guatemala but also on Central America and even more broadly on the Cold War Rigoberta Menchu Michael Silverstone, 1999-08-01 **The Rigoberta Menchú Controversy** Arturo Arias, David Stoll, 2001 Guatemalan indigenous rights activist Rigoberta Menchu first came to international prominence following the 1983 publication of her memoir I Rigoberta Menchu which chronicled in compelling detail the violence and misery that she and her people suffered during her country s brutal civil war The book focused world

attention on Guatemala and led to her being awarded the Nobel Peace Prize in 1992 In 1999 a book by David Stoll challenged the veracity of key details in Menchu's account generating a storm of controversy Journalists and scholars squared off regarding whether Menchu had lied about her past and if so what that would mean about the larger truths revealed in her book In *The Rigoberta Menchu Controversy* Arturo Arias has assembled a casebook that offers a balanced perspective on the debate The first section of this volume collects the primary documents newspaper articles interviews and official statements in which the debate raged many translated into English for the first time In the second section a distinguished group of international scholars assesses the political historical and cultural contexts of the debate and considers its implications for such issues as the culture wars historical truth and the politics of memory Also included is a new essay by David Stoll in which he responds to his critics *Women's Studies Quarterly* (28: 3-4) Nancy Hoffman, Nitza Hidalgo, Ellen Silber, 2000 Groundbreaking volume provides positive strategies for eliminating gender bias in middle school and high school classrooms

Women Nobel Peace Prize Winners, 2d ed. Anita Price Davis, Marla J. Selvidge, 2015-12-01 From the first woman Nobel Peace Prize recipient Bertha von Suttner 1905 to the latest and youngest female Nobel laureate Malala Yousafzai 2014 this book in its second edition provides a detailed look at the lives and accomplishments of each of these sixteen Prize winners They did not expect recognition or fame for their work economist Emily Greene Balch 1946 was surprised to learn that anyone knew about her But they did not work in isolation all met with discouragement derision threats or in Yousafzai's case attempted murder and exile A history of the Prize and a biographical sketch of Alfred Nobel are included Who Is Rigoberta Menchu? Greg Grandin, 2011-02-21 In 1984 indigenous rights activist Rigoberta Mench published a harrowing account of life under a military dictatorship in Guatemala That autobiography I Rigoberta Mench transformed the study and understanding of modern Guatemalan history and brought its author international renown She won a Nobel Peace Prize in 1992 At that point she became the target of historians seeking to discredit her testimony and deny US complicity in the genocidal policies of the Guatemalan regime Told here is the story of an unlettered woman who became the spokesperson for her people and clashed with the intellectual apologists of the world's most powerful nation What happened to her autobiography speaks volumes about power perception and race on the world stage This critical companion to Mench's work will disabuse many readers of the lies that have been told about this courageous individual **Borrowed Narratives** Harold Ivan Smith, 2012 What do Dexter King Condoleezza Rice Mackenzie King Corazon Aquino Eleanor Roosevelt Bill Cosby Tony Dungy Theodore Roosevelt George H W and Barbara Bush Caroline Kennedy Arthur Ashe Lady Bird Johnson Colin Powell and C S Lewis have in common They all have significant grief experiences that have shaped their lives in dramatic ways stories that have also shaped our lives Grieving individuals through borrowing narratives look for inspiration in biographic historical and memoir accounts of political and religious leaders celebrities sports figures and cultural icons In a time of diminishing trust in heroes and sainted leaders who will speak to us from their grief In a diverse society grief counselors and educators

need to identify and mine the experienced griefs of historical personalities for resources for reflection and meaning making
This book will help readers find read evaluate extract and adapt historical biographical materials create bio narrative
resources for use in grief counseling and grief education explore the wide diversity of experienced grief in biographical
narratives identify ways to harness grief narratives for personal reflection **Women Engaged in War in Literature for Youth** Hilary S. Crew, 2007 Women at War portrays books and other resources that feature girls young women and adult women actively involved in various ways in battles wars and war time activities including their roles as nurses doctors spies soldiers correspondents photographers as well as their roles on the home front Fiction picture books nonfiction biographies autobiographies collective biographies oral narratives reference books journal and periodical articles and non print and electronic resources are included Teachers and librarians will find this to be an excellent curriculum planning resource

Women's Studies Quarterly Lee Quinby, 2001-08 A timely and vital issue of this leading journal examines the impact of new technologies on the lives of women *Divided by Faith and Ethnicity* Andrea Althoff, 2014-08-22 Two unprecedented striking developments form part of the reality of many Latin Americans Recent decades have seen the dramatic rise of a new religious pluralism namely the spread of Pentecostal Christianity Catholic and Protestant alike and the growth of indigenous revitalization movements This study analyzes these major transitions asking what roles ethnicity and ethnic identities play in the contemporary process of religious pluralism such as the growth of the Protestant Pentecostal and neo Pentecostal movements the Catholic Charismatic Renewal and the indigenous Maya movement in Guatemala This book aims to provide an understanding of the agenda of religious movements their motivations and their impact on society Such a pursuit is urgently needed in Guatemala a postwar country experiencing acrimonious religious competition and a highly contentious debate on religious pluralism This volume is relevant to scholars and students of Latin American Studies Sociology of Religion Anthropology Practical Theology and Political Sciences Latin American Thinkers of Peace Roberto Domínguez, Andrea Oelsner, 2023-08-28 This book analyzes seven Latin American thinkers who have contributed to building bridges for reconciliation and peace Carlos Saavedra Lamas Adolfo Pérez Esquivel Alfonso García Robles Oscar Arias Sánchez Rigoberta Menchú Tum Juan Manuel Santos and Javier Pérez de Cuellar Working within an eclectic conceptual approach to systematize the circulation of ideas embraced by each one of the thinkers the various contributions delve into the current literature of leadership and intellectuals in Politics and Global International Relations GIR Overall the central premises of the analysis are based on three fundamentals of mainstream constructivism a change across time and space in the lifetime of each thinker under analysis in this book b socialization through changing norms rules and language and c processes of interaction in which actors make choices in selecting networks and strategies Coming from different walks of life the seven thinkers examined in this book have accessed the global public square and discussed ideas to reduce conflicts at different scales In their respective historical times they circulated their views and ideas beyond the confines of Latin America to

influence global political thought and produce change in favor of peace

Ten Notable Women of Modern Latin

America James D. Henderson, Linda R. Henderson, Suzanne M. Litrel, 2023-10-27 In 1930s rural Argentina a determined fifteen year old left an isolated poverty stricken life to find her fortune in the Paris of South America Buenos Aires There with few connections little education but plenty of persistence Maria Eva Duarte gained a toehold in the city's artistic scene Eva Evita then navigated the radio revolution to fortune providing for her mother and siblings along the way She caught the eye of rising political star Colonel Juan Perón and with him she rode the pro labor wave all the way to the presidential palace The story of Eva Duarte Perón highlights not just her own extraordinary life but the opportunities seized by women of all classes and backgrounds in post independence modernizing Latin America This work offers an alternate method for understanding modern Latin America and its history The ten figures treated are ethnically mixed of African Indigenous European and mestiza heritage They include figures from all social classes geographic settings and occupations seen in Latin America and they acted over the entirety of the more than two centuries of the modern period Through their stories the reader comes away with a deeper understanding of this rich diverse region

In It Together Debbie Zacarian, Michael

Silverstone, 2015-02-17 Harness the power of teacher student school family and community partnerships Building coalitions of support is within easy reach with this compelling book from highly regarded educational expert Debbie Zacarian and veteran classroom teacher Michael Silverstone Richly detailed vignettes and concrete evidence based strategies help you systematically Develop positive and enduring relationships with students families and communities Build coalitions of support around learning and engagement Support students and families from marginalized populations This thoughtful and inspiring guide shows you how to ramp up student achievement and engagement with methods you can use immediately

Risks, Violence, Security and Peace in Latin America Úrsula Oswald Spring, Serena Eréndira Serrano Oswald, 2018-03-27

This book analyses the war against drugs violence in streets schools and families and mining conflicts in Latin America It examines the nonviolent negotiations human rights peacebuilding and education explores security in cyberspace and proposes to overcome xenophobia white supremacy sexism and homophobia where social inequality increases injustice and violence During the past 40 years of the Latin American Council for Peace Research CLAIP regional conditions have worsened Environmental justice was crucial in the recent peace process in Colombia but also in other countries where indigenous people are losing their livelihood and identity Since the end of the cold war capitalism aggravated the life conditions of poor people The neoliberal dismantling of the State reduced their rights and wellbeing in favour of enterprises Youth are not only the most exposed to violence but represent also the future for a different management of human relations and nature

Encyclopedia of the World's Minorities Carl Skutsch, 2013-11-07 This study of minorities involves the difficult issues of rights justice equality dignity identity autonomy political liberties and cultural freedoms The A Z Encyclopedia presents the facts arguments and areas of contention in over 560 entries in a clear objective manner For a full list of entries

This book will inspire you and answer all your questions while preparing a trip to Central America or along the way. It will also remain a beautiful souvenir after your trip.

What Was Multiculturalism? Vijay Mishra, 2012-01-02 What Was Multiculturalism is a timely account of a socio-political theory that has featured in public debate in the West for the past forty years. The book is both a compendium as well as a critique of multicultural theory in its diverse forms from the politics of recognition, consensus, tolerance and the need for an inclusive community to questions about the moral order, the invasive force of religious absolutism and the spectres of racism, injustice and scapegoating. Through a series of critical reflections, Mishra offers a detached, honest, bold and uncompromised reading of some of the most influential texts on multiculturalism with a view to establishing the historical moments in the field.

Ela Bhatt Jyotsna Sreenivasan, 2000-03-01 An international leader who blazed new trails to bring women together and give them power and security.

Eventually, you will no question discover a further experience and skill by spending more cash. still when? do you understand that you require to get those every needs next having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to comprehend even more approximately the globe, experience, some places, later than history, amusement, and a lot more?

It is your no question own get older to be active reviewing habit. accompanied by guides you could enjoy now is **Rigoberta Menchu Defending Human Rights In Guatemala** below.
