

A watercolor illustration of a raccoon standing on a log in a forest. The raccoon is white with black facial markings and is looking directly at the viewer. It is standing on a large, weathered log that lies horizontally across the middle of the frame. To the left of the raccoon, there is a large, round, light-brown object, possibly a tree stump or a large rock. The forest is lush with green foliage, including various types of trees and ferns. The background is filled with more trees and a dense canopy of leaves. The overall style is soft and painterly, with visible brushstrokes and a rich color palette of greens, browns, and whites.
