*The Rise and Fall of a Middle Power* Arthur Andrew, 1993-01-01 I Age of Innocence 1945 1956 1 The Dear Department 2 The Middle Power Model II Middle Age 1956 1968 3 Under New Management 4 Special Relationships 5 Mike Pearson PM III Age of Reasons 1968 1984 6 Enter Trudeau Frowning 7 Sharp Impressions 8 Spies and Soldiers 9 Exit Trudeau with Gestures IV Decision Times 1984 and All That 10 Zeitgeist 11 Other Options 12 And a New Earth **Canada's Department of External Affairs: Coming of age, 1946-1968** John Hilliker, Donald Barry, 1990 The second volume of the official history of the Department of External Affairs *Coming of Age* covers a period of remarkable expansion and achievement in Canadian external relations *Statesmen, Strategists, and Diplomats* Patrice Dutil, 2023-06-15 Foreign policy is a tricky business Typically challenges and proposed solutions are perceived as disparate unless a leader can amass enough support for an idea that creates alignment And because the prime minister is typically the one proposing that idea Canadian foreign policy can be analyzed through the actions of these leaders *Statesmen Strategists and Diplomats* explores how prime ministers from Sir John A Macdonald to Justin Trudeau have shaped foreign policy by manipulating government structures adopting and rejecting options and imprinting their personalities on the process Contributors consider the impact of a wide range of policy decisions increasing or decreasing department budgets forming or ending alliances and pursuing trade relationships particularly as these choices affected the bureaucracies that deliver foreign policy diplomatically and militarily This innovative focus is destined to trigger a new appreciation for the formidable personal attention and acuity involved in a successful approach to external affairs *Of Peace and Power* Karsten Jung, 2009 More than 50 years after Canada played an instrumental role in its inception peacekeeping has once again returned to the center of the national foreign policy debate Having participated in every peacekeeping operation set up during the Cold War and lived through the fundamental changes the activity has undergone in the 1990s Ottawa is currently struggling to define a viable approach to peacekeeping for the 21st century As a timely contribution to this effort the study reveals the overt and subtle ways in which Canada's commitment to peacekeeping has contributed to the promotion of vital national interests in the past and might continue to do so in the future **The Middle Power Project** Adam Chapnick, 2011-11-01 The Middle Power Project describes a defining period of Canadian and international history During the Second World War Canada transformed itself from British dominion to self proclaimed middle power It became an active enthusiastic and idealistic participant in the creation of one of the longest lasting global institutions of recent times the United Nations This was in many historians opinions the beginning of a golden age in Canadian diplomacy Chapnick suggests that the golden age may not have been so lustrous During the UN negotiations Canadian policymakers were more cautious than idealistic The civil service was inexperienced and often internally divided Canada's significant contributions were generally limited to the much neglected economic and social fields Nevertheless creating the UN changed what it meant to be Canadian Rightly or wrongly from the establishment of the UN

onwards Canadians would see themselves as leading internationalists Based on materials not previously available to Canadian scholars The Middle Power Project presents a critical reassessment of the traditional and widely accepted account of Canada's role and interests in the formation of the United Nations It will be read carefully by historians and political scientists and will be appreciated by general readers with an interest in Canadian and international history

[Australian Foreign Policy in Asia](#) Allan Patience, 2017-12-12 This book sets out to discuss what kind of middle power Australia is and whether its identity as a middle power negatively influences its relationship with Asia It looks at the history of the middle power concept develops three concepts of middle power status and examines Australia's relationships with China Japan and Indonesia as a focus It argues that Australia is an awkward partner in its relations with Asia due to both its historical colonial and discriminatory past as well its current dependence upon the United States for a security alliance It argues this should be changed by adopting a new middle power concept in Australian foreign policy

**Canada's Department of External Affairs, Volume 2** John Hilliker, Donald Barry, 1995-04-04 In 1946 with its own minister for the first time the Department of External Affairs embarked on a period of impressive growth and assumed responsibility for a broader range of foreign policy issues than ever before Under the expert guidance of Lester Pearson for a decade the department enjoyed popular and parliamentary consensus about international interests The election of the Diefenbaker government in 1957 deprived the department of Pearson's experienced ministerial direction and exposed it to new priorities and new ways of doing things At this time foreign policy consensus began to erode As well there was pressure

to respond to the administrative revolution inaugurated by the Royal Commission on Government Organization the Glassco Commission appointed in 1960 After Pearson returned to office as prime minister in 1963 questioning by the public and also by the governing party and the cabinet became more fervent Coming of Age concludes in 1968 as indications of a challenge to the principles underlying Canadian foreign policy emerged from a new generation of ministers a challenge that would produce major changes after Pierre Trudeau became prime minister

endeavour from initial opposition to a more supportive approach Jennifer Tunncliffe takes both international and domestic developments into account to explain how shifting cultural understandings of rights influenced policy and to underline the key role of Canadian rights activists in this process In light of Canada's waning reputation as a traditional leader in developing human rights standards at the United Nations this is a timely study Tunncliffe situates policies within their historical context to reveal that Canadian reluctance to be bound by international human rights law is not a recent trend and asks why governments have found it important to foster the myth that Canada has been at the forefront of international human rights policy

**The Politics of Canadian Foreign Policy, Fourth Edition** Kim Richard Nossal, Stéphane Roussel, Stéphane Paquin, 2015-12-07 The fourth edition of this widely used text includes updates about the many changes that have occurred in Canadian foreign policy under Stephen Harper and the Conservatives between 2006 and 2015 Subjects discussed include the fading emphasis on internationalism the rise of a new foreign policy agenda that is increasingly shaped by domestic political imperatives and the changing organization of Canada's foreign policy bureaucracy As in previous editions this volume analyzes the deeply political context of how foreign policy is made in Canada Taking a broad historical perspective Kim Nossal Stéphane Roussel and Stéphane Paquin provide readers with the key foundations for the study of Canadian foreign policy They argue that foreign policy is forged in the nexus of politics at three levels the global the domestic and the governmental and that to understand how and why Canadian foreign policy looks the way it does one must look at the interplay of all three

**Canada's Foreign Policy and the Arab-Israel Conflict** Kamaran M.K. Mondal, 2022-01-10 Using the historical and comparative approaches of study this book traces the roots of the Arab Israel conflict in general and the Palestine Israel conflict in particular as well as Canada's role in the thorny issue of the conflict and peace processes through multilateral fora and institutions It shows that the Canadian perception and policy while uniquely Canadian have operated within the broader Anglo American framework of support for a Jewish homeland and the two state theory The book argues that three significant factors have impacted Canada's outlook and actions Firstly Canada's perception and policy towards the Arab Israel conflict have been shaped by religious cultural and historical factors rather than by its acclaimed Liberal Internationalism Second growing economic and commercial interests after the 1973 Arab Israel War and its perceived

national interest made it adopt a more nuanced and balanced approach towards the conflict Finally it argues that the elite perception the initiatives by Lester Pearson and the presence of an active Jewish community have had a significant influence on Canadian perception towards the Arab Israel conflict
