**The Rise and Fall of Adolf Hitler** William L. Shirer, 2013-04-18 A concise and timely account of Hitler's and fascism's rise to power and ultimate defeat from one of America's most famous journalists American journalist and author William L. Shirer was a correspondent for six years in Nazi Germany and had a front row seat to Hitler's mounting influence His most definitive work on the subject *The Rise and Fall of the Third Reich* is a riveting account defined by first person experience interviewing Hitler watching his impassioned speeches and living in a country transformed by war and dictatorship Shirer was originally commissioned to write *The Rise and Fall of Adolf Hitler* for a young adult audience This account loses none of the immediacy of *The Rise and Fall of the Third Reich* capturing Hitler's ascendance from obscurity the horror of Nazi Germany's mass killings and the paranoia and insanity that marked the Führer's downfall This book is by no means simplified and is sure to appeal to adults as well as young people with an interest in World War II history For nearly 100 years William L. Shirer has spoken to us of fascism Nazis and Hitler He tells the unvarnished truth as he experienced it I figured this school type book wasn't going to tell me anything new But when I started reading I realized that I wasn't reading for the facts anymore I listened to his story and heard the urgency in his voice a voice from nearly 60 years ago telling us the truth about today Daily Kos

Shirer,2011-10-11 History of Nazi Germany      **Rise and fall of Adolf Hitler** Gong Meng,1967      What Really Happened: The Death of Hitler Robert J. Hutchinson,2020-08-04 Think You Know Everything about the death of Hitler Think Again After World War II 50 percent of Americans polled said they didn't believe Adolf Hitler and Eva Braun had committed suicide in their bunker in 1945 as captured Nazi officials claimed Instead they believed the dictator faked his death and escaped perhaps to Argentina This wasn't a crazy opinion Joseph Stalin told Allied leaders that Soviet forces never discovered Hitler's body and that he personally believed the Nazi leader had escaped justice At least two German submarines crossed the Atlantic and landed on the coast of Argentina in July 1945 Plus there were numerous reports of top Nazi officials successfully fleeing to South America where there was a large German colony Incredible as it sounds the mystery surrounding Adolf Hitler's final days only deepened in 2009 when a U S forensic team announced that a piece of Hitler's skull held in Soviet archives was not actually Hitler's International interest increased further in 2014 when the FBI released previously classified files detailing investigations surrounding Hitler's possible escape And the following year The History Channel launched a three year reality TV series investigating if it was possible Hitler did somehow survive So what really happened Popular history writer Robert J Hutchinson author of What Really Happened The Lincoln Assassination takes a fresh look at the evidence and discovers once and for all the truth about Hitler's last week in Berlin Among the questions the book explores are What did surviving Nazi eyewitnesses really say about the Führer's final days in the bunker and could they have been lying to aid Hitler's escape If Hitler didn't escape why did the Allies not find his body What about Hitler's proven use of body doubles Could Hitler have used a body double in the bunker while he and Eva Braun flew to safety in a long range aircraft that took off from a runway in Berlin's Tiergarten Why did the FBI continue to investigate reports of Hitler's survival for more than a decade after World War II reports that were only declassified in 2014 What about sensational claims in books such as The Grey Wolf that Hitler and Eva Braun lived in an isolated chalet in the Andes and that Hitler died in 1962 Why were forensic tests on crucial physical evidence only conducted in 2016 more than 70 years after World War II ended And lots MORE      The Rise and fall of the Third Reich William L. Birnes,Joel Martin,2011-09-13 From the Nazis to the new millennium Jacket      **Alone against Hitler** Jack Bray,2020-05-19 Alone Against Hitler tells the lesser known but pivotal story of former Austrian chancellor Kurt von Schuschnigg As one of the first leaders to defy Adolf Hitler during the buildup to WWII his story is of lasting importance Though young and untested upon entering office von Schuschnigg courageously rejected the rising tide of Austrian Nazism insisting on equal rights and respect for the Jewish minority Jack Bray surveys the geopolitical conditions in Austria during the march to war highlighting von Schuschnigg's valiant four year struggle to prevent his nearly defenseless small nation from being taken over from within by unrelenting violent Austrian Nazis Von Schuschnigg's encounters with Hitler and other central characters of 1930s

Germany Himmler Hess Ribbentrop Hindenburg Goring and Papen as well as their ally Mussolini are recounted in scenes of high drama and vivid detail For his daring defiance and his refusal of offers to flee the Nazi invasion von Schuschnigg paid a dear price seven years in Nazi captivity and abuse to the point of breakdown In one of Hitler s final acts from the bunker where he would ultimately take his own life the trembling fuhrer ordered von Schuschnigg to be killed Just as von Schuschnigg was set to be executed with the war at its eleventh hour he received a near miraculous deliverance Although Kurt von Schuschnigg s name may be unfamiliar now he was for a brief moment at the center of world history even gracing the cover of Time magazine in 1938 Alone Against Hitler profiles an oft forgotten but crucially important figure in WWII history celebrating the legacy of a man who bravely fought against evil **The Illustrated History of the Nazis** Paul Roland,2010-04-01 No one can deny Paul Roland is a complete master of his subject Colin Wilson author of A Criminal History of Mankind A rogues gallery of social misfits formed the Nazis inner circle They hated and conspired against each other but were held together by their admiration for the Fu hrer and step by step they dragged their nation towards the abyss Drawing on recently discovered documents from the former Soviet archives and first hand accounts from correspondents who were in Berlin during the desperate days leading up to the outbreak of war author Paul Roland unravels the web of diplomacy deceit and double dealing which Hitler spun to ensure the war he had always wanted This is the extraordinary true story of the little Austrian corporal with the twisted psyche who rose from obscurity to command the world s most formidable military machine before destroying himself and the empire he claimed would last a thousand years
