## **Risen Indeed A Christian Philosophy Of Resurrection:**

Risen Indeed Stephen T. Davis,1993 Philosopher Davis argues that Christian belief in the resurrection is rational on historical philosophical and theological grounds Each of the book s ten chapters takes up a different aspect of the Christian concept of bodily resurrection and subsequently deals with such matters as perservation of personal identity and soul body dualism issues in biblical scholarship and the reliability of New Testament accounts **Risen Indeed** Gary R.

Habermas,2021-11-03 A pivotal contribution to the history of apologetics Gary Habermas has spent a career defending the historicity and truthfulness of the resurrection of Jesus But his earliest writing on Jesus resurrection has been unavailable to the broader public until now In *Risen Indeed A Historical Investigation Into the Resurrection of Jesus* readers will encounter Gary Habermas foundational research into the historicity of the resurrection With a new extensive introductory essay on contemporary scholarship regarding the resurrection Habermas shows how the questions surrounding the historicity of the resurrection and arguments raised by critics are perennially important for Christian faith *An Introduction to Christian*

*Philosophical Theology* Stephen T. Davis, Eric T. Yang,2020-11-17 An accessible introduction to Christian philosophical theology Philosophical or analytic theology seeks to employ philosophical tools while studying topics in Christian theology and examining the logical consistency or intelligibility of some of the key doctrines of the Christian faith In this accessible primer *An Introduction to Christian Philosophical Theology* authors Stephen T Davis and Eric T Yang first explain the scope relevance and value of philosophical theology and then applies its conceptual tools to examine each of the core Christian doctrines Revelation and Scripture The Trinity The Incarnation Redemption and the atonement Resurrection and life after death The final chapter briefly addresses some additional theological issues including petitionary prayer eschatology and original sin Designed for beginning students and non specialists this guide provides the ideal entry point for not only understanding what philosophical theology is but also for how it can provide valuable insights for how we think about the core doctrines of the Christian faith **Christian Apologetics and Philosophy** Paul Herrick,2024-10-01 A highly readable

introduction to Christian apologetics that joins contemporary analytic philosophy with modern biblical scholarship In this book Paul Herrick presents the basics of classical Christian apologetics in the form of an inference to the best explanation argument that builds from the book s first chapter to its last Drawing on contemporary philosophy logic and biblical scholarship Herrick incorporates thoughts from Socrates Plato Thomas Aquinas and C S Lewis as well as scholars such as William Lane Craig J P Moreland Richard Swinburne and Craig Blomberg to present a multifaceted argument for the Christian faith With sections on the Socratic method the Christian examination of conscience the Big Bang miracles the historical reliability of the New Testament the resurrection of Christ and more this book promises to be useful intellectually and spiritually for seekers doubters and those already in the faith Philosophers Who Believe Kelly James

Clark,1997-10-29 Eleven leading philosophers including Basil Mitchell Mortimer Adler Alvin Plantinga Nicholas Wolterstorff

and Richard Swinburne describe why they have embraced Christian belief and offer fascinating insights into their individual spiritual journeys Edited by Kelly James Clark *Christian Philosophical Theology* Stephen T. Davis, 2006-03-16 Christian Philosophical Theology constitutes a Christian philosopher's look at various crucial topics in Christian theology including belief in God the nature of God the Trinity christology the resurrection of Jesus the general resurrection redemption and theological method The book is tightly argued and amounts to a coherent explanation of and case for the Christian world view Although written from a broadly Reformed Protestant perspective and although the author does not avoid controversial topics the aim is to present a merely Christian world view to adapt slightly C S Lewis's famous term That is Stephen T Davis attempts to write as much as possible from the perspective of the broad centre of Christian understanding [The Blackwell Companion to Substance Dualism](#) Jonathan J. Loose, Angus J. L. Menuge, J. P. Moreland, 2018-05-01 THE BLACKWELL COMPANION TO SUBSTANCE DUALISM This is a terrific volume by a long way the best currently available anthology on dualism and a worthy addition to Blackwell's distinguished series of Companions Tim Crane Central European University A major contribution to an ongoing transformation of analytic philosophy of mind Howard Robinson Central European University This high quality volume offers a rich variety of perspectives on substance dualism and will be a valuable resource for students and researchers in philosophy of mind and philosophy of religion John Cottingham University of Reading Thorough and fair the quality of the essays is high This will certainly be the book on substance dualism Michael Tye University of Texas at Austin Substance dualism has for some time been dismissed as an archaic and defeated position in philosophy of mind but in recent years the topic has experienced a resurgence of scholarly interest and has been restored to contemporary prominence by a growing minority of philosophers prepared to interrogate the core principles upon which past objections and misunderstandings rest As the first book of its kind to bring together a collection of contemporary writing from top proponents and critics in a pro contra format the Blackwell Companion to Substance Dualism captures this ongoing dialogue and sets the stage for rigorous and lively discourse around dualist and physicalist accounts of human persons in philosophy Chapters explore emergent Thomistic Cartesian and other forms of substance dualism broadly conceived in dialogue with leading varieties of physicalism including animalism non reductive physicalism and constitution theory Loose Menuge and Moreland pair essays from dualist advocates with astute criticism from physicalist opponents and vice versa highlighting points of contrast for readers in thematic sections while showcasing today's leading minds engaged in direct debate Taken together essays provide nuanced paths of introduction for students and capture the imagination of professional philosophers looking to expand their understanding of the subject Skillfully curated and in touch with contemporary science as well as analytic theology the Blackwell Companion to Substance Dualism strikes a measured balanced between advocacy and criticism and is a first rate resource for researchers scholars and students of philosophy theology and neuroscience

**Behold the Man** Peter S. Williams, 2024-06-18 After a substantial new essay examining the nature of a properly

skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies Soul, Body, and Survival Kevin Corcoran, 2018-08-06 How are soul and body related to one another Are human beings immaterial souls or complex physical organisms Will we survive the death of our bodies Does only the dualist view allow the possibility of life after death This collection brings together cutting edge research on the metaphysics of human nature and the possibility of post mortem survival Kevin Corcoran's collection Soul Body and Survival includes chapters from those who embrace traditional soul body dualism those who assert person body identity and those who propose entirely new views that fall outside the categories of monism and dualism The first book to connect the metaphysics of persons with the belief in life after death thus intersecting with theological as well as philosophical inquiry it blurs the divide between metaphysics and the philosophy of mind

**Unbounded Love** Clark H. Pinnock, Robert Brow, 2000-10-25 *The Oxford Handbook of Eschatology* Jerry L. Walls Professor of Philosophy of Religion Asbury Theological Seminary, 2007-10-31 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise In addition to its popular resurgence in recent years some of the world's most important theologians have returned eschatology to its former position of prominence The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence **Searching for an Adequate God** David Ray Griffin, 2000 In this book advocates of both process and free will theism come together for the first time to describe their respective theological perspectives and enter into constructive dialogue with each other Featuring two of today's best philosophers David R Griffin representing process theology and William Hasker representing free will theism as well as theologians interested in both views this

volume provides a fully orb ed discussion of these two vital theological positions      The Routledge Companion to Philosophy of Religion Chad V. Meister,Paul Copan,2013 The Routledge Companion to Philosophy of Religion Second Edition contains nine new entries and is an indispensable guide and reference source to the major themes movements and topics in philosophy of religion      *The Biblical Archaeologist* George Ernest Wright,1993      **A Faithful Guide to Philosophy** Peter S. Williams,2019-02-14 A Faithful Guide to Philosophy is the only British Christian introduction to philosophy a book that will be used as a course textbook and by church study groups and individual readers alike It covers a broad range of subjects of central importance to the Christian worldview and will be prized by many      *Socio-Historical Examination of Religion and Ministry, Volume 2, Issue 1* Darren M. Slade,2020-05-01 Socio Historical Examination of Religion and Ministry SHERM journal is a biannual not for profit free peer reviewed academic journal that publishes the latest social scientific historiographic and ecclesiastic research on religious institutions and their ministerial practices SHERM is dedicated to the critical and scholarly inquiry of historical and contemporary religious phenomena both from within particular religious traditions and across cultural boundaries so as to inform the broader socio historical analysis of religion and its related fields of study The purpose of SHERM is to provide a scholarly medium for the social scientific study of religion where specialists can publish advanced studies on religious trends theologies rituals philosophies socio political influences or experimental and applied ministry research in the hopes of generating enthusiasm for the vocational and academic study of religion while fostering collegiality among religious specialists Its mission is to provide academics professionals and nonspecialists with critical reflections and evidence based insights into the socio historical study of religion and where appropriate its implications for ministry and expressions of religiosity      How Does God Act in the World? David Wilkinson,2025-05-29 Does God act in the world and if God does then how These questions are central questions for Christian theology and Christian mission and ministry Is God simply a creator who then goes on holiday and leaves the universe to develop or is God the one who is embodied in Jesus the God of signs and wonders death and resurrection And what does this mean for signs and wonders today in the life of individuals and local churches From The Simpsons to a wedding in Cana from grace to quantum theory and from the problem of evil to eschatology David Wilkinson argues that the biblical picture of a God who acts in the world makes sense in the light of modern science but how God acts cannot be reduced to simple models      **The Oxford Handbook of Philosophy of Religion** William Wainwright,2004-12-16 The Oxford Handbook of Philosophy of Religion contains newly commissioned chapters by 21 prominent experts who cover the field in a comprehensive but accessible manner Each chapter is expository critical and representative of a distinctive viewpoint      The Christian Advocate ,1923

**Routledge Companion to Philosophy of Religion** Chad Meister,Paul Copan,2010-02-25 The Routledge Companion to Philosophy of Religion is an indispensable guide and reference source to the major themes movements debates and topics in philosophy of religion A team of renowned international contributors provide sixty five accessible entries organized into nine

clear parts philosophical issues in world religions key figures in philosophy of religion religious diversity the theistic conception of God arguments for the existence of God arguments against the existence of God philosophical theology christian theism recent topics in philosophy of religion Covering key world religions including Hinduism Buddhism and Islam and key figures such as Augustine Aquinas and Kierkegaard the book explores the central topics in theism such as the ontological cosmological and teleological arguments for God's existence Three final parts consider Catholicism Protestantism Eastern orthodoxy and current debates including phenomenology reformed epistemology religious experience and religion and science This is essential reading for anyone interested in philosophy religion and related disciplines
