Renvoize, 2023-08-09 Originally published in 1985 this at the time controversial book explores the fundamental changes in personal relationships that had taken place over the previous decade focusing on women who had deliberately chosen to have children outside a permanent relationship After travelling widely throughout Britain the United States and Holland meeting those personally involved Jean Renvoize discusses why a growing number of women were deciding to become single mothers She discovers the implications of this for the future of the family and for old style love and commitment between the sexes She analyses the position both of the children of these single families and of their mothers She looks at men s feelings about being used a stud and uncovers the desire of some men to have a family without being financially and emotionally involved with a long term partner Importantly Jean Renvoize places the new style of personal relationship in the context of the advance of the women s movement It is clear that ordinary and non political women s and men s lives have been more fundamentally changed by feminism than they may realise But few of the mothers interviewed by the author are actively feminist lesbians apart they all have in common past relationships with men and would happily settle with the right man could their high expectations be met Without exception all those who made the deliberate choice to go solo have loving joyful and rewarding experiences of motherhood Having a child alone has been fraught with problems for all but those who have met the challenge have found such great fulfilment that one is faced with an inevitable question are a woman and her child better off without a man When so many marriages end in divorce is a stable unit of two better than a broken unit of three But

also might those without the motivation of successful solo mothers rush thoughtlessly into motherhood and find themselves exhausted broke and very unhappy Presenting in their own words the experiences of those directly involved this was above all a practical book It provided welcome and necessary insights into the changing pattern of relationships at the time for the married and unmarried for parents and non parents Today it can be read and enjoyed in its historical context     **Solid Ground** T.W. Lewis,2025-03-04 Using time tested principles Solid Ground offers a blueprint for success In Solid Ground award winning entrepreneur Tom Lewis shatters the myths in today s culture about how to achieve success By reminding us of the time tested principles that seem to have gotten lost like personal character hard work goal setting helping others and faith Solid Ground explains and celebrates the real building blocks of a successful career and life Lewis offers both a road map and a compass for finding True North Following these principles will put your life on solid ground and will increase your chances for finding success and happiness In this book Lewis shows you how to harness the power of these principles The Power of Personal Character The Value of Hard Work The Magic of Goal Setting The Benefits of Self Awareness The Goodness of Helping Others Find Your Talent Make Good Decisions Take Smart Risks Keep Your Drive Alive Manage Your Career Achieve Success Discover Purpose Create Meaning Embrace Wisdom Appreciate Happiness     *The Politics of Good Intentions* David Runciman,2009-02-09 Tony Blair has often said that he wishes history to judge the great political controversies of the early twenty first century above all the actions he has undertaken in alliance with George W Bush This book is the first attempt to fulfill that wish using the long history of the modern state to put the events of recent years the war on terror the war in Iraq the falling out between Europe and the United States in their proper perspective It also dissects the way that politicians like Blair and Bush have used and abused history to justify the new world order they are creating Many books about international politics since 9 11 contend that either everything changed or nothing changed on that fateful day This book identifies what is new about contemporary politics but also how what is new has been exploited in ways that are all too familiar It compares recent political events with other crises in the history of modern politics political and intellectual ranging from seventeenth century England to Weimar Germany to argue that the risks of the present crisis have been exaggerated manipulated and misunderstood David Runciman argues that there are three kinds of time at work in contemporary politics news time election time and historical time It is all too easy to get caught up in news time and election time he writes This book is about viewing the threats and challenges we face in real historical time     **A Risk Worth Taking** Kathleen Gilles Seidel,1984     **Think Like a Mathematician** Anne Rooney,2021-07-15 Mathematics is all around us It is the universal language that allows us to work with numbers patterns processes and the rules that govern the entire universe Math enables us to understand our surroundings and model and predict phenomena This insightful and comprehensive volume answers a series of compelling mathematical and life related questions in an entertaining and informative way showing inquisitive readers how math is the basis for just about everything they experience in their daily lives     *A Way in*

*to the Trinity* Gerald O'Mahony (S.J.), 2004 God is unconditional love gratefully received safely returned The way in to the Trinity for anyone is a way in to the mystery of love and the story turns out to have a happy ending The mystery of the Trinity was revealed to us not to stop us thinking but to start us loving I have never read anything on the Trinity which is as life giving as this book The mystery instead of appearing unintelligible and better left alone remains mystery but becomes something exciting energizing a source of life the source of our own lives which can never be exhausted by any amount of exploration Gerard W Hughes SJ Gerald O Mahony completed this book in his 50th year as a Jesuit his 38th as a priest and his 20th year as a retreat director and author working in Loyola Hall Jesuit Spirituality Centre in England **The Moral**

**Austerity of Environmental Decision Making** John Martin Gillroy, Joe Bowersox, 2002-06-17 A roundtable discussion on the missing ethical dimension in environmental policy **The Gynocentric Trap** Conrad Riker, 101-01-01 Are you tired of being treated like a second class citizen in a world that seems to favor women at every turn Do you feel like you're constantly walking on eggshells afraid to speak your mind for fear of being labeled a misogynist Are you frustrated by the double standards that seem to punish men for simply being men If you answered yes to any of these questions then *The Gynocentric Trap* is the book you've been waiting for This groundbreaking work exposes the systemic bias against men in modern society and offers a roadmap for reclaiming your rightful place as a leader provider and protector Discover the truth about gender equality and why it's a myth that's been used to undermine men for generations Learn how the feminist movement has weaponized language to silence men and suppress their voices Understand the real cost of modern marriage and why it's often a raw deal for men Explore the concept of toxic masculinity and why it's a dangerous lie that's been used to demonize men Find out how the family court system is rigged against fathers and what you can do to fight back Uncover the psychological warfare being waged against men through media manipulation and cultural messaging Learn how religion can be a powerful tool for preserving traditional gender roles and family values Discover the economic disparities that are leaving men behind and how you can take control of your financial future If you're ready to break free from the gynocentric trap and reclaim your power as a man then buy this book today It's time to stop being a victim and start being a victor Delusional Altruism Kris Putnam-Walkerly, 2020-03-19 How you give matters Discover philanthropic strategies for creating transformational change Whether you regularly donate to charity run a small family foundation or are responsible for millions of dollars in grants you are a philanthropist *Delusional Altruism* Why Philanthropists Fail To Achieve Change and What They Can Do To Transform Giving looks at how you can create transformational change It reminds us that how we give is as important as the amount we give The author describes common practices that hinder transformational change and explains how to avoid them ensuring that your gifts help create the impact you seek *Delusional Altruism* a set of all too common errors in philanthropic strategy can derail a program of giving and result in a loss of efficiency and effectiveness This book asks philanthropists and charitable organizations to consider whether they have fallen under the spell of *Delusional Altruism* Are

you cutting out impactful giving in order to save money or avoid uncertainty Is your philanthropic approach unnecessarily restricted by traditional thinking This book will help you answer these questions and determine how you can achieve better outcomes through the process of Transformational Giving Ask questions that spur learning and fuel innovation Believe that investment in yourself and your operation is important Increase the speed of your actions to increase the impact of your giving Give in ways that create lasting sustainable change Follow strategies to make your philanthropy unstoppable Although enhanced opportunities for philanthropic giving are on the horizon changes to philanthropic practice are needed to prevent this philanthropy boom from becoming under leveraged Implementing updated approaches now can lead to positive change for the future Read Delusional Altruism to learn how you can transform reality with strategic giving The Wisdom of Solomon Ronald Dunn,2010-12-31 While on vacation Rob discovers an alien space ship that had been entombed in a mountain cavern for centuries They exit the cavern together and their future becomes inexorably intertwined both mentally and spiritually The ship named Solomon and Rob discover time travel with the help of an alien woman Torena Rob becomes obsessed with returning to his boyhood days as Torena becomes his mentor in his quest The Wisdom of Solomon is a compelling story of how we influence each other as we speed down the rocky roads of life Many decisions will affect the future but some may even affect the past Gold on a Sailboat! Sam Venkatesam,2022-08-02 Can you smuggle some thirty five million dollars worth of gold openly and so audaciously that no one can catch you when you carry it from Houston to Cochin on the high seas using a sailboat Dr Mohan Reddy an American metallurgist does it and he does it successfully The gold bars were accidentally found by him in a jungle in Texas The original thief of the gold comes to know about his loss and keeps an eagle s eye on Mohan all the time What about Mohan s own challenges The movement of gold bars within the US is the first one The next one is converting the shape of gold amenable for transportation a metallurgical nightmare What about the treacherous Atlantic Ocean What about the pirates of the Arabian Sea What about the moles placed by the original thief of the gold on his sailboat What about converting the gold into legal money Most importantly how would he handle the whole perilous caper all alone and without any latitude for error or failure
