WORDSWORTH,2018 On Shakespeare's Knowledge and Use of the Bible Charles Wordsworth, 1864 Shakespeare's Knowledge and Use of the Bible (Classic Reprint) Charles Wordsworth, 2015-07-13 Excerpt from Shakespeare's Knowledge and Use of the Bible I am not aware that the attempt made in this small volume has been anticipated in any other Even the notes of critics upon Shakspeare superfluously full in pointing out his obligations real or supposed to secular authors are singularly meagre in the references which they make to the Holy Scriptures And yet how abundant is the room for such reference and how much it may conduce to the mutual illustration of the two books which as Christians and as Britons we should value most will be seen I trust upon every page of the Second Part of the following dissertation About the Publisher Forgotten Books publishes hundreds of thousands of rare

This collection makes a significant intervention in our understanding of Shakespeare the Bible and the role of textual materiality in the construction of cultural authority Departing from conventional source study it questions the often naturalized links between the Shakespearean and biblical corpora examining instead the historically contingent ways these links have been forged. The volume brings together leading scholars in Shakespeare book history and the Bible as literature whose essays converge on the question of Scripture as source versus Scripture as process whether that scripture is biblical or Shakespearean and in turn explore themes such as cultural authority pedagogy secularism textual scholarship and the materiality of texts Covering an historical span from Shakespeare's post Reformation era to present day Northern Ireland the volume uncovers how Shakespeare and the Bible's intertwined histories illuminate the enduring tensions between materiality and transcendence in the history of the book ON SHAKESPEARES KNOWLEDGE & US Charles 1806-1892 Wordsworth, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Shakespeare's Knowledge and Use of the Bible Anonymous, 2016-05-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations
