**Shaman Psalm** James Broughton, 1984      *The Psalms* Samuel L. Terrien, 2003 In this monumental work his most ambitious undertaking the late Samuel Terrien brings together a lifetime of scholarship on Psalms long the wellspring of Jewish spirituality as well as the main hymnal of the Christian church The book's insightful and clearly written introduction treats such subjects as the longevity and ecumenicity of the psalms their Near Eastern background the Hebrew text and ancient versions their music their strophic structure their literary genre their theology and their relation to the New Testament In the commentary itself Terrien freshly elucidates the theological significance of these collected poems by putting readers in touch with the formal versatility and religious passion of the psalmists themselves While Terrien always engages in scientific exegesis before drawing theological conclusions he is careful to allow full expression to the theological and especially the doxological voice of these unmatched spiritual songs The result is a commentary that provides a link between the archaic language of Psalms and the intellectual demands of modern thinking and spirituality Throughout his exposition Terrien shows great respect for the scribal testimony of the Jewish tradition especially the consonants of the Masoretic text He likewise displays great care in finding the most accurate meaning for Hebrew words of obscure origin This meticulous work renders a translation of Psalms more reliable than those of Terrien's predecessors He also draws on many fruitful gains of structural analysis in discerning the strophic divisions within the Hebrew text Often he finds unity of composition where earlier critics denied it And for readers interested in specific aspects of translation and interpretation Terrien has appended bibliographical lists of modern works on each psalm      [The Mind-Body Guide to the Twelve Steps](#) Nina Pick, 2023-09-05 A trauma sensitive companion to the Twelve Steps body based exercises for deepening your recovery expanding your spiritual practice preventing relapse and understanding the root of your addiction For readers of *In the Realm of Hungry Ghosts and Trauma* and the 12 Steps Considering addiction through a trauma informed lens *The Mind Body Guide to the Twelve Steps* offers an accessible lyrical and practical guide to Twelve Step recovery that emphasizes self compassion relationship embodied awareness and ecological connection Whether you're suffering from an active addiction seeking freedom from self limiting behaviors or hoping to establish or grow your spiritual practice this innovative guide offers a holistic roadmap to navigating the journey of recovery Somatic and spiritual counselor educator and writer Nina Pick shows how addiction is rooted in survival strategies that protect us from overwhelmingly painful experiences Pick draws on attachment theory polyvagal theory somatics mindfulness trauma therapy Jewish and integrative spirituality and her own long time experience in recovery to expand the Twelve Step practice beyond the conventional cognitive approach into one of soul recovery a profound and sensuously embodied spiritual path With reflections and practices designed to complement the literature and tools offered by your specific Twelve Step program *The Mind Body Guide to the Twelve Steps* shows you how to Explore powerlessness and unmanageability Integrate dance vocalization and other creative arts to enhance your recovery

Create transformative ritual and ancestral healing practices Expand your ideas of Higher Power and prayer Forgive yourself and others Cultivate daily practices for reflection and meditation Understand the intersections of addiction developmental trauma and intergenerational trauma Drawing on plant medicine mindfulness poetry self directed touch ritual and guided imagery The Mind Body Guide to the Twelve Steps nurtures a joyful and heart centered path to recovery and complements the healing work of Peter Levine Bessel van der Kolk and Arielle Schwartz      **Summer Lover** B.G. Seasons of Love Book Two Scott Aberdeen doesn't believe in Santa Claus the Easter Bunny or God Or love at least he knows no one will ever love him After all he has carried a torch for his best friend Sloan for a decade hoping his feelings will be returned one day But when Sloan finds springtime love with another man Scott's fantasies are crushed and his skepticism confirmed Cedar Carrington raised by rock star parents leads a free spirited nomadic life never staying in one place for long Due to a dark past he refuses to share or even think about he is willing to let men into his bed for sex but never for the night When Scott finds himself camping in the middle of nowhere with over a hundred men who all believe in love and faeries and a magickal gay brotherhood he's pretty sure he's in the wrong place And when Cedar connects with cynical critical Scott he wonders how he could be falling in for this man of all men But hearts and lives have been transformed at the Heartland Men's Festival before and it might be just the place where two very different men can release their pain and find true love at last

*The Exploding Eye* Wheeler W. Dixon,1997-01-01 Explores the work of lesser known American experimental filmmakers whose films though well received and influential have been excluded from the dominant film canon      **Contemporary Gay American Poets and Playwrights** Emmanuel S. Nelson,2003-06-30 Gay presence is nothing new to American verse and theater Homoerotic themes are discernible in American poetry as early as the 19th century and identifiably gay characters appeared on the American stage more than 70 years ago But aside from a few notable exceptions gay artists of earlier generations felt compelled to avoid sexual candor in their writings Conversely most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work This reference is a guide to their creative achievements Alphabetically arranged entries present 62 contemporary gay American poets and dramatists While the majority of included writers are younger artists who came of age in the post Stonewall U S some are older authors whose work has continued or persisted into recent decades A number of these writers are well known including Edward Albee Harvey Fierstein and Allen Ginsberg Others such as Alan Bowne Timothy Liu and Robert O'Hara merit wider recognition Each entry is written by an expert contributor and includes a biography a discussion of major works and themes an overview of the author's critical reception and primary and secondary bibliographies      *The Shaman* John A. Grim,1987 Tribal peoples believe that the shaman experiences absorbs and communicates a special mode of power sustaining and healing This book discusses American Indian shamanic traditions particularly those of the Woodland Ojibway in terms drawn from the classical shamanism of Siberian peoples Using a cultural historical method John A Grim describes the spiritual formation of

shamans male and female and elucidates the special religious experience that they transmit to their tribes Writing as a historian of religion well acquainted with ethnological materials Grim identifies four patterns in the shamanic experience cosmology tribal sanction ritual reenactment and trance experience Relating those concepts to the Siberian and Ojibway experiences he draws on mythology sociology anthropology and psychology to paint a picture of shamanism that is both particularized and interpretative As religious personalities shamans are important today because of their singular ability to express symbolically the forces that animate the tribal cosmology Often identifying themselves with primordial earth processes shamans develop symbol systems drawn from the archetypal earth images that are vital to their psychic healing technique This particular ability to resonate with the natural world is felt as an important need in our time Those readers who identify with American Indians as they confront modern technological society will value this introduction to our native shamanic traditions and to the religious experience itself The author s discussion of Ojibway practices is the most comprehensive short treatment available written with a fine poetic feeling that reflects the literary expressiveness inherent in American Indian religion and thought

**Shamanic Christianity** Bradford Keeney, 2006-03-13 A guide to reconnecting with Jesus Mary and the saints as shamanic teachers of divine mysteries Contains meditations contemplations parables and active ritual tasks that help bring forth a shamanic understanding and practice of Christianity Shows shamanic experience to be the root of mystical communion When the missionaries came to North America to save the American Indians they were perplexed to discover that while they talked about Jesus some of the Indians claimed to talk directly with him Among Christians there is almost complete silence on the subject of the place of shamanism in experiencing the divine yet shamanic experience is at the root of all mystical communion Shamanic Christianity offers a chance to rekindle the shamanic practices of Christianity to those who wish to restore their direct connection to the spirit world In the tradition of contemplative practice this reconnection takes the form of devotions Presented in four forms these devotions begin with a specific contemplation followed by a meditative focus then a parable from the author s own visionary experiences and finally an active mystical practice to help ground the meditations and contemplations in a ritual or ceremony that involves active participation These four forms serve to reintroduce Jesus Mary and the historically renowned saints as shamanic teachers of divine mysteries whose spiritual presence is readily available to contemporary lives The author also presents specific directives for handling everyday challenges in a shamanic inspired manner drawing upon creative activities and resources that encourage approaching the world with the imaginative and playful spirit of a child whose personal freedom and creative expression is always wide open to possibilities

**Masters of Psalmody (bimo)** Aurélie Névot, 2019-08-26 In Masters of Psalmody bimo Aurélie Névot analyses the religious political and theoretical issues of a scriptural shamanism observed in southwestern China among the Yi Sani Her focus is on blood sacrifices and chants based on a secret and labile writing handled only by ritualists called bimo Through ethnographic data the author presents the still little known bimo metaphysics

and unravels the complexity of the local text based ritual system in which the continuity of each bimo lineage relies on the transmission of manuscripts whose writing relates to lineage blood While illuminating the usages of this shamanistic tradition that is characterized by scriptural variability between patrilineages Aur lie N vot highlights the radical changes it is undergoing by becoming a Chinese state tradition

**The Psalms as Christian Worship** Bruce K. Waltke, James M. Houston, 2010-11-22 This commentary uniquely combines a verse by verse exposition of the Hebrew text of selected Psalms with a history of their interpretation in the Church from the time of the apostles to the present Bruce K Waltke begins the collaboration by first skillfully establishing the meaning of the chosen psalms through careful exegesis in which each text is interpreted in light of its historical backgrounds its literary form and the poet s rhetoric James M Houston then exposit each text s relevance in conjunction with the Church s interpretation of it throughout her history To further the accuracy of this interpretation he commissioned fresh translations of numerous Latin and Middle English texts The authors purpose in creating this volume was not merely to produce a masterful commentary Rather they wished to aid in enriching the daily life of the contemporary Christian and to deepen the church s community Waltke and Houston here bring together the two voices of the Holy Spirit heard infallibly in Scripture and edifyingly in the Church s response in a rare and illuminating combination
