**Shame, the Church and the Regulation of Female Sexuality** Miryam Clough, 2017-07-14 This book explores the idea that shame has historically been

and continues to be used by an oftentimes patriarchal Christian Church as a mechanism to control and regulate female sexuality and to displace men's ambivalence about sex. It is a fresh take on the issue of shame and gender in the context of religious belief and practice. As such, it will be of significant interest to academics in the fields of Religious Studies, Theology, Church History, and Gender Studies.

*Never Forsaken* Lydia Tate, 2020-08-11 God always has a good plan regardless of our circumstances. He sees us through some of the most difficult situations in our lives. We can easily be discouraged to give up when we go through adversity, but there is a God who is able to see us through. Adversities can be a bridge that gets us to where we are meant to be, depending on how we respond to it. Adversity is part of God's divine plan if we seek him in the midst of it. We blossom to His perfect plan when we seek Him wholeheartedly.

**Meeting the Enemy** Kevin James O'Brien, 2025 The catastrophic effects of climate change are overwhelming. What can we do? Who is responsible? In the tradition of Walter Wink, O'Brien reminds us that Christians have the power to name and oppose the enemies of God's creation. The fossil fuel industry is our enemy. We can confront this evil power and build a more faithful future.

**Love More, Binge Less and Stay Fit** Merideth Ussery, 2014-09-08 Love More Binge Less and Stay Fit breaks new ground with its cutting edge approach to permanent weight loss. For the first time, overcoming years of constant weight struggle is defined by more than nutrition and exercise. We all want to know how to escape from ongoing weight fluctuations, food guilt, dieting, misery, and body image insecurity. We also want to know how to find the best diet to get to our dream body size and weight that we imagine will provide a turning point toward a fit body and self-confidence. In this book, Annie Stern writes with compassion and great insight to isolate the four big obstacles and the five secrets that change the perspective of weight loss and the diet industry. The goal is to create permanent changes between the relationship we have with food and with our body. This book provides a road map to illustrate why restrictive diets followed by guilt-ridden binges, overeating, and body hatred show up in our life as a constant weight struggle. Have you tried every new diet or weight loss plan and chronic exercising, but you're still gaining back the pounds you lost within a few months? Perhaps this frustration sends you in search of still another plan, which ends in the spinning wheel of compulsion to dieting for years to come. In that case, this book is for you. Our degree of readiness is the key to paying attention to what's behind the symptoms as we seek the solutions for how to stop fighting food, fighting with our fridge, or fighting with our body, but mainly with ourselves. Only then will we find real joy with our bodies again.
