Astro Equations for Specific Professions Mridula Trivedi, T.P. Trivedi, R. Asthana, 2016-01-01 *Words of Destiny* Caterina Guenzi, 2021-03-01 Astrologers play an important role in Indian society but there are very few studies on their social identity and professional practices Based on extensive fieldwork carried out in the city of Banaras Words of Destiny shows how the Brahmanical scholarly tradition of astral sciences jyotiṣa described in Sanskrit literature and taught at universities has been adapted and reformulated to meet the needs and questions of educated middle and upper classes in urban India How to get a career promotion How to choose the most suitable field of study for children When is the best moment to move into a new house The study of astrology challenges ready made assumptions about the boundaries between science and superstition rationality and magic Rather than judging the validity of astrology as a knowledge system Caterina Guenzi explores astrological counseling as a social practice and how it works from within for both astrologers and their clients She examines the points of view of those who use astrology either as a way of earning their living or as a means through which to solve problems and make decisions concluding that because astrology combines mathematical calculations and astronomical observations with ritual practices it provides educated urban families with an idiom through which modern science and devotional Hinduism can be subsumed **Shani Shaman** Mridula Trivedi, Hindu Dasha System Krishna Kumar Pathak, 2000 On predicative Hindu astrology *Bibliographic Guide to Psychology* New York Public Library. Saturn and Past Life Debt Saket Shah,2025-07-01 Author s Note Dear Reader When I first began this journey of writing about Saturn I didn t do it as an expert sitting on a pedestal I did it as a humble student of Shani Dev himself Saturn has been my strictest teacher my silent companion through storms my patient guide who has watched me stumble delay resist and learn again and again If you found even a single line in this book that gave you courage to face your karmic debts with grace then every delay every sleepless night and every struggle that went into these pages was worth it This is not just a book It s a mirror It s a reminder that you are never alone in your burdens that each obstacle hides a lesson and each lesson hides a blessing waiting to bloom when you are ready May you walk with Saturn as your friend May you repay your debts with integrity May your children and grandchildren remember you as the one who healed the family s burdens May your soul grow lighter and lighter with each honest act of service until you walk free truly free under Shani Dev s watchful gaze If you ever doubt yourself come back to these pages Read the stories again Remember that the same Saturn who tests you will reward you a thousandfold Thank you for letting my words be a small part of your sacred journey May Shani Dev protect you guide you and polish your soul until it shines brighter than any star With humble gratitude Saket Shah
