Schrewe,2010-11-16 A story that reaches deep into one s soul reuniting the true meaning of Christmas with the incredible love of Jesus and the heart of the Father     Charlie's Christmas Miracle AQEEL AHMED,2023-11-12 Charlie s Christmas Miracle is a sweet story that takes place in a small village surrounded by snowy hills Charlie is the main character He is a happy kind young man who loves Christmas The holiday season makes him happy from the bright lights to the smell of freshly baked cookies to the joy of giving and getting gifts But things are different for Charlie and his family this year They are having money problems and can t buy a Christmas tree or any ornaments for it With a heavy heart Charlie watches as his friends and neighbors get their homes ready for the holidays One cold evening Charlie had an idea He makes up his mind to go into the woods and get a Christmas tree to decorate Charlie packs warm clothes and is ready to go on his adventure While Charlie sings his favorite Christmas song the tree he picked starts to shine and glow It was a magical moment for him in the forest It s like the tree reacts to his happy music by getting brighter with each note Charlie is so happy that he decorates the tree by hand with bells bright ribbons and pinecones made from twigs and leaves The tree changes into a beautiful sight that casts a warm welcoming glow throughout the forest Charlie s happiness grows when a group of birds joins in and makes a beautiful song After hearing about Charlie s Christmas surprise people come from all over the world to see the magical tree in the forest They bring their own trinkets and decorations to add to the beauty of the forest The forest becomes a joyful and magical place where everyone can enjoy the real spirit of Christmas On Christmas Eve Charlie asks his family to come see the miracle tree Their lips light up with wonder and excitement as they give him a tight hug showing how proud they are of their smart and kind child For a special event everyone in town gathers around the magical tree to sing Christmas songs give and receive gifts and tell stories of love and kindness The glow from the tree gets brighter making everyone happy As the clock hits midnight Charlie makes a wish for his family friends and everyone else gathered around the magical tree to be happy loved and successful A shooting star flashes across the sky letting him know that what he wanted has come true Charlie s family spends Christmas with a tree that is decorated with love and memories that are very important to them They

tell Charlie how much they appreciate him teaching them the real meaning of Christmas The people in the area go back to see the miracle tree one more time and give food and blankets to the birds and animals that have made it their home Even though the tree's light goes out its magic lives on in the minds of everyone who saw it From that day on Charlie's town is known for its kindness safety and sense of community A lot of people get together in the forest every year to enjoy Christmas and remember the miracle that brought them all together Charlie's Christmas miracle becomes a beloved story that is told from one generation to the next It reminds everyone that the real magic of Christmas is love kindness and joy shared with others It shows that Christmas is a feeling that can be found in the smallest acts of kindness and in the strangest places Charlie's Christmas miracle will always be a source of hope inspiring people to enjoy the spirit of Christmas in their everyday lives

The Story's Start A little boy named Charlie used to live in a town surrounded by snowy hills He was a happy kind young man who loved Christmas more than anything else It warmed his heart to see all the bright lights smell the fresh cookies and give and receive gifts The small town was turned into a snow wonderland every December Snowflakes would fall from the sky and cover the land in a beautiful shiny blanket The streets were full of the laughter of kids building snowmen and having snowball fights and the homes were lit up with bright lights But Charlie's Christmas was really amazing because of how much his family loved and cared for him The house where Charlie's family lived was nice and on the edge of town The smell of fresh cookies and the sound of laughter could always be heard in their house They loved their child very much and they loved Christmas as much as he did They would make wonderful Christmas memories together Charlie loved the event where everyone decorated the Christmas tree every year In their cozy living room they would gather around a beautiful evergreen tree that reached almost to the roof The tree was placed by Charlie's grandfather a long time ago It has grown tall and strong just like their love for each other It would take the Thompsons hours to find the perfect ornaments to put on the tree Each ornament held a special memory for the person who owned it like the bright construction paper and glitter ornament Charlie made in kindergarten or the beautiful glass ornament that has been passed down from generation to generation As they put up the tree they sang their favorite Christmas songs which made their hearts full of love and joy When Charlie's family was decorating the tree one cold December night Charlie's dad saw a sad look on his son's face He got down on his knees and asked Charlie What's wrong buddy Mr Thompson knew that his son wanted to see the magic of the Christmas lights show but they hadn't been able to buy any lights lately because money was tight He looked at his wife and the two of them shared a knowing look Mrs Thompson smiled and said Charlie you know that the true magic of Christmas isn't in the lights or the decorations It's in the love we share with each other Let's make this Christmas special in our own way Charlie tried to smile as he nodded but he couldn't help but feel a little let down That night Charlie thought about what his mom had said as he lay in his warm bed But even though he knew she was right he still had to see the amazing light show that everyone was talking about As he fell asleep he wished on a sparkling star that there was a way for him to feel the magic of

the lights The next morning Charlie woke up to find that there was new snow on everything outside Getting out of bed and running to the window made his heartbeat fast with excitement Everything looks and feels more beautiful when it snows and it did today After breakfast Charlie chose to take a walk around town As he walked through the snowy streets he couldn't help but notice that everyone was busy getting ready for Christmas Shop owners put flowers in their windows families got warm to go ice skating and friends gave each other gifts Charlie couldn't help but feel left out He wished he could be a part of all the holiday activities and share the joy of the season with his friends He saw a sign in the town center that said Christmas Lights Display Tonight as he walked across town Charlie's heartbeat faster The show was tonight but he didn't have any lights to add to it There was magic around him but he didn't know how to join in Just as he was about to speak he heard a voice he knew calling his name Emily was his best friend She ran up to him quickly and smiled big It was Charlie she yelled Guess what Our family has some extra Christmas lights and we don't know what to do with them Would you like to help us decorate our house for the display tonight Charlie's eyes sparkled with joy Oh Emily that would be great Thanks so much Charlie put up Christmas lights on Emily's family's house in the afternoon They put them around the windows and hung them over the bushes Charles couldn't believe how lucky he was He was going to be a part of the beautiful light show after all As night fell Charlie Emily and her family joined the other people in the town square It looked like something from a fairy tale because the whole square was lit up with bright lights It looked like the stars clouds and even a huge Christmas tree was lit up with hundreds of lights Charlie's family would put up their Christmas tree together every year They would sing Christmas songs and hang colored ornaments and gold tinsel for hours on end But this year was different Charlie's family was having money problems so they couldn't buy a Christmas tree or any other decorations As Charlie looked on his friends and neighbors were decorating their houses for the holidays It broke his heart For as long as Charlie could remember the best part of the holiday season was always decorating the Christmas tree It was a beloved tradition that brought his family closer together and made memories that would last a lifetime Every year they would plan to start this great project on a weekend in early December      *A Christmas Miracle* Theresa Worman,1977      **Touched by an Angel** Sharon Y.
