Unit 5 Indian and World Geography Solved Paper 2016 Practice Paper 1 3 A Dance in Donegal Jennifer Deibel, 2021-02-02 Deibel's descriptions of Ireland's landscape, enticing cuisine, sonorous language, and vibrant culture converge to form a spectacular background for the story. BookPage starred review: All of her life, Irish American Moira Doherty has relished her mother's descriptions of Ireland. When her mother dies unexpectedly in the summer of 1920, Moira decides to fulfill her mother's wish that she become the teacher in Ballymann, her home village in Donegal, Ireland. After an arduous voyage, Moira arrives to a new home and a new job in an ancient country. Though a few locals offer a warm welcome, others are distanced by superstition and suspicion. Rumors about Moira's mother are unspoken in her presence but threaten to derail everything she's journeyed to Ballymann to do. Moira must rely on the kindness of a handful of friends and the strength of Sean, an unsettlingly handsome Thatcher who keeps popping up unannounced as she seeks to navigate a life she'd never dreamed of but perhaps was meant to live. Jennifer Deibel's debut novel delights the senses, bringing to life the sights, sounds, smells, and language of a lush country and a colorful people. Historical romance fans will embrace her with open arms. God's redemptive love is the highlight of this debut work. Fans of historical Christian romances in the vein of Kristi Ann Hunter and Jen Turano will want to keep an eye on Deibel. Library Journal: Deibel's exemplarily executed debut is a touching tale of love and forgiveness that also beautifully captures the warmth and magic of 1920s Ireland. The author's flair for vivid characterization is especially striking in Moira, whose realistic struggles with her faith give her memorable depth and relatability. Booklist

The Dance of Connection Everest Media,2022-04-30T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The art of communication is a difficult one and we may do our best to speak but still feel unheard We may find that we cannot affect our husband or wife or partner that fights go nowhere and that conflict brings only pain rather than an opportunity for two people to learn more about each other 2 We can never guarantee that the other person will get our message or respond the way we want But we can learn to be heard and move relationships forward We can take a conversation to the next level when the initial foray doesn t bring the desired result 3 The challenge of finding an authentic voice within an intimate relationship is far larger than a word like communication can ever begin to describe Authenticity brings to mind such elusive qualities as being fully present centered and in touch with our best selves in our most important conversations 4 The challenge in conversation is not just to be ourselves but to choose the self we want to be We don t discover who we are by sitting alone on a mountaintop and meditating or by being introspective and going deeper
