

Edgar Lee Masters

- ▶ Product of the Midwest—found small town life oppressive
 - Became a lawyer in Chicago and began writing poems, plays, and essays
 - In 1914, a friend gave him a copy of *Select Epigrams from the Greek Anthology*
 - ▶ Collection of **epigraphs**—a short poem, usually engraved on a gravestone, which sums up an individual's life

Shape Up Usa Essays And Epigrams

Thomas Carlyle

Shape Up Usa Essays And Epigrams:

Shape Up USA! Teppo K. Jokinen, 1993-01-01 **Critical and Miscellaneous Essays** Thomas Carlyle, 1893 **Greek Epigram in Reception** Gideon Nisbet, 2013-10 Tracing the evolution and reception history of a collection of ancient Greek epigrams from the early nineteenth to twentieth century the volume analyses the rhetoric which writers and translators brought to the text highlighting the after effects of this cultural war on the interpretations of Ancient Greece in British print culture Critical & Miscellaneous Essays Thomas Carlyle, 1857 **The Modern British Essayists: Carlyle, Thomas. Critical and miscellaneous essays**, 1852 *Critical and Miscellaneous Essays, Early Kings of Norway, and Essays on the Portraits of John Knox* Thomas Carlyle, 1893 **All Too Human** Lydia L. Moland, 2018-08-24 This book offers an analysis of humor comedy and laughter as philosophical topics in the 19th Century It traces the introduction of humor as a new aesthetic category inspired by Laurence Sterne s Tristram Shandy and shows Sterne s deep influence on German aesthetic theorists of this period Through differentiating humor from comedy the book suggests important distinctions within the aesthetic philosophies of G W F Hegel Karl Solger and Jean Paul Richter The book links Kant s underdeveloped incongruity theory of laughter to Schopenhauer s more complete account and identifies humor s place in the pessimistic philosophy of Julius Bahnsen It considers how caricature functioned at the intersection of politics aesthetics and ethics in Karl Rosenkranz s work and how Kierkegaard and Nietzsche made humor central not only to their philosophical content but also to its style The book concludes with an explication of French philosopher Henri Bergson s claim that laughter is a response to mechanical inelasticity *Essays on Goethe* Thomas Carlyle, 1888 *Critical and Miscellaneous Essays* Thomas Carlyle, Ralph Waldo Emerson, 2024-09-07 Reprint of the original first published in 1838 *The Literary World*, 1874

How Do You Say "Epigram" in Arabic?: Literary History at the Limits of Comparison Adam Talib, 2018-01-29 The qa dah and the qi ah are well known to scholars of classical Arabic literature but the maq a form of poetry that emerged in the thirteenth century and soon became ubiquitous is as obscure today as it was once popular These poems circulated across the Arabo Islamic world for some six centuries in speech letters inscriptions and above all anthologies Drawing on more than a hundred unpublished and published works *How Do You Say Epigram in Arabic* is the first study of this highly popular and adaptable genre of Arabic poetry By addressing this lacuna the book models an alternative comparative literature one in which the history of Arabic poetry has as much to tell us about epigrams as does Greek *The Oxford Companion to Twentieth-century Literature in English* Jenny Stringer, 1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary movements periodicals more than 400 individual works and articles on approximately 2 400 authors **The Literary World**, 1875 **Saturday Review**, 1858

The Reception of Classical German Literature in England, 1760-1860, Volume 4 John Boening, 2020-02-11 The extensive scope of this collection means that this documentary record of the reception of German literature in England is a

valuable scholarly resource One of the most important features of British literary and intellectual history over the past 250 years is the influence of German literature From the second half of the 18th Century through the first decades of the 19th German books and ideas attracted then gained the attention of a nation Despite the acknowledged importance of the influence on writers such as Coleridge and Carlyle the subject though often alluded to was rarely studied This collection provides a guidebook through the masses of periodical and allows the English side of the Anglo German literary relationship to be explored in detail In order to make the collection useful to scholars with a wide range of interest it has been divided into three parts Part 1 is a chronological presentation of commentary on German literature in general It also contains collective reviews of multiple German authors notices of important anthologies and reactions to influential works about Germany and its culture Part 2 collects reviews of 18th Century individual German authors and Part 3 is devoted to the English reception of Goethe and Schiller Parts 2 3 contain cross references to the collective reviews of Part 1 Containing over 200 British serials and articles and reviews from all the major English literary periodicals the collection also includes a broad sampling of opinion from the more general magazines including some popular religious publications Critical and miscellaneous essays, collected and republ Thomas Carlyle, 1840 Susan Sontag's Tangential Classics ,2025-02-08 Susan Sontag 1933 2004 once declared My idea of a writer someone interested in everything Being interested in everything had come naturally to me This statement was made thirty years after the publication of *Against Interpretation* in 1966 towards the end of a prolific career as an essayist diarist novelist filmmaker and activist The Greco Roman classics play an intriguing part in this narrative of insatiable thirst for knowledge Susan Sontag's *Tangential Classics* sets out to focus on this juncture in her work Instead of offering an account of antiquity in Sontag or of Sontag on antiquity the collected chapters are specifically concerned with her as a case of a thinker in whom the classical tradition does not come into exclusive focus but emerges tangentially in often disparate and exiguous traces connections and references within a polymathic awareness This volume examines Sontag's work and life to probe new strategies of plotting antiquity when its presence in modernity is alluring yet barely there and when the connective thread of influence seems to exist at breaking point Susan Sontag's *Tangential Classics* directs our attention to a twentieth century thinker who invites a markedly different perception of antiquity and its influence in her thought at once captivating and light provocative and uncertain *Essay on the Origin of Languages and Writings Related to Music* Jean-Jacques Rousseau, 2009-07-01 J J was born for music Jean Jacques Rousseau wrote of himself not to be consumed in its execution but to speed its progress and make discoveries about it His ideas on the art and about the art are fertile inexhaustible Rousseau was a practicing musician and theorist for years before publication of his first *Discourse* but until now scholars have neglected these ideas This graceful translation remedies both those failings by bringing together the *Essay* which John T Scott says most clearly displays the juncture between Rousseau's musical theory and his major philosophical works with a comprehensive selection of the musical writings Many of the latter are responses to

authors like Rameau Grimm and Raynal and a unique feature of this edition is the inclusion of writings by these authors to help establish the historical and ideological contexts of Rousseau s writings and the intellectual exchanges of which they are a part With an introduction that provides historical background traces the development of Rousseau s musical theory and shows that these writings are not an isolated part of his oeuvre but instead are animated by the same system this volume fashions a much needed portal through which literary scholars musicologists historians and political theorists can enter into an important but hitherto overlooked chamber of Rousseau s vast intellectual palace *Critical and miscellaneous essays,*

collected and republished Thomas Carlyle,1901 **The Lives of the Poets-Laureate. With an Introductory Essay on**

the Title and Office Wiltshire Stanton AUSTIN (and RALPH (John) Barrister-at-Law.),1853
